WHEREAS, the City of Chicago (the "City") is a home rule unit of government under Section 6(a) of Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City has determined that the continuance of a shortage of affordable rental housing is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, the Illinois General Assembly, pursuant to Public Act 102-0175, amended the state's Property Tax Code by adding Section 15-178, as the same may be hereafter amended, restated or supplemented from time to time ("Section 15-178"), to create a new program that provides a reduction in assessed value for property on which there is newly constructed and rehabilitated affordable rental housing ("Affordable Housing Special Assessment Program"); and

WHEREAS, pursuant to Section 15-178, the Cook County Assessor's Office (the "Assessor") is implementing the Affordable Housing Special Assessment Program; and

WHEREAS, pursuant to Section 15-178, the City may designate a jurisdiction within the City as a "Low Affordability Community" by passage of an ordinance specifying a census tract or property by permanent index number or numbers; and

WHEREAS, pursuant to Section 15-178, residential real property located within a Low Affordability Community may be eligible for a reduction in assessed value for such property, upon successful application to the Assessor, if the owner of the residential real property commits that for a period of 30 years after the newly constructed residential real property or improvements to existing residential real property are put in service, at least 20 percent of the multifamily building's units will have rents that are at or below maximum rents as defined in Section 15-178 and are occupied by households with household incomes at or below maximum income limits as defined in Section 15-178; and

WHEREAS, pursuant to the Citywide Affordable Rental Housing Analysis commissioned by the City in 2019, the City determined that 26 percent of year-round rental housing units in the Logan Square Community Area were affordable, compared to an average of 36 percent for Chicago; and

WHEREAS, the proposed Low Affordability Area is within the Logan Square Community Area; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:
