Those covenants specifically described at Sections 6.02, 6.03, 6.04, 6.05 and 6.06 as covenants that run with the land will bind any transferee of the Property throughout the Term of the Agreement or such shorter period as may be explicitly provided for therein. The other executory terms of this Agreement shall be binding only upon the Developer or a permitted assignee of this Agreement.

6.03 Operations Covenant. The Developer hereby covenants and agrees, throughout the Term of the Agreement, to operate the Project at the Facility, or to cause any Tenant to operate the Project at the Facility, in a manner consistent with the Tax Incentive requirements (the "Operations Covenant"). 6.06 Annual Compliance Report. Each year throughout the Term of the Agreement, the Developer shall submit to DPD by August 1st the Annual Compliance Report itemizing each of Developer's obligations under this Agreement during the preceding year. If the Annual Compliance Report is not received within this timeframe, the City will notify Developer in writing of such deficiency. Thereafter, Developer shall have ten (10) days to file the Annual Compliance Report with DPD. Developer's failure to timely submit the Annual Compliance Report will constitute an event of default.

6.07 Conflict of Interest. Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the applicable Redevelopment Area.

Developer represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

6.13 Non-Governmental Charges. The Developer agrees to pay or cause to be paid when due any Non-Governmental Charges. The Developer has the right, before any delinquency occurs, to contest any Non-Governmental Charge by appropriate legal proceedings properly and diligently prosecuted, so long as such proceedings serve to prevent any sale or forfeiture of the Property.

6.14 Governmental Charges.

(a) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(b) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

6.15 Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

6.16 FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City with the Annual Compliance Report or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

SECTION 7. MAINTAINING RECORDS AND RIGHT TO INSPECT

7.01 Books and Records. The Developer, the general contractor and each subcontractor shall keep and maintain books and records that fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto and as otherwise necessary to evidence the Developer's compliance with its obligations under this Agreement, including, but not limited to, payroll records, general contractor's and subcontractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices and the like. Such books and records shall be available at the applicable party's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense.

7.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 8. ENVIRONMENTAL MATTERS

The Developer hereby represents and warrants to the City that it has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with the requirements of all Environmental Laws and this Agreement. The Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City and relating to the Project or the Property.

SECTION 9. INDEMNIFICATION

Developer agrees to indemnify, defend and hold the City, its officers, officials, members, agents and employees harmless from and against any and all losses, costs, damages, liabilities, claims, suits, judgments, demands, actions, causes of action of every kind or nature and expenses (including, without limitation, attorneys' fees and court costs) arising out of or incidental to the failure of Developer to perform its obligations under this Agreement. Upon reasonable notice from the City of any claim which the City believes to be covered hereunder, Developer shall timely appear in and defend all suits brought upon such claim and shall pay all costs and expenses incidental thereto, but the City shall have the right, at its option and at its own expense, to participate in the defense of any suit, without relieving Developer of any of its obligations hereunder. The obligations set forth in this section shall survive any termination or expiration of this Agreement.

SECTION 10. DEFAULT AND REMEDIES

10.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 6 (Covenants, Representations, and Warranties of Developer), shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of Developer to complete the Project in accordance with the terms of this Agreement;

(b) the failure of the Developer to comply with any covenant or obligation, or the breach by the Developer of any representation or warranty, under this Agreement or any related agreement;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) the commencement of any bankruptcy, insolvency, liquidation or reorganization proceedings under any applicable state or federal law, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(e) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(f) the entry of any judgment or order against the Developer or the Property which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution; or

(g) the dissolution of the Developer or the death of any natural person who owns a 50% or more ownership interest in the Developer, unless, in the case of a death, the Developer establishes to the DPD's satisfaction that such death shall not impair the Developer's ability to perform its executory obligations under this Agreement.

10.02 Remedies. Upon the occurrence of an Event of Default, the City may seek revocation of the Tax Incentive pursuant to the County Tax Incentive Ordinance, terminate this Agreement and all related agreements, and/or, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any other available remedy.

10.03 Cure Period. (a) In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer

has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant.

(b) Developer shall be entitled to one 18-month cure period, which can be extended an additional six (6) months in the reasonable discretion of the Commissioner of DPD (for a total of 24 months), commencing on the date of issuance of the Certificate for failure to perform under Section 6.04 (Occupancy Covenant) and Section 6.05 (Jobs Covenant). Any cure period under this Section 10.03(b) shall not count toward the Compliance Period of this Agreement. If one failure to perform under either Section 6.04 or Section 6.05 has occurred and been cured as set forth in this Section 10.03(b), then any subsequent failure to perform under either Section 6.04 or Section 6.05 shall constitute an Event of Default.

(c) In the event Developer shall fail to perform any other non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured; provided, further, that there shall be no cure period under this Section 10.03 with respect to Developer's failure to comply with Section 6.03 (Operations Covenant).

SECTION 11. MORTGAGING OF THE PROJECT

No mortgagee shall have the right to succeed to the Developer's rights under this Agreement unless the sale, assignment, or transfer receives the sole written consent of the City. This consent shall be in the City's sole discretion and which, if granted, may be conditioned upon, among other things, the assignee's assumption of all of the Developer's obligations under this Agreement.

SECTION 12. GENERAL PROVISIONS

12.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 12.01 shall be defined as any deviation from the terms of the Agreement which (i) operates to cancel or otherwise reduce any developmental or construction obligations of Developer by more than ten percent (10%); (ii) materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both; (iii) increases any time agreed for performance by Developer by more than one-hundred and eighty (180) days; (iv) decreases the Minimum Project Investment by five percent (5%) or more; or (v) decreases the MBE/WBE Budget by ten percent (10%) or more.

12.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto

and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

12.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

12.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

12.05 No Implied Waivers. No waiver by either party of any breach of any provision of this Agreement will be a waiver of any continuing or succeeding breach of the breached provision, a waiver of the breached provision itself, or a waiver of any right, power or remedy under this Agreement. No notice to, or demand on, either party in any case will, of itself, entitle that party to any further notice or demand in similar or other circumstances.

12.06 Titles and Headings. Titles and headings to paragraphs contained in this Agreement are for convenience only and are not intended to limit, vary, define or expand the content of this Agreement.

12.07 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

12.08 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

12.09 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

12.10 Governing Law and Venue. This Agreement will be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to the principles of conflicts of law thereof. If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois.

12.11 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

12.12 Binding Effect. This Agreement shall be binding upon Developer, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of Developer, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

12.13 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, civil unrest which may render the Property or surrounding area unsafe, pandemic, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

12.14. Notices. Unless otherwise specified, any notice, demand or request required hereunder shall be given in writing at the Notice Address, by any of the following means: (a) personal service; (b) overnight courier, or (c) registered or certified mail, return receipt requested.

12.15. Severability. If any provision of this Agreement, or the application thereof, to any person, place or circumstance, shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such provisions as applied to other persons, places and circumstances shall remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms shall provide for the consummation of the transactions contemplated hereby in substantially the same manner as originally set forth herein.

12.16. Survival of Agreements. All warranties, representations, covenants and agreements of this Agreement shall be true, accurate and complete at the time of the execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and shall be in effect throughout the Term of the Agreement.

12.18. Business Relationships. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code), or to participate in any

The Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

12.19. Business Economic Support Act. AGREEMENTS WITH CONTRACTORS

1. **Bid Requirement for General Contractor and Subcontractors.** Prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to DPD, if requested, for its inspection and written approval. (i) Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. This section does not apply if Developer performs work under the Project as General Contractor.
2. **Construction Contract.** Prior to the Closing Date, the Developer must provide DPD with a certified copy of the construction contract, together with any modifications, amendments or supplements thereto, and upon DPD's request, a copy of any subcontracts. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the Project shall be provided to DPD within five (5) business days of the execution thereof.
3. **Performance and Payment Bonds.** Prior to the commencement of any portion of the Project which includes work on the public way, the Developer must require the General Contractor to be bonded for its payment by sureties having an AA rating or better using a bond in a form acceptable to the City. The City shall be named as obligee or co-obligee on any such bonds.
4. **Employment Profile.** Upon DPD's request, the Developer, the General Contractor and all subcontractors must submit to DPD statements of their respective employment profiles. Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the Construction Hiring Requirements.
5. **Other Provisions.** In addition to the requirements of Agreements with Contractors, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.05 (Change Orders), Exhibit E. Construction Hiring Requirements, and Section 9.01 (Books and Records) of the RDA.

CONSTRUCTION HIRING REQUIREMENTS

1. **Employment Opportunity.** The Developer shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Paragraph, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this paragraph shall be a basis for the City to pursue its remedies under the Redevelopment Agreement.

2. Prevailing Wage. The Developer, the General Contractor and all subcontractors must pay the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all persons working on the Project. All such contracts shall list the specified rates to be paid to all laborers, workers

and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Prevailing Wage.

3. City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to

replace the actual, verified achievement of the requirements of this Paragraph concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Paragraph concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Paragraph. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this paragraph to be included in all construction contracts and subcontracts related to the Project.

4. MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that, during the Project:

(a) Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE" Program"), Section 2-92-420 et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this paragraph 4., during the course of the Project, at least the following percentages of the MBE/WBE Budget attached hereto as Exhibit B (as these budgeted amounts may be reduced to reflect decreased actual costs) shall be expended for contract participation by MBEs or WBEs:

- i. At least 26 percent by MBEs
And
- ii. At least 6 percent by WBEs.

(b) For purposes of MBE/WBE Commitment only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this

Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" as such terms are defined in Section 2-92-420, Municipal Code of Chicago.

(c) Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer), or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as a General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this paragraph 4. The Developer or the General Contractor may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in its activities and operations other than the Project.

(d) Prior to the City's issuance of a Final Certificate, the Developer shall provide to DPD a final report describing its efforts to achieve compliance with this MBE/WBE commitment. Such report shall include inter alia the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Developer's compliance with this MBE/WBE commitment. DPD has access to the Developer's books and records, including, without limitation, payroll records, books of account and tax returns, and records and books of account in accordance with the Redevelopment Agreement, on five (5) business days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Subsection (e), the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this paragraph 4 shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

(g) Prior to the commencement of the Project, the Developer, the General Contractor and all major subcontractors shall be required to meet with the monitoring staff of DPD with regard to the Developer's compliance with its obligations under this Agreement. During this meeting, the Developer shall demonstrate to DPD its plan to achieve its obligations under this Agreement, the sufficiency of which shall be approved by DPD. During the Project, the Developer shall, upon the request of the monitoring staff of DPD, such interim reports as the monitoring staff may require. Failure to submit such

documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the Developer is not complying with its obligations hereunder shall, upon the delivery of written notice to the Developer, be deemed an Event of Default hereunder.
