1.A. Narrative:

The Applicant seeks approval of a Type 1 rezoning to change the underlying zoning from Cl-2 Neighborhood Commercial District and RT-4 Residential Two-Flat Townhouse and Multi-Unit District to a Cl-3 Neighborhood Commercial District on behalf of 1215-25 W. 18th (Chicago), LLC (“Applicant”) for the property located at 1805-11 South Allport in Chicago, Illinois (“Property”).

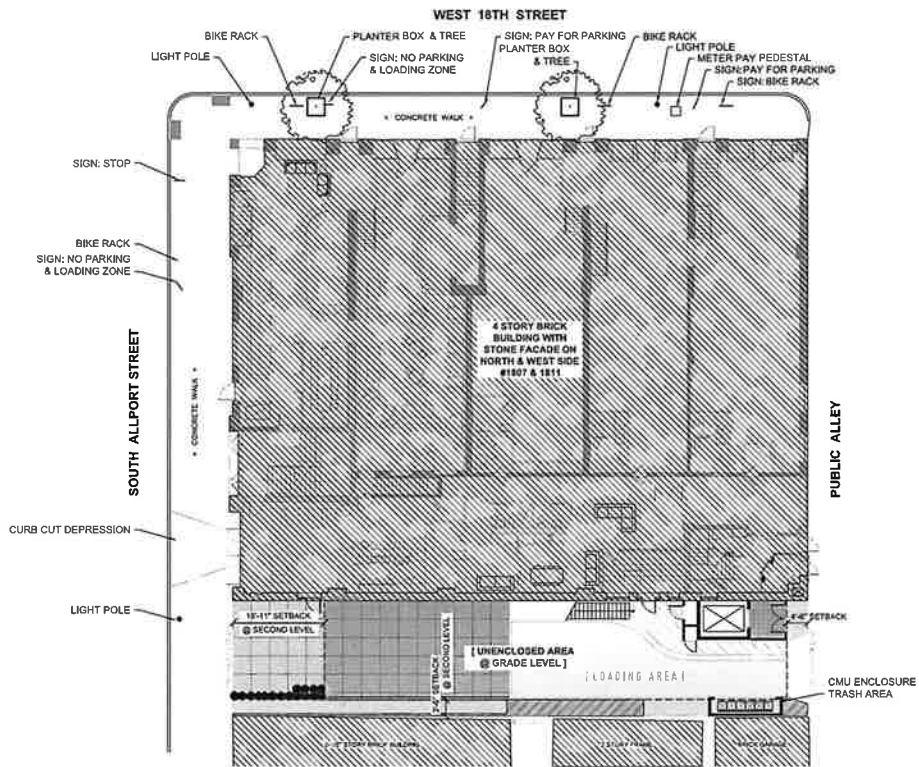

The Applicant is seeking approval of a Type 1 Rezoning Application to consolidate the zoning lots located on the Property into one zoning lot with a Cl-3 zoning designation. They propose to build a small 2,405 sq. ft. two-story addition on the vacant 3,125 sq. ft. lot adjacent to the existing Thalia Hall building. There will be no change to Thalia Hall or the existing entertainment, retail, and residential uses. There are eight (8) residential rental units located at the north side of the existing building accessible from the 18th Street entrance only.

The property currently does not contain any on-site parking or loading and no new parking or loading spaces are required to be provided as a result of the new construction.
