Section 3.4 Overtime

- a. Nurses shall be required to work reasonable overtime hours, as a condition of continued employment, whenever requested by the Employer to do so. The Employer shall make a reasonable effort to give nurses advance notice when they are to be required to work overtime. **Overtime referred to in this Agreement shall be offered first to the employee performing the job, and thereafter by seniority to the most senior employee within the job classification within the program. Thereafter, it shall be offered to employees in order of seniority outside of the job classification and program. Any employee accepting overtime must have the ability to perform the work. In the event such offers of overtime are not accepted by such employees, the Employer can assign the overtime by reverse seniority.**

- b. When nurses are required by the Employer to work a sixth day in the same work week, or a seventh day in the same work week which is not a seventh consecutive day in the same work week, they shall be compensated at one and 1/2 times the regular hourly rate, in cash, provided that, in either case, the nurse has not less than thirty-five (35) hours worked during that work week.

- c. When a nurse is required by the Employer to work a seventh consecutive day in the same work week, that nurse shall be compensated at two (2) times the regular hour rate in cash, provided that the nurse has actually worked the previous six days in the same work week. Sick leave, vacation, compensatory time, union business leave and/or other paid time off shall not be included as work for purposes of paragraph (b) of this section. **Notwithstanding the first sentence of this paragraph (3.4c), when a nurse is required by the Employer to work on a Sunday when Sunday is not part of the nurses regular work week, that nurse shall be compensated at two (2) times the regularly hourly rate in cash for the hours worked.**

- d. All other hours worked and approved under Employer rules between thirty-five (35) and forty (40) hours worked in a workweek required of a nurse by reason of the nurse=s regular duty, whether of an emergency nature or of a non-emergency nature, shall be compensated for on an hour-for-hour basis, in cash, on the basis of completed fifteen (15) minute segments, unless the employee elects to be compensated in the form of compensatory time. Notice of said election must be provided by the employee to the Employer's designated representative by no later than the first regular workday following the date the work was performed.

- e. All overtime earned under this section shall be compensated in the form of cash.
- f. All compensatory time must be used on or before December 31 of the calendar year in which it is earned, subject to the Employer=s operational needs and scheduling requirements. If any compensatory time is not used by December 31 of the calendar year in which it is earned, the employee will be compensated for said time earned in the form of cash instead of compensatory time. Notwithstanding the foregoing, any compensatory time earned in December of any year may be used on or before March 31 of the following calendar year, subject to the Employer=s operational needs and scheduling requirements. If any compensatory time earned in December is not used by March 31 of the following calendar year, the employee will be compensated for said time earned in the form of cash instead of compensatory time.
- g. For the purposes of this Section 3.4, except as stated in 3.4 (c) above, the term "hours worked" shall include, in addition to hours actually worked, paid excused absences taken in accordance with Sections 5.1 (Holidays) and 5.2 (Vacations) of this Agreement, as well as unpaid furlough days taken pursuant to Section 3.7 of this Agreement.
- h. Whenever a nurse is entitled to a monetary payment from an arbitration award or settlement agreement, such monetary payment shall be made within six (6) weeks of the time of the final determination of the amount owed by the City.**

However, the foregoing obligation shall not apply in the event the failure to provide work is because of an emergency, an Act of God, a failure of heat, light or power, or by any other cause beyond the control of the City. The nurse must accept any nursing job to which she/he may be assigned.

Section 6.6 Layoff and Recall

- (a) The Employer shall notify the Association and the affected employees in writing at least thirty (30) calendar days in advance of any layoff under this subsection, except when layoffs occur as a result of grant funds being reduced or eliminated. Where layoffs occur as a result of grant funds being reduced or eliminated and the Employer is unable to give at least thirty (30) calendar days notice, the Employer shall give the Association and the affected employees at least fourteen (14) calendar days notice of any layoff. If, upon receipt of the layoff notice, the Association requests to meet with the Employer to discuss matter relating to the layoff, the Employer will meet with the Association. If a meeting is requested and convened, such meeting will not change the effective date of the layoff.
- (b) Probational, Seasonal, Provisional, Emergency and Temporary Employees shall be terminated prior to any other employees being laid off. (***INA withdraws its proposal on modifying this subsection***)
- (c) An employee subject to layoff shall have first priority to fill a job in an equal or lower-graded classification, in his/her department or an equal or lower-graded INA bargaining unit classification in any City department, which the Employer has deemed vacant, in lieu of layoff, provided the said Employee has the then present ability to perform the required work without further training after a reasonable period of orientation. Said offers shall be by seniority.

The following evaluation period shall apply only to those employees who select a vacant, equal or lower-graded INA bargaining unit classification (1) in a different department from where they[are being laid off, or (2) in the Department of Public Health in a program where they have not previously worked: The Employer will afford the employee an evaluation period of sixty (60) days to demonstrate that he/she can perform the job. Within forty-five (45) days of the start of the evaluation period, the Employer shall hold a meeting with the employee and the Union to address any performance concerns. After the

above-referenced meeting takes place, if the Employer, based on the employee's job performance, has just cause to believe that the employee cannot perform the job, the Union shall be notified and the employee shall be placed on the layoff list and shall have no further rights to bump or fill other vacancies prior to being laid off. The Employer's decision to return the employee to the layoff list must be made within sixty (60) days of the employee's placement. Nothing precludes the Employer and the Union from mutually agreeing to extend the sixty (60) day evaluation period by thirty (30) days. The Employer shall notify the Union and the employee in advance of returning the employee to layoff if it appears to the Employer that the employee cannot perform the job.

- (d) The Employer shall provide the Association with a list of the vacancies for INA bargaining unit classifications in all departments, including the hours of work and location, if known, of available positions, prior to any movement of nurses.
- (e) Where ability, skill and efficiency are equal, nurses shall be laid off in order of their seniority, ~~provided that the Employer may retain employees with special knowledge or skills.~~ Seniority for purpose of layoff shall be as defined in Section 6.1 of the Agreement. Laid off employees shall be placed on a layoff list subject to the break-in-service provision of this Agreement. The Employer will give preference to laid off employees when filling vacancies of equal or lower salary grades, provided said employees have the required qualifications and the then present ability to perform the duties required by the Employer. The Employer shall recall employees from layoff in the reverse order they were laid off.
- (f) Employees shall retain and accumulate seniority and continuous service credit while on layoff.
- (g) An employee subject to layoff may displace (bump) the least senior employee, if any, in ~~the most recent lower job title or titles the employee to be laid off has held~~ **in the same or lower classification in the Department**, provided the employee bumping has the then present ability to perform the job without further training after a reasonable period of orientation. **All employees subject to layoff who are not placed in equal-graded available vacancies within their own Department shall be offered the opportunity either to bump another employee as noted above, or to fill a position which has been declared vacant as of the date of the layoff in an equal or lower graded bargaining unit classification in any City of Chicago department prior to the Employer selecting or hiring a new employee from outside the bargaining unit. The employee subject to layoff shall be awarded the position if the employee has the then present ability to perform the job without further training after a reasonable period of orientation.**

In the event that an employee accepts a vacant position in a different department, or displaces (bumps) another employee, or, for employees in the Department of Public Health who displace or bump into a program where they have not previously worked, the following evaluation period shall apply: The Employer will afford the employee who is bumping an evaluation

period of sixty (60) days to demonstrate that he/she can perform the job. Within forty-five (45) days of the start of the evaluation period, the Employer shall hold a meeting with the employee and the Union to address any performance concerns. After the above-referenced meeting takes place, if the Employer based on the employee's job performance, has just cause to believe that the employee cannot perform the job, the Union shall be notified and the employee shall be placed on the layoff list and shall have no further rights to bump or fill other vacancies prior to being laid off. The Employer's decision to return the employee to the layoff list must be made within sixty (60) days of the employee's placement. Nothing precludes the Employer and the Union from mutually agreeing to extend the sixty (60) day evaluation period by thirty (30) days. The Employer shall notify the Union and the employee in advance of returning the employee to layoff if it appears to the Employer that the employee cannot perform the job.

- (h) Employees shall be recalled in the reverse order of layoff, provided the employee has the then present ability to perform the required work without further training after a reasonable period of orientation. The following evaluation period shall apply only to those employees who are recalled to (1) a different department from which they were laid off, or (2) the Department of Public Health to a program where they have not previously worked: The Employer will afford the employee an evaluation period of sixty (60) days to demonstrate that he/she can perform the job. Within forty-five (45) days of the start of the evaluation period, the Employer shall hold a meeting with the employee and the union to address any performance concerns. After the above-referenced meeting takes place, if the Employer, based on the employee's job performance, has just cause to believe that the employee cannot perform the job, the Union shall be notified and the employee shall be returned to the layoff list subject to the break-in-service provisions of this Agreement. The Employer's decision to return the employee to the layoff list must be made within 60 days of the employee's placement. Nothing precludes the Employer and the Union from mutually agreeing to extend the sixty (60) day evaluation period by thirty (30) days. If such an employee is returned to the layoff list, the time that said employee worked during the evaluation period will not be counted when calculating how much time the employee has been on layoff for purposes of 6.4(g) and 6.4(h).
- (i) A laid off employee will be allowed to continue his/her City health insurance coverage through the end of the month in which the employee was laid off, plus up to an additional four (4) consecutive months, provided the employee pays his/her regular contribution amount for such health coverage under this Agreement during this period, and provided further that the employee gives proper notice to the City, or the City's designee, of his/her election to continue health coverage under the terms of this paragraph. Said period of continuation of health coverage shall be included in the period of eligibility for continued health coverage under the Public Health Service Act, 42 USC 300bb-1-8.

- (j) Laid off employees retain full bidding rights under Section 6.5 subject to the break-in-service provisions of Section 6.4 Employee who successfully bid on new positions shall be considered to have completed all rights to recall under this Section.

**CITY OF CHICAGO
COUNTERPROPOSAL ON TELEWORKING**

The City of Chicago makes the following counterproposal to the Union's September 1, 2022 proposal on teleworking, to be adopted as a separate Memorandum of Agreement:

MEMORANDUM OF AGREEMENT ON TELEWORKING

This Memorandum of Agreement ("Agreement") is made and entered into as of the dates set forth below, by and between the City of Chicago and the Illinois Nurses Association ("the Union").

This Agreement shall establish the framework for the implementation of a telework option for individual employees in certain job titles represented by the Union within the Department of Public Health in the City of Chicago. While the parties agree that allowing employees to perform their duties remotely may have a positive benefit to the Department's overall operation, the successful implementation of remote and/or hybrid work schedules depends upon a number of factors, including the specific nature of the duties of a job classification, the operational needs and efficiencies of the Department, the need to serve the public in an in-person capacity, the work load of an individual employee, an employee's individual work and disciplinary history, and the employee's ability to work in a remote and unsupervised work environment.

All employees who are selected for participation in a telework program will be subject to the terms of the current Telework Policy as implemented by the City of Chicago for its non-represented work force, and as this Policy may be amended from time to time by the City in its discretion. All references to the exclusion of "represented employees" in the policy shall be deemed to be inapplicable to members of the bargaining unit. A copy of the current Telework Policy is attached hereto and made a part of this Agreement. Such provisions of that Telework Policy shall include, but are not limited to, the following criteria:

1. All telework assignments will be subject to Department Head approval, which may be withdrawn at any time by the Department Head in their discretion, consistent with the Telework Policy.
2. Employees working in such arrangements must certify that they have sufficient work for a minimum of seven (7) hours a day of work, that they have not been on a performance improvement plan in the previous six (6) months or disciplined within the prior twelve (12) months, and that they have appropriate equipment and a safe work space to be able to work from home.
3. Employees working in such arrangements must sign a Telework Agreement, a copy of which is attached to the Telework Policy, as well as adhere to all conditions of telework assignment set forth by the Department.

4. Any violations of the Telework Policy, the Telework Agreement, and/or the specific conditions determined by the Department for that work assignment, will result in the loss of the telework arrangement, removal from any future telework assignments, and discipline up to and including discharge in the appropriate circumstances.
5. The provisions of the policy and its implementation are not subject to the grievance and arbitration provisions in Article 7 of the Collective Bargaining Agreement.

This policy shall become effective forty-five (45) days from the date of signature of this Memorandum of Agreement as shown below and may be revised or withdrawn at any time by the City of Chicago upon prior written notice to the Union.

In witness whereof, the parties have affixed their signatures below by their authorized representatives.

Telework Side Letter

The parties recognize that as a result of the COVID Pandemic, as well as significant enhancements in technology, the ability to work remotely has greatly expanded. The interest in remote work by employees and employers in general is now far greater than it was as recently as 2019. The issue of remote work, and its relationship to recruitment and retention will be a part of continuing discussions going forward, and one that the City expects to be further engaged in with employees and their unions.

The capacity for remote work for many Association members is significant due to the nature of their duties. The City is committed to engaging in ongoing study of this issue, and to including Association representatives in examination and discussion of this issue going forward.

Upon request of either party, Departments shall meet with the Association to discuss which position classifications may be eligible for remote work as well as the number of positions within that classification that may be so designated.

Should a determination be made by a Department in its discretion that its operating needs may appropriately be met by allowing an individual employee the opportunity to work remotely, such request to work remotely shall be approved in accordance with the Memorandum of Agreement on Teleworking.
