WHEREAS, pursuant to Section 15-178, the Cook County Assessor's Office (the "Assessor") is implementing the Affordable Housing Special Assessment Program; and

WHEREAS, pursuant to Section 15-178, the City may designate a jurisdiction within the City as a "Low Affordability Community" by passage of an ordinance specifying a census tract or property by permanent index number or numbers; and

WHEREAS, pursuant to Section 15-178, residential real property located within a Low Affordability Community may be eligible for a reduction in assessed value for such property, upon successful application to the Assessor, if the owner of the residential real property commits that for a period of 30 years after the newly constructed residential real property or improvements to existing residential real property are put in service, at least 20% of the multifamily building's units will have rents that are at or below maximum rents as defined in Section 15-178 and are occupied by households with household incomes at or below maximum income limits as defined in Section 15-178; and

WHEREAS, pursuant to the Citywide Affordable Rental Housing Analysis
commissioned by the City in 2019, the City determined that 20% of the year-round rental housing units in the West Town Community Area were affordable, compared to an average of 36% for Chicago; and
