

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is the owner of the real property located at 452-458 E. 47th Street / 4640-4652 S. Vincennes Ave., Chicago, Illinois, 60653, consisting of approximately 22,380 sq. ft. (0.513 acres), as legally described - on Exhibit A attached hereto (the "Property"); and

WHEREAS, the Property is vacant and unimproved; and

WHEREAS, Revere Properties, Inc., an Illinois corporation ("Grantee"), is a Chicago-based, Black-owned real estate development company; and

WHEREAS, Lee Reid, Jr. is the President and owner of 100% of the shares of the Grantee; and

WHEREAS, on January 26, 2022, Grantee submitted a proposal to the City's Department of Planning and Development ("DPD") to purchase the Property to develop it into mixed-use entertainment/retail/commercial/office (the "Project"); and

WHEREAS, a narrative of the Project is attached hereto as Exhibit B; and

WHEREAS, Grantee proposes to purchase the Property for the fair market value to be ascertained by an appraisal to be procured by DPD ("Purchase Price"), assuming the Property has no adverse environmental conditions; and

WHEREAS, Grantee shall have the option of providing DPD with a Phase I Environmental Site Assessment of the Property; and

WHEREAS, as a condition of the sale, prior to commencing construction on the Project, the City will require Grantee to remediate the Property in accordance with the applicable environmental standards commensurate with the intended use of the Project; and

WHEREAS, the cost of remediating the Property will increase Grantee's cost of constructing the Project; and

WHEREAS, the City agrees to deposit the Purchase Price into an environmental escrow at closing for Grantee to utilize for the environmental remediation of the Property; and

WHEREAS, the closing on the sale of the Property shall be contingent on the following: (a) adoption of a resolution by the Chicago Plan Commission approving the disposition of the Property to Grantee; (b) public notices advertising DPD's intent to enter into a negotiated sale of the Property with Grantee and requesting alternative proposals and (c) no other responsive proposals being received by DPD by the deadline set forth in the aforesaid notices; *now, therefore*,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The foregoing recitals, findings and statements of fact are hereby adopted as the findings of the City Council.

SECTION 2. The sale of the Property to Grantee for the Purchase Price is hereby approved, subject to Grantee's satisfaction of each of the following conditions precedent to closing (unless waived by DPD in its sole discretion):

(a) Grantee must submit to DPD, and DPD must approve, the final construction plans and specifications for the Project; and

(b) Grantee must obtain all building permits and other required permits and approvals necessary to construct the Project and submit evidence thereof to DPD.

If Grantee fails to close on the acquisition of the Property within three (3) years of the date of passage and approval of this ordinance, then this ordinance will be rendered null and void and of no further effect as to such Property, unless the Commissioner, in the Commissioner's sole discretion, extends the closing date. Grantee shall pay all escrow fees and other title insurance fees and closing costs.

SECTION 3. The Purchase Price shall be deposited into an escrow account to be held by a third-party title insurance company for purposes of funding certain environmental costs (the "Escrow Account"), pursuant to a written joint order environmental escrow agreement in substantially the form attached hereto as Exhibit C (the "Escrow Agreement"). The commissioner of the Department of Assets, Information and Services (the "Commissioner"), or a designee of the Commissioner, is each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver the Escrow Agreement, and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the Escrow Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Escrow Agreement and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of this ordinance, with such changes, deletions and insertions as shall be approved by the Commissioner or the Commissioner's designee. Such documents may contain terms and provisions that the Commissioner or the Commissioner's designee deems appropriate, including indemnification, releases, affidavits, and other documents as may be reasonably necessary to remove exceptions from title to the Property or that otherwise may be reasonably necessary or appropriate to consummate the transaction contemplated hereby. Grantee shall pay all escrow fees and other title insurance fees and closing costs.

SECTION 4. The Mayor or the Mayor's proxy is authorized to execute, and the City Clerk or the Deputy City Clerk is authorized to attest, a quitclaim deed ("Deed") conveying the Property to Grantee, or to a land trust of which Grantee is the sole beneficiary, or to a business entity of which Grantee is the sole controlling party. Without limiting the quitclaim nature of the Deed, the conveyance of the Property shall be subject to the following: (a) the standard exceptions in an ALTA title insurance policy; (b) general real estate taxes and any special assessments or other taxes; (c) all easements, encroachments, covenants, restrictions and liens of record and not shown of

record; (d) such other title defects that may exist; and (e) any and all exceptions caused by the acts of Grantee or its agents. In addition, the Deed shall include the following terms, covenants and conditions, in substantially the form set forth below, which are a part of the consideration for the Property and which shall run with the land and be binding upon and enforceable against Grantee and Grantee's heirs, successors and assigns, in perpetuity (unless a shorter period is expressly stated below):

1. **Covenant to-complete Project.** Grantee shall develop the Project and satisfy the remediation requirements set forth in Section 3(b) below in accordance with plans previously approved by the Department of Planning and Development ("Department") within eighteen (18) months of the date of the Deed. No material deviation from the previously approved plans is permitted without written approval from the Department. If this condition is not met, the City may record a notice of default against the Property and shall have the right to exercise any and all remedies available to it at law or in equity, including the right to re-enter and revest title to the Property in the City. Grantee, at the request of the City, covenants to execute and deliver to the City a reconveyance deed to the Property to further evidence such revesting of title. Upon completion of the Project, Grantee shall submit a written request to the Department for a certificate of completion. If the Department determines that Grantee has completed the renovation in accordance with this covenant, the Department shall provide Grantee with the certificate of completion. The certificate shall be in recordable form and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenant in this section.

2. **"As Is," "Where Is" and "With All Faults" Conveyance.** Grantee acknowledges that Grantee has had an opportunity to inspect the Property and is relying solely upon Grantee's own inspection and other due diligence activities in determining whether to acquire the Property, and not upon any information provided by or on behalf of the City with respect thereto. Grantee accepts the risk that any inspection may not disclose all material matters affecting the Property (and any improvements thereon). Grantee acknowledges and agrees that the Property is being conveyed, and Grantee accepts the Property, in its "AS IS," "WHERE IS" and "WITH ALL FAULTS" condition, without any covenant, representation or warranty, express or implied, of any kind, regarding the physical or environmental condition of the Property (or any improvements thereon), its compliance with any Laws, or the suitability or merchantability of the Property for any purpose whatsoever. Grantee acknowledges and agrees that Grantee is solely responsible for any investigation and remediation work necessary to put the Property in a condition which is suitable for its intended use.

"Hazardous Substance(s)" has the meaning set forth in 415 ILCS 5/3.215, as amended from time to time.

"IEPA" means the Illinois Environmental Protection Agency, or any successor agency.

"Laws" means any and all applicable federal, state, county, municipal or other laws (including common law), statutes, codes, ordinances, rules, regulations, permits, executive orders or other requirements, now or hereafter in effect, as amended or supplemented from time to time, and any applicable judicial or administrative interpretation thereof, including any applicable judicial or administrative orders, consent decrees or judgments.

"Losses" means any and all debts, liens (including, without limitation, lien removal and bonding costs), claims, actions, suits, demands, complaints, legal or administrative proceedings, losses, damages, obligations, liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, interest, fines, penalties, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, reasonable attorneys' fees and expenses, consultants' fees and expenses, costs of investigation, and court costs).

(b) Remediation Requirements. Grantee shall, in accordance with the applicable environmental standards commensurate with the intended use of the Project, obtain a no further remediation letter (the "NFR Letter") from the Illinois Environmental Protection Agency prior to commencing construction of the Project; *provided*, however, prior to commencing remediation, the City shall have reviewed and approved the remediation plan.

(c) Release. Grantee, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under any of them, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through Grantee following the date of the Deed (collectively, the "Grantee Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees (collectively, the "City Parties"), from and against any and all Losses which Grantee Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the date of the Deed, based upon, arising out of or in any way connected with, directly or indirectly: (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Grantee Parties waive their rights of contribution and subrogation against the City Parties.

Grantee acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to convey the Property, and that, but for such release, the City would not have agreed to convey the Property to Grantee. It is expressly agreed and understood by and between Grantee and the City that, should any future obligation of Grantee or Grantee Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither Grantee nor any other Grantee Parties shall assert that those obligations must be satisfied in whole or in part by the City, because this covenant contains a full, complete and final release of all such claims.

3. Affordable Housing. Grantee acknowledges that the sale of City-owned land may trigger Section 2-44-085 of the Municipal Code of Chicago (as hereafter amended, supplemented or replaced, the "Affordable Requirements Ordinance"), and therefore, that a future residential project on the Property may be subject to the requirements of the Affordable Requirements Ordinance.

SECTION 5. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 6. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.
