ARTICLE 2
THE BONDS

Section 2.01 Issuance of Bonds. The Bonds shall be issued in the aggregate principal amount of $22,500,000; shall be designated "Multi-Family Housing Revenue Bonds (United Yards 1A Project) Series 2023"; and shall be in the Authorized Denominations requested by the Holder (provided, however, that each Bond shall have only one principal maturity date, unless the Trustee shall be directed in writing to authenticate and deliver a Bond of more than one maturity). Unless the Issuer shall otherwise direct the Trustee in writing, the Bonds shall be numbered consecutively from R-1 upwards.

Each Bond shall be (i) substantially in the form attached as Exhibit A to this Indenture, (ii) dated December __, 2023, (iii) issued only as a fully registered bond, and, except as provided in Section 2.10 hereof, the Holder of a Bond shall be regarded as the absolute owner thereof for all purposes of this Indenture.

Section 2.02 Maturity and Interest. The Bonds shall bear interest on the principal amount Outstanding from the most recent date to which interest has been paid or duly provided for, if no interest has been paid or provided for, from their date of initial delivery, payable on each Interest Payment Date. The Bonds shall bear interest for each Interest Period at the Interest Rate all as more specifically set forth hereinafter. Interest on the Bonds shall be calculated on the basis of a 360-day year consisting of twelve 30-day months. The Bonds shall mature on the Maturity Date, subject to prior redemption as set forth in Section 3.01 hereof and subject to Mandatory Tender for purchase as set forth in Section 3.05 hereof.

From the date of their initial delivery to, but not including, the Initial Mandatory Tender Date, the interest rate on the Bonds shall be the Initial Interest Rate. On the Initial Mandatory Tender Date, the Bonds shall be subject to Mandatory Tender pursuant to the provisions set forth in Section 3.05 hereof. If insufficient funds are available to pay the purchase price on the Bonds following such Mandatory Tender on the Initial Mandatory Tender Date, the Bonds shall be redeemed in accordance with the provisions of Section 3.01(c) hereof.

The Remarketing Agent shall establish the interest rate on the Bonds Outstanding for each Remarketing Period at the Remarketing Rate in accordance with this Section 2.02. Not less than ten (10) Business Days preceding each Remarketing Date, the Remarketing Agent, taking into consideration prevailing market conditions, shall, using its best professional judgment, determine the minimum rate(s) of interest which, if borne by the Bonds then Outstanding for the Remarketing Period specified by the Remarketing Agent at the direction of the Borrower as provided in Section 3.05 hereof, would enable such Bonds to be remarshaled at a price equal to 100% of the principal amount of such Bonds that would not exceed the Maximum Interest Rate. The rate of interest determined in accordance with the previous sentence shall be the Remarketing Rate for the specified Remarketing Period, provided that if the rate of interest so determined for such period would exceed the Maximum Interest Rate, the Bonds Outstanding shall be remarshaled for the longest Remarketing Period for which the
minimum rate of interest that would enable such Bonds to be remarketed at a price equal to 100% of the principal amount of such Bonds would not exceed the Maximum Interest Rate. Notwithstanding the foregoing, if the rate of interest so determined for any Remarketing Period would exceed the Maximum Interest Rate, the Bonds Outstanding shall not be remarketed and shall be redeemed from funds available to pay the tender price thereof in accordance with Section 3.05(a) hereof.

The Remarketing Agent shall, upon determination of the Remarketing Rate and Remarketing Period, immediately (and in no event later than the Business Day following the day on which the Remarketing Agent makes its determination of the Remarketing Rate and the Remarketing Period) give notice of its determination by telephone or electronic mail, promptly confirmed in writing, to the Trustee, the Issuer and the Borrower. The Remarketing Rate and the Remarketing Period shall be conclusive and binding upon actual receipt thereof by the Trustee, the Issuer, the Borrower and the Holders for the purposes of this Indenture.

Section 2.03 Payment and Ownership of Bonds. To the extent provided in and except as otherwise permitted by this Indenture, the Bonds shall be special limited obligations of the Issuer and the Bond Service Charges thereon shall be payable equally and ratably solely from and secured solely by (a) the Revenues, including but not limited to money and investments in the Special Funds, (b) the assignment of Revenues hereunder and by this Indenture, and (c) the Trust Estate. Notwithstanding anything herein contained to the contrary, any obligation which the Issuer may incur under this Indenture or under any instrument executed in connection herewith which shall entail the expenditure of money shall not be a general obligation of the Issuer but shall be a limited obligation payable solely from amounts assigned to the Trustee pursuant to this Indenture.

Bond Service Charges shall be payable in lawful money of the United States of America without deduction for the services of the Trustee. Subject to the provisions of Section 2.12 hereof, (a) the principal of any Bond shall be payable when due to a Holder by the Trustee, and (b) interest on any Bond shall be paid on each Interest Payment Date by check which the Trustee shall cause to be mailed on that date to the Person in whose name the Bond (or one or more Predecessor Bonds) is registered at the close of business on the Regular Record Date applicable to that Interest Payment Date on the Register at the address appearing therein.

If and to the extent, however, that the Issuer shall fail to make payment or provision for payment of interest on any Bond on any Interest Payment Date, that interest shall cease to be payable to the Person who was the Holder of that Bond (or of one or more Predecessor Bonds) as of the applicable Regular Record Date. In that event, except as provided below in this Section, when money becomes available for payment of the interest, (a) the Trustee shall, pursuant to Section 6.06(d) hereof, establish a Special Record Date for the payment of that interest which shall be not more than 15 nor fewer than 10 days prior to the date of the proposed payment, and (b) the Trustee shall cause notice of the proposed payment and of the Special Record Date to be mailed by first-class mail, postage prepaid, to each Holder at its address as it appears on the Register not fewer than 10 days prior to the Special Record Date and, thereafter, the interest shall be payable to the Persons who are the Holders of the Bonds (or their respective Predecessor Bonds) at the close of business on the Special Record Date.

Subject to the foregoing, each Bond delivered under this Indenture upon transfer thereof, or in exchange for or in replacement of any other Bond, shall carry the rights to interest accrued and unpaid, and to accrue on that Bond, or which were carried by that Bond.
Except as provided in this Section and Section 2.09 hereof, (a) the Holder of any Bond shall be deemed and regarded as the absolute owner thereof for all purposes of this Indenture, (b) payment of or on account of the Bond Service Charges on any Bond shall be made only to or upon the order of that Holder or its duly authorized attorney in the manner permitted by this Indenture, and (c) neither the Issuer nor the Trustee shall, to the extent permitted by law, be affected by notice to the contrary. All of those payments shall be valid and effective to satisfy and discharge the liability upon that Bond, including without limitation, the interest thereon, to the extent of the amount or amounts so paid. Notwithstanding anything to the contrary herein or in any of the Bond Documents, the Trustee is authorized to use funds on deposit in the Special Funds, as and when provided, to pay principal and interest on the Bonds when due.

Section 2.04 Restriction on Issuance of Bonds. No Bonds may be issued under the provisions of this Indenture except in accordance with this Article. The total principal amount of Bonds that may be issued hereunder, other than Bonds issued pursuant to the provisions of Section 2.09 hereof or in substitution for other Bonds, is expressly limited to the amount set forth in Section 2.01.

Section 2.05 Limited Obligations. The Bonds and the interest thereon are limited obligations of the Issuer, payable solely from the revenues, receipts and security pledged therefor in the Granting Clauses hereof. The Bonds, together with premium, if any, and interest thereon, do not constitute an indebtedness, liability, general or moral obligation or a pledge of the full faith or loan of credit of the Issuer, the State, or any political subdivision of the State within the meaning of any constitutional or statutory provisions. None of the Issuer, the State or any political subdivision thereof shall be obligated to pay the principal of, premium, if any, or interest on the Bonds or other costs incident thereto except from the payments pledged with respect thereto and certain reserve funds established in connection therewith. Neither the faith and credit nor the taxing power of the United States of America, the Issuer, the State or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or other costs incident thereto. The Bonds are not a debt of the United States of America or any agency thereof, and are not guaranteed by the United States of America or any agency thereof.

Section 2.06 Indenture Constitutes Contract. In consideration of the purchase and acceptance of the Bonds issued hereunder by those who shall hold them from time to time, the provisions of this Indenture shall be deemed to be a part of, and continue to be, a contract between the Issuer and the Holders of the Bonds from time to time.

Section 2.07 Execution. The Bonds shall be executed on behalf of the Issuer by the manual or facsimile signature of its Mayor, attested by the manual or facsimile signature of its City Clerk or Deputy City Clerk, under the official seal, or a facsimile thereof, of the Issuer. Any facsimile signatures shall have the same force and effect as if said officers had manually signed said Bonds. Any reproduction of the official seal of the Issuer on the Bonds shall have the same force and effect as if the official seal of the Issuer had been impressed on the Bonds.

In case any officer whose manual or facsimile signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery, and also any Bond may bear the facsimile signatures of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.
Section 2.08 Authentication. Only such Bonds as shall have endorsed thereon a certificate of authentication substantially in the form attached hereto as attached Exhibit A duly executed by the Trustee shall be entitled to any right or benefit under this Indenture. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed manually by the Trustee; and such executed certificate upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same person sign the certificate of authentication of all of the Bonds.

Section 2.09 Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and the Trustee shall authenticate a new Bond, of like date, interest rate, maturity and denomination as that mutilated, lost, stolen or destroyed. Any mutilated Bond shall first be surrendered to the Trustee; and in the case of any lost, stolen or destroyed Bond, there shall first be furnished to the Issuer and the Trustee evidence of such loss, theft or destruction reasonably satisfactory to them together with indemnity reasonably satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond or Bonds the Trustee shall, upon the written direction of the Issuer, pay the same without surrender thereof. The Issuer and the Trustee may charge the holder or owner of such Bond with their reasonable fees and expenses, including the cost of printing replacement Bonds.

Every new Bond issued pursuant to this Section shall, with respect to such Bond, constitute an additional contractual obligation of the Issuer, whether or not the mutilated, lost, stolen or destroyed Bond shall be found at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Bonds duly issued hereunder. All Bonds shall be held and owned on the express condition that the foregoing provisions of this Section are exclusive with respect to the replacement or payment of mutilated, lost, stolen or destroyed Bonds and shall preclude any and all rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

Section 2.10 Transfer and Exchange of Bonds; Persons Treated as Holders. The Trustee as Registrar shall cause a bond register (herein sometimes referred to as the "Bond Register") to be kept for the registration of transfers of Bonds. Any Bond may be transferred only upon an assignment duly executed by the registered Holder or his or her duly authorized representative in such form as shall be satisfactory to the Registrar, and upon surrender of such Bond to the Trustee for cancellation. Whenever any Bond or Bonds shall be surrendered for transfer, the Issuer shall execute and the Trustee shall authenticate and deliver to the transferee a replacement fully registered Bond or Bonds of Authorized Denomination in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate and maturing on the same date or dates as, the Bonds being presented and surrendered for transfer.

Any Bond may, in accordance with its terms, be exchanged, at the office of the Trustee, for a new fully registered Bond or Bonds, of the same maturity, of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate as, the Bonds being exchanged. In the event of a partial redemption of a Bond, the Trustee shall authenticate and deliver to the Owner thereof a new Bond of like date, interest rate, maturity and denomination as the partially redeemed Bond in the amount of the unredeemed principal thereof.
In all cases in which Bonds shall be transferred or exchanged hereunder, the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be the valid limited obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Bonds surrendered upon transfer or exchange. Neither the Issuer nor the Trustee shall be required to make any exchange or transfer of a Bond during a period beginning at the opening of business 15 days before (i) any Interest Payment Date (including any special interest payment date described in Section 2.02 hereof), or (ii) the day of the mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or such Interest Payment Date, or to transfer or exchange any Bonds selected for redemption, in whole or in part.

The Person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of or on account of the principal of and premium and interest on any such Bond shall be made only to or upon the order of the registered Holder thereof or his legal representative, and neither the Issuer nor the Trustee shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums to be paid.

Section 2.11 Cancellation and Disposition of Bonds. Any Bond surrendered for the purpose of payment or retirement, or for exchange, or for replacement or payment pursuant to Section 2.09, shall be cancelled upon surrender thereof to the Trustee. Evidence of such surrender and cancellation shall be provided to the Issuer by the Trustee, if requested in writing. Cancelled Bonds, or unissued Bond inventory held in blank by the Trustee upon the maturity or total redemption of the Bonds, shall be disposed of by the Trustee in accordance with its retention policy then in effect and evidence of such disposition shall be provided by the Trustee to the Issuer, if requested in writing.

Section 2.12 Book-Entry Provisions. The provisions of this Section shall apply so long as the Bonds are maintained in book-entry form with The Depository Trust Company or another Securities Depository, any provisions of this Indenture to the contrary notwithstanding.

(a) Payments. The Bonds shall be payable to the Securities Depository, or its nominee, as the registered owner of the Bonds, on each date on which the principal of, interest on, and premium, if any, on the Bonds is due as set forth in this Indenture and in the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the Issuer and the Trustee in writing. Without notice to or the consent of the beneficial owners of the Bonds, the Issuer and the Securities Depository may agree in writing to make payments of principal, premium, if any, and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the Issuer shall give the Trustee written notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice as set forth herein. Neither the Issuer nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, interest on, and premium, if any, on the Bonds to Participants or the beneficial owners of the Bonds or their nominees.

(b) Replacement of the Securities Depository. The Issuer may, and in the case of subparagraph (ii) or (iii) below shall, discontinue use of a Securities Depository
as the depository of the Bonds if (i) the Issuer, in its sole discretion, determines that (A) such Securities Depository is incapable of discharging its duties with respect to the Bonds, or (B) the interest of the beneficial owners of the Bonds might be adversely affected by the continuation of the book-entry system with such Securities Depository as the depository for the Bonds, (ii) the beneficial owners of 100% of the Bonds Outstanding direct the Issuer to do so, or (iii) such Securities Depository determines not to continue to act as a depository for the Bonds or is no longer permitted to act as such depository. Notice of any determination pursuant to clauses (i), (ii) or (iii) shall be given to such Securities Depository at least 30 days prior to any such determination (or such fewer number of days as shall be acceptable to such Securities Depository). The Issuer shall have no obligation to make any investigation to determine the occurrence of any events that would permit the Issuer to make any determination described in this paragraph.

(c) Discontinuance of Book-Entry or Change of Securities Depository. If, following a determination or event specified in paragraph (b) above, the Issuer discontinues the maintenance of the Bonds in book-entry form with the then current Securities Depository, the Issuer will issue replacement Bonds to the successor Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant or if directed to do so by the beneficial owners of 100% of the Bonds Outstanding pursuant to subparagraph (b)(i) above, to the beneficial owners of the Bonds shown on the records of such Participant. Replacement Bonds shall be in fully registered form and in authorized denominations, be payable as to interest on the Interest Payment Dates of the Bonds by check mailed to each registered owner at the address of such owner as it appears on the bond registration books maintained by the Bond Registrar for such purpose at the principal corporate trust office of the Trustee or at the option of any registered owner of not less than $1,000,000 principal amount of Bonds, by wire transfer to any address in the continental United States of America on such Interest Payment Date to such registered owner as of the Regular Record Date relating to such Interest Payment Date, if such registered owner provides the Trustee with written notice of such wire transfer address not later than such Regular Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent written notice provided 10 business days prior to the next applicable Regular Record Date). Principal and redemption premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the principal corporate trust office of the Trustee.

(d) Effect of Book-Entry System. The Securities Depository and its Participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, agree that the Issuer and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Bonds, nor shall the Issuer or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Bonds.

Section 2.13 Delivery of the Bonds. (a) Upon execution and delivery of this Indenture, and satisfaction of the conditions established by the Issuer in the Ordinance and in the Bond Purchase Agreement for delivery of the Bonds, the Issuer shall execute the Bonds and deliver them to the Trustee with written directions to authenticate them.
(b) The Trustee shall authenticate and deliver the Bonds as provided in this Indenture, but only upon the receipt of the following:

(i) An order of the Issuer directing the Trustee to authenticate and deliver the Bonds (a form of which is attached hereto as Exhibit A) against receipt of the initial purchase price therefor;

(ii) A certified copy of the Ordinance;

(iii) Executed counterparts (or electronic copies thereof) of this Indenture and the other Financing Documents specifically listed in the definition of Financing Documents;

(iv) An opinion of Counsel to the Issuer addressed to the Trustee to the effect that the Bonds have been duly authorized, executed and delivered and that the Bond Documents have been duly executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms, subject to bankruptcy, insolvency or other laws affecting creditors' rights generally and, with respect to certain remedies which require, or may require, enforcement by a court of equity, such principles of equity as the court having jurisdiction may impose;

(v) Opinions of Co-Bond Counsel addressed to the [Trustee], substantially to the effect that this Indenture and the Bonds constitute legal, valid and binding obligations of the Issuer, subject to customary exceptions relating to bankruptcy and insolvency, and to the further effect that the interest on the Bonds is excludable from the gross income of the holder thereof for federal income tax purposes under existing law, subject to customary exceptions and this Indenture creates a lien on the Trust Estate;

(vi) An opinion of counsel for the Borrower addressed to the Trustee and the Underwriter to the effect that the Borrower Documents have been duly authorized, executed and delivered by the Borrower and are legal, valid and binding agreements of the Borrower in accordance with their respective terms subject to customary qualifications and exceptions;

(vii) Funds the Trustee is required to receive for deposit pursuant to Section 4.02 hereof;

(viii) Reimbursement of all fees and expenses due to Trustee hereunder;

(ix) A request and authorization signed by an Authorized Issuer Representative authorizing the Trustee to authenticate and deliver the Bonds to the Underwriter upon payment to the Trustee for the account of the Issuer of the amount specified in such request and authorization plus accrued interest, if any, thereon to the date of delivery;

(x) Evidence in writing of recordation of the Land Use Restriction Agreement (which may be in the form of a title company certified copy); and
(xi) Any other documents or opinions which the Trustee, the Issuer or Co-Bond Counsel may reasonably require, which requirement shall be deemed to be satisfied upon the delivery of the Opinions of Co-Bond Counsel.

Section 2.14 Special Agreement with Holders. Notwithstanding any provision of this Indenture or of any Bond to the contrary, with the written approval of the Borrower, the Trustee may but shall not be obligated to, enter into an agreement with any Holder providing for making all payments to that Holder of principal or interest on that Bond or any part thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner other than as provided in this Indenture and in the Bond, without presentation or surrender of the Bond, upon any conditions which shall be satisfactory to the Trustee and the Borrower, provided, that payment in any event shall be made to the Person in whose name a Bond shall be registered on the Register, with respect to payment of principal, on the date such principal is due, and, with respect to the payment of interest, as of the applicable Regular Record Date or Special Record Date, as the case may be.

The Trustee will furnish a copy of each of those agreements, certified to be an accurate copy by an officer of the Trustee, to the issuer and the Borrower. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Indenture.

Section 2.15 CUSIP Numbers. The Issuer in issuing the Bonds may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that the Trustee shall have no liability for any defect in the "CUSIP" numbers as they appear on any Bond, notice or elsewhere, and, provided further that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Bonds, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

ARTICLE 3
REDEMPTION OF BONDS

Section 3.01 Redemption of Bonds. The Bonds are subject to redemption prior to their stated maturity as follows:

(a) Optional Redemption. The Bonds are subject to optional redemption in whole or in part by the Issuer at the written direction of the Borrower (with a copy to Investor Limited Partner and Construction Lender) on the Initial Remarketing Date at a redemption price of 100% of the principal amount of such Bonds to be redeemed plus accrued interest to the applicable Redemption Date given to the Trustee at least five (5) Business Days prior to the Initial Remarketing Date or the optional redemption date, as applicable. After the Initial Remarketing Date, the Borrower, in consultation with the Remarketing Agent, may establish an optional redemption date with respect to any subsequent Remarketing Period and, thereafter, the Bonds are subject to optional redemption in whole or in part by the Issuer at the written direction of the Borrower (with a copy to Investor Limited Partner and Construction Lender) on or after the applicable redemption date at a redemption price of 100% of the principal amount of such Bonds to be redeemed plus accrued interest to the applicable redemption date. Notwithstanding
the foregoing, no optional redemption may occur before the latest to occur of: (i) the day after the date the Project is placed in service, (ii) the Optional Redemption Date, or (iii) the date the Investor Limited Partner has received a certification that the low-income housing tax credit 50% test has been met.

(b) Mandatory Redemption. The Bonds shall be redeemed in whole at a redemption price of 100% of the principal amount of such Bonds, plus accrued interest to the Redemption Date, on any Mandatory Tender Date upon the occurrence of any of the following events: (i) the Borrower has previously elected not to cause the remarketing of the Bonds, (ii) the conditions to remarketing set forth in this Indenture have not been met by the dates and times set forth in Section 3.07(b) or Section 3.07(d) hereof, or (iii) the proceeds of a remarketing on deposit in the Remarking Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Bonds on such Mandatory Tender Date. Bonds subject to redemption in accordance with this paragraph shall be redeemed from (I) amounts on deposit in the Collateral Fund, (II) amounts on deposit in the Negative Arbitrage Account of the Bond Fund, (III) amounts on deposit in the Project Fund, and (IV) any other Eligible Funds available or made available for such purpose at the written direction of the Borrower.

(c) Purchase in Lieu of Redemption. At the election of the Borrower upon a redemption in whole of the Bonds, by written notice to the Trustee and the Remarketing Agent given not less than five (5) Business Days in advance of such redemption date, the Bonds will be deemed tendered for purchase in lieu of the redemption on such date and the call for redemption shall be cancelled. The purchase price of Bonds so purchased in lieu of redemption shall be the principal amount thereof together with all accrued and unpaid interest to the date of redemption and any prepayment fee, if due, and shall be payable on the date of redemption thereof. Bonds so purchased in lieu of redemption shall remain Outstanding and shall be registered to or upon the direction of the Borrower.

Section 3.02 Partial Redemption. In the case of a partial redemption of Bonds when Bonds of denominations greater than $5,000 are then Outstanding, each $5,000 unit of face value of principal thereof shall be treated as though it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all of the $5,000 units of face value represented by a Bond are to be called for redemption, then upon notice of redemption of a $5,000 unit or units, the Holder of that Bond shall surrender the Bond to the Trustee (a) for payment of the redemption price of the $5,000 unit or units of face value called for redemption (including without limitation, the interest accrued to the date fixed for redemption and any premium), and (b) for issuance, without charge to the Holder thereof, of a new Bond or Bonds of the same series, of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

If less than all of an Outstanding Bond of one maturity in a Book-Entry System is to be called for redemption, the Trustee shall give notice to the Depository or the nominee of the Depository that is the Holder of such Bond, and the selection of the Beneficial Ownership Interests in that Bond to be redeemed shall be at the sole discretion of the Depository and its participants.
Section 3.03 Notice of Redemption. Unless waived by any Holder of Bonds to be redeemed, official written notice of redemption shall be given by the Trustee on behalf of the Issuer by mailing a copy of an official redemption notice by first-class mail, postage prepaid, to the Holder of each Bond to be redeemed, at the address of such Holder shown on the Register at the opening of business on the fifth day prior to such mailing, not less than 20 days nor more than 30 days prior to the date fixed for redemption. With respect to a mandatory redemption pursuant to Section 3.01(b), the Notice of Mandatory Tender provided to Holders pursuant to Section 3.06 shall serve as the notice of redemption required by this Section 3.03 and no further notice of redemption will be required to the Holders. A second written notice of redemption shall be given by the Trustee on behalf of the Issuer, as soon as practicable, by first-class mail to the Holder of each Bond which has been so called for redemption (in whole or in part) but has not been presented and surrendered to the Trustee within 30 days following the date fixed for redemption of that Bond.

All notices of redemption shall state:

(a) the Redemption Date;

(b) the redemption price;

(c) if less than all Outstanding Bonds are to be redeemed, the identification by designation, letters, numbers or other distinguishing marks (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed;

(d) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date;

(e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the Designated Office of the Trustee, and;

(f) that the notice of redemption is conditioned upon there being deposited with the Trustee on or prior to the date of redemption money sufficient to pay the redemption price of the Bonds to be redeemed and, in the case of any redemption premium on Bonds, that there be on deposit Eligible Funds sufficient to pay such redemption premium, and

(g) such other information as the Trustee deems advisable.

Notices of redemption shall be revocable in the event that there is not on deposit with the Trustee by 10:00 a.m. Central time on the date of redemption money sufficient to pay the redemption price of the Bonds to be redeemed or, in the case of any redemption premium on Bonds, there is not on deposit Eligible Funds sufficient to pay such redemption premium.

If the Bonds are not then held in a Book-Entry System, in addition to the foregoing notice, further written notice shall be given by the Trustee on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (i) the CUSIP numbers of all Bonds
being redeemed; (ii) the date of issue of the Bonds as originally issued; (iii) the rate of interest borne by each Bond being redeemed; (iv) the maturity date of each Bond being redeemed; and (v) any other descriptive information deemed necessary in the sole discretion of the Trustee to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least 15 days before the redemption date by electronic mail, registered or certified mail or overnight delivery service to the Electronic Municipal Market Access ("EMMA") or if EMMA is not in existence, to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number (if any) identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Failure to receive notice by mailing or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any other Bond.

Notice of any redemption hereunder with respect to Bonds held under a Book-Entry System shall be given by the Trustee on behalf of the Issuer only to the Depository, or its nominee, as the Holder of such Bonds. Selection of Beneficial Ownership Interests in the Bonds called for redemption is the responsibility of the Depository and any failure of such Depository to notify the Beneficial Owners of any such notice and its contents or effect will not affect the validity of such notice of any proceedings for the redemption of such Bonds.

Section 3.04 Payment of Redeemed Bonds. Notice of Redemption having been given in the manner provided in this Article III, the Bonds and portions thereof called for redemption shall become due and payable on the Redemption Date, and upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, including interest accrued to the Redemption Date.

Upon the payment of the price of Bonds being redeemed or prepaid, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed or prepaid with the proceeds of such check or other transfer.

If money for the redemption of all of the Bonds and portions thereof to be redeemed, together with interest accrued thereon to the Redemption Date, is held by the Trustee on the Redemption Date, so as to be available therefor on that date and if notice of redemption has been deposited in the mail as aforesaid, then from and after the Redemption Date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be Outstanding hereunder. If such money shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption.

All money deposited in the Bond Fund and held by the Trustee for the redemption, purchase or prepayment of particular Bonds shall be held in trust for the account of the Holders thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds.
Section 3.05 Mandatory Tender

(a) **Mandatory Tender for Purchase.** All Outstanding Bonds shall be subject to Mandatory Tender by the Holders for purchase in whole and not in part on each Mandatory Tender Date. The purchase price for each such Bond shall be payable in lawful money of the United States of America by check, shall equal 100% of the principal amount to be purchased and accrued interest, if any, to the Mandatory Tender Date, and shall be paid in full on the applicable Mandatory Tender Date.

(b) **Mandatory Tender Dates.** The Mandatory Tender Dates shall consist of (i) the Initial Mandatory Tender Date and (ii) any subsequent dates for mandatory tender of the Bonds established in writing by the Borrower with the written consent of the Remarketing Agent in connection with a remarketing of the Bonds pursuant to Section 3.07 hereof.

(c) **Holding of Tendered Bonds.** While tendered Bonds are in the custody of the Trustee pending purchase pursuant hereto, the tendering Holders thereof shall be deemed the owners thereof for all purposes, and interest accruing on tendered Bonds through the day preceding the applicable Mandatory Tender Date is to be paid as if such Bonds had not been tendered for purchase.

(d) **Effect of Prior Redemption.** Notwithstanding anything herein to the contrary, any Bond tendered under this Section 3.05 will not be purchased if such Bond matures or is redeemed on or prior to the applicable Mandatory Tender Date.

(e) **Purchase of Tendered Bonds.** The Trustee shall utilize the following sources of payments to pay the tender price of the Bonds not later than 2:30 p.m. Local Time on the Mandatory Tender Date in the following priority: (i) amounts deposited in the Remarketing Proceeds Account, to pay the principal amount, plus accrued interest, of Bonds tendered for purchase; (ii) amounts on deposit in the Collateral Fund, to pay the principal amount of Bonds tendered for purchase; (iii) amounts on deposit in the Negative Arbitrage Account of the Bond Fund to pay the accrued interest, if any, on Bonds tendered for purchase; (iv) amounts on deposit in the Project Fund; and (v) any other Eligible Funds available or made available for such purpose at the written direction of the Borrower.

(f) **Undelivered Bonds.** Bonds shall be deemed to have been tendered for purposes of this Section 3.05 whether or not the Holders shall have delivered such Undelivered Bonds to the Trustee, and subject to the right of the Holders of such Undelivered Bonds to receive the purchase price of such Bonds on the Mandatory Tender Date, such Undelivered Bonds shall be null and void. If such Undelivered Bonds are to be remarketed, the Trustee shall authenticate and deliver new Bonds in replacement thereof pursuant to the remarketing of such Undelivered Bonds.

Section 3.06 Mandatory Tender Notice

(a) **Notice to Holders.** Not less than 30 days preceding a Mandatory Tender Date, the Trustee shall, on behalf of the issuer, give written notice of mandatory tender to the Holders of the Bonds then Outstanding (with a copy to the Borrower, the Managing Member, the General Partner and the Remarketing Agent) by Electronic
Means or by first class mail, postage prepaid, at their respective addresses appearing on the Register stating:

(i) the Mandatory Tender Date and that (A) all Outstanding Bonds are subject to Mandatory Tender for purchase on the Mandatory Tender Date, (B) all Outstanding Bonds must be tendered for purchase no later than 12:00 Noon, Local Time, on the Mandatory Tender Date and (C) Holders will not have the right to elect to retain their Bonds;

(ii) the address of the Designated Office of the Trustee at which Holders should deliver their Bonds for purchase;

(iii) that all Outstanding Bonds will be purchased on the Mandatory Tender Date at a price equal to the principal amount of the Outstanding Bonds plus interest accrued to, but not including, the Mandatory Tender Date; and

(iv) that any Bonds not tendered will nevertheless be deemed to have been tendered and will cease to bear interest from and after the Mandatory Tender Date.

(b) **Second Notice.** In the event that any Bond required to be delivered to the Trustee for payment of the purchase price of such Bond shall not have been delivered to the Trustee on or before the 30th day following a Mandatory Tender Date, the Trustee shall, on behalf of the Issuer, mail a second notice to the Holder of the Bond at its address as shown on the Register setting forth the requirements set forth in this Indenture for delivery of the Bond to the Trustee and stating that delivery of the Bond to the Trustee (or compliance with the provisions of this Indenture concerning payment of lost, stolen or destroyed Bonds) must be accomplished as a condition to payment of the purchase price or redemption price applicable to the Bond.

(c) **Failure to Give Notice.** Neither failure to give or receive any notice described in this Section 3.06, nor the lack of timeliness of such notice or any defect in any notice (or in its content) shall affect the validity or sufficiency of any action required or provided for in this Section 3.06.

Section 3.07 **Remarketing of Bonds**

(a) **Notice of Mandatory Tender.** No later than 11:00 a.m. Local Time on the 30th day prior to each Mandatory Tender Date, the Trustee shall give notice to the Borrower, the Managing Member and the Remarketing Agent by telephone or electronic mail, confirmed on the same day in writing, which states the aggregate principal amount of Bonds which are to be tendered or deemed to be tendered pursuant to Section 3.05 hereof, which shall be all Outstanding Bonds.

(b) **Preliminary Conditions to Remarketing.** No later than 11:00 a.m. Local Time on the 15th day prior to the Mandatory Tender Date then in effect, the Borrower may give notice to the Remarketing Notice Parties by telephone or electronic mail, confirmed on the same day in writing, that it elects to cause the Bonds to be remarketed. A remarketing of the Bonds shall be permitted only if the following conditions are satisfied no later than the time the foregoing election notice is given:
(i) Written notice by the Borrower to the Remarketing Notice Parties of the Remarketing Period pursuant to Section 3.10 of the Loan Agreement, which period shall be approved in writing by the Remarketing Agent;

(ii) Delivery to the Trustee, the Rating Agency, and the Remarketing Agent of a written preliminary Cash Flow Projection with respect to the proposed Remarketing Period; and

(iii) The Borrower shall have notified the Issuer and the Trustee in writing that it has approved as to form and substance any disclosure document or offering materials which, in the Opinion of Counsel to the Remarketing Agent addressed to the Issuer and the Trustee, is necessary to be used in connection with the remarketing of the Outstanding Bonds.

(c) Remarketing. Not less than 10 days before each Remarketing Date, the Remarketing Agent shall offer for sale and use its best efforts to sell the Bonds Outstanding on the Remarketing Date at a price equal to 100% of the principal amount of such Bonds plus, if such Remarketing Date is a date other than an Interest Payment Date, accrued interest on such Bonds from the preceding Interest Payment Date to which interest has been paid. No later than the Business Day following the day on which the Remarketing Agent makes its determination of the Remarketing Rate, the Remarketing Agent shall give notice, by telephone or electronic mail, promptly confirmed in writing, to the Remarketing Notice Parties specifying the principal amount of Bonds, if any, if it has remarshaled (including Bonds to be purchased by the Remarketing Agent on the Remarketing Date for its own account), the Remarketing Rate(s) and the Remarketing Period applicable to the Bonds.

The Remarketing Agent shall have the right to remark the Bonds tendered pursuant to Section 3.05 hereof; provided, however, that no Bonds shall be remarshaled at a price less than 100% of the principal amount thereof plus accrued interest (if any) without the prior written consent of the Borrower; and provided, further, that the purchase price of any Bond paid to the tendering Holder shall be paid with Eligible Funds made available therefor and on deposit with the Trustee prior to the remarketing of such Bonds. The Remarketing Agent shall have the right to purchase any Bond tendered or deemed tendered pursuant to Section 3.05 hereof at 100% of the principal amount thereof, and to thereafter sell such Bond. Any such purchase shall constitute a remarketing hereunder.

The Remarketing Agent shall not remark any Bond to the Issuer, the Borrower, any guarantor of the Bonds or any person which is an "insider" of the Issuer, the Borrower, or any such guarantor within the meaning of the Bankruptcy Code.

(d) Final Conditions to Remarketing.

(i) If, not less than four (4) Business Days preceding the Remarketing Date:

(1) the Remarketing Agent shall have notified the Trustee in writing of the remarketing of the Outstanding Bonds and that the proceeds from the remarketing (including proceeds of remarketing of Outstanding Bonds to be purchased by the
Remarketing Agent on the Remarketing Date for its own account) or other funds equal to the amount needed to purchase the remarketed Bonds on the Remarketing Date are expected to be available to the Trustee on the Remarketing Date for deposit into the Remarketing Proceeds Account; and

(2) the Trustee and the Issuer shall have received written notice from the Remarketing Agent that the Rating Agency shall have received and approved a Cash Flow Projection based on the interest rate(s) to be in effect with respect to the Outstanding Bonds on and after the applicable Remarketing Date;

(3) there shall be on deposit with the Trustee, from Eligible Funds provided by the Borrower an amount sufficient to pay the Extension Payment set forth in the Cash Flow Projection for deposit (A) to the Negative Arbitrage Account of the Bond Fund with respect to the payment of Bond Service Charges during the new Remarketing Period and (B) to the Expense Fund with respect to the payment of Administrative Expenses during the new Remarketing Period;

(4) there shall be on deposit with the Trustee, from Eligible Funds provided by the Borrower an amount sufficient to pay the estimated Remarketing Expenses for deposit in the Expense Fund, or provision for the payment of the estimated Remarketing Expenses shall have been made to the satisfaction of the Trustee and the Remarketing Agent; and

(5) the Trustee shall have received written notice from the Remarketing Agent that the Remarketing Agent has received written confirmation from the Rating Agency that the then current rating assigned to the Outstanding Bonds will continue to be effective on the Remarketing Date.

then the Trustee shall immediately give notice, by telephone or electronic mail, which notice shall be immediately confirmed in writing, to the Remarketing Agent, the Borrower, the Construction Lender and the Investor Limited Partner that (a) all conditions precedent to the remarketing of the Outstanding Bonds have been satisfied and (b) the sale and settlement of the Outstanding Bonds is expected to occur on the Mandatory Tender Date. Following the Trustee’s notice, the Outstanding Bonds shall be sold to the purchasers identified by the Remarketing Agent for delivery and settlement on the Mandatory Tender Date, and the Trustee shall apply (i) the funds in the Remarketing Proceeds Account of the Bond Fund on the Remarketing Date to payment of the purchase price of the Outstanding Bonds and (ii) the funds in the Expense Fund to payment of the Remarketing Expenses.

(e) Failure to Satisfy Final Conditions. If not less than four (4) Business Days preceding a Mandatory Tender Date, any condition set forth in paragraph (d) of this Section 3.07 has not been satisfied then the Remarketing Agent shall not sell any of the Outstanding Bonds on the Remarketing Date and the Trustee shall cancel all Outstanding Bonds pursuant to Section 3.08 hereof.
(f) **Remarketing Proceeds.** No later than 11:00 a.m. Local Time on each Mandatory Tender Date, the Remarketing Agent shall either (i) pay to the Trustee, in immediately available funds, the proceeds theretofore received by the Remarketing Agent from the remarketing of Bonds tendered for purchase on such Mandatory Tender Date or (ii) cause to be paid to the Trustee by the purchasers of the remarked Bonds the purchase price plus accrued interest (if any) in immediately available funds. The proceeds from the remarketing of the Bonds shall be deposited in the Remarketing Proceeds Account, segregated from any funds of the Borrower and the Issuer and shall in no case be considered to be or be assets of the Borrower or the Issuer. Funds representing remarketing proceeds received by the Remarketing Agent after 11:00 a.m. Local Time on each Mandatory Tender Date shall be paid to the Trustee as soon as practicable upon such receipt.

(g) **Delivery of Purchased Bonds.** On or before the Business Day next preceding each Mandatory Tender Date, the Remarketing Agent, by telephonic advice or electronic mail, shall notify the Trustee of (i) the principal amount of Bonds to be sold by the Remarketing Agent pursuant to Section 3.07 hereof and the purchase price, and, unless the Bonds are then in the Book-Entry System, the names, addresses and social security numbers or other tax identification numbers of the proposed purchasers thereof and (ii) the principal amount of Bonds tendered for purchase on such Mandatory Tender Date which will not be sold by the Remarketing Agent pursuant to Section 3.07 hereof. Such telephonic advice shall be confirmed by written notice delivered or electronically communicated at the same time as the telephonic advice.

Bonds purchased by the Trustee on a Mandatory Tender Date that have been remarked shall be delivered to the purchasers thereof as directed in writing by the Remarketing Agent. Bonds delivered as provided in this Section shall be registered in the manner directed in writing by the recipient thereof.

**Section 3.08 Cancellation of Bonds.** The Trustee shall immediately cancel Bonds if the tender price of the Bonds is paid from amounts other than proceeds derived from the remarketing of the Bond.

**ARTICLE 4**

**FUNDS; INVESTMENTS**

**Section 4.01 Establishment of Funds.** The following funds are hereby established and shall be maintained by the Trustee under this Indenture and held in trust by the Trustee for the benefit of the Bonds:

(a) the Bond Fund, and therein the Negative Arbitrage Account and the Remarketing Proceeds Account (but only at such times as money is to be deposited or held in such Accounts as provided in this Indenture);

(b) Project Fund;

(c) Costs of Issuance Fund;

(d) Collateral Fund;

(e) Rebate Fund, and

(f) Expense Fund.
Each fund and account therein shall be maintained by the Trustee as a separate and distinct trust fund or account to be held, managed, invested, disbursed and administered as provided in this Indenture. All money deposited in the funds and accounts created hereunder shall be used solely for the purposes set forth in this Indenture. The Trustee shall keep and maintain adequate records pertaining to each fund and account, and all disbursements therefrom, in accordance with its general practices and procedures in effect from time to time. The Trustee may also terminate funds and accounts that are no longer needed.

The Trustee shall, at the written direction of an Authorized Borrower Representative and may, in its discretion, establish such additional accounts within any fund, and subaccounts within any of the accounts, as the Issuer (as requested in writing) or the Trustee may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from that fund and its accounts, or for the purpose of complying with the requirements of the Code, but the establishment of any such account or subaccount shall not alter or modify any of the requirements of this Indenture with respect to a deposit or use of money in the Special Funds or the Rebate Fund, or result in commingling of funds not permitted hereunder.

Section 4.02 Application of Bond Proceeds

(a) The proceeds of the Bonds in the amount of $[_______] shall be allocated, deposited or delivered by the Trustee to the Project Fund.

(b) On the Closing Date, the Trustee shall receive the Initial Borrower Deposit from or on behalf of the Borrower, which the Trustee shall deposit to the Costs of Issuance Fund.

(c) On the Closing Date, the Trustee shall deposit Eligible Funds in the amount of [$0] for deposit to the Negative Arbitrage Account of the Bond Fund.

Section 4.03 Bond Fund

On the Closing Date, no amount is expected to be deposited in the Negative Arbitrage Account of the Bond Fund. The portion of any Extension Payment received by the Trustee in connection with a remarketing of the Bonds designated for the payment of Bond Service Charges will also be deposited in the Negative Arbitrage Account.

So long as there are any Outstanding Bonds, to the extent the Borrower has not received a credit against Loan Payments, all Loan Payments under the Loan Agreement shall be paid on or before each Interest Payment Date directly to the Trustee, and deposited in the Bond Fund, in at least the amount necessary to pay the Bond Service Charges due on the Bonds on such Interest Payment Date.

The Bond Fund (and accounts therein for which provision is made in this Indenture) and the money and Eligible Investments therein shall be used solely and exclusively for the payment of Bond Service Charges as they become due.

Bond Service Charges shall be payable, as they become due, in the following order: (a) from money on deposit in the Bond Fund (excluding the Negative Arbitrage Account therein), (b)
next from money on deposit in the Negative Arbitrage Account of the Bond Fund, (c) next from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund, and (d) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund.

Upon receipt by the Trustee of a Cash Flow Projection provided on behalf of the Borrower, the Trustee is hereby authorized to release from the Negative Arbitrage Account the amount set forth in the Cash Flow Projection to be released to or at the written direction of the Borrower from such account.

Section 4.04 Project Fund

(a) Money in the Project Fund shall be disbursed in accordance with the provisions of this Section 4.04 and Section 3.06 of the Loan Agreement. Upon the deposit of Eligible Funds in the Collateral Fund as provided in Section 4.06 hereof, and subject to the provisions of this Section 4.04, the Trustee shall disburse the Bond proceeds on deposit in the Project Fund, to the Borrower, for use by the Borrower to pay Costs of the Project in accordance with Section 3.06 of the Loan Agreement. Promptly upon the receipt of such Eligible Funds, the Trustee shall be unconditionally and irrevocably obligated to disburse an equal amount from the Project Fund, or, if the Trustee is unable for any reason to make such disbursement, the Trustee shall return such Eligible Funds to the party that provided them. The Trustee shall cause to be kept and maintained adequate records pertaining to the Project Fund and all disbursements therefrom. If requested in writing by the Issuer, the General Partner, or the Borrower, after the Project has been completed and a Completion Certificate is filed as provided in Section 4.07 hereof, the Trustee shall provide copies of the records pertaining to the Project Fund and disbursements therefrom to the Issuer and the Borrower and the General Partner. The Trustee shall satisfy this obligation by providing statements for all periods in which there are funds in the Project Fund.

(b) Notwithstanding any provision of the Loan Agreement or any other provision of this Indenture to the contrary, the Trustee shall not disburse money from the Project Fund, other than to pay Bond Service Charges on the Bonds, unless and until Eligible Funds in an amount equal to or greater than the requested disbursement amount have been deposited in the Collateral Fund. Prior to making any disbursement (except to the extent necessary to pay Bond Service Charges), the Trustee shall determine that the aggregate principal amount that will be held in (i) the Collateral Fund and (ii) the Project Fund, after the anticipated disbursement, is at least equal to the then-Outstanding principal amount of the Bonds, provided, however, to the extent money on deposit in the Project Fund is invested in Eligible Investments, the Trustee is hereby authorized to make the following allocations and exchanges, which allocations and exchanges shall occur prior to the disbursement of amounts on deposit in the Project Fund to pay Project Costs: (A) allocate all or a portion of the Eligible Investments in the Project Fund, in the amount specified in the request for disbursement, to the Collateral Fund and (B) transfer a like amount from the Collateral Fund to the Project Fund. To the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund or the Collateral Fund, the Trustee shall transfer from the Project Fund to the Bond Fund sufficient money to pay Bond Service Charges on each Interest Payment Date without further written direction. Except to the extent proceeds of the Bonds might be used to pay Bond Service Charges, as described in the previous sentence, Bond Proceeds on deposit in the Project Fund shall only be used to fund Costs of the Project.
(c) On any Redemption Date, the Trustee shall transfer any amounts then on deposit in the Project Fund into the Bond Fund to pay Bond Service Charges on the Bonds.

(d) Upon obtaining actual knowledge of the occurrence and continuance of an Event of Default hereunder because of which the principal amount of the Bonds has been declared to be due and immediately payable pursuant to Section 6.02 hereof, any money remaining in the Project Fund shall be promptly transferred by the Trustee to the Bond Fund.

Section 4.05 Costs of Issuance Fund

Amounts on deposit in the Costs of Issuance Fund shall be used by the Trustee to pay costs of issuance as directed in writing by the Borrower. Any amounts remaining on deposit in the Costs of Issuance Fund 30 days after the Closing Date shall be promptly returned to the Borrower or disbursed at the written direction of the Borrower.

Section 4.06 Collateral Fund

The Trustee shall deposit into the Collateral Fund all Eligible Funds received pursuant to Section 4.02 of the Loan Agreement and any other Eligible Funds received by the Trustee for deposit into the Collateral Fund. Section 4.02 of the Loan Agreement requires the Borrower to provide written direction to the provider of such Eligible Funds to deliver or cause to be delivered the Eligible Funds, or to otherwise cause to be delivered Eligible Funds from any other source, to the Trustee for deposit into the Collateral Fund in an amount equal to, and as a prerequisite to the disbursement of, the amount of Bond proceeds on deposit in the Project Fund to be disbursed by the Trustee to pay Costs of the Project.

The Trustee shall transfer money in the Collateral Fund as follows: (a) on each Bond Payment Date, to the Bond Fund the amount necessary to pay Bond Service Charges on the Bonds on such Bond Payment Date (to the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund); (b) on the Mandatory Tender Date, to the Bond Fund, the amount necessary to pay the purchase price of the Bonds, to the extent the Bonds are not remarketed on any Mandatory Tender Date or amounts on deposit in the Remarketing Proceeds Account of the Bond Fund are insufficient therefor; and (c) on the Maturity Date of the Bonds, to the Bond Fund the amount necessary to pay all amounts due on the Bonds on such date.

On any Redemption Date, the Trustee shall transfer all amounts then on deposit in the Collateral Fund into the Bond Fund to pay Bond Service Charges on the Bonds.

Amounts on deposit in the Collateral Fund in excess of the amount required to pay Bond Service Charges after payment in full of the Bonds shall be transferred to the Borrower.

The Bonds shall not be, and shall not be deemed to be, paid or prepaid by reason of any deposit into the Collateral Fund unless and until the amount on deposit in the Collateral Fund is transferred to the Bond Fund and applied to the payment of the principal of any of the Bonds, the principal component of the redemption price of any of the Bonds or the principal component of the tender price of any of the Bonds, all as provided in this Indenture.
Each deposit into the Collateral Fund shall constitute an irrevocable deposit solely for the benefit of the Holders, subject to the provisions hereof.

Section 4.07 Completion of the Project

The completion of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Trustee of the Completion Certificate required by Section 3.09 of the Loan Agreement, the form of which is attached as Exhibit C thereto. As soon as practicable after the filing with the Trustee of the Completion Certificate, any balance remaining in the Project Fund (other than the amounts retained by the Trustee as described in the Completion Certificate) shall be deposited or applied in accordance with the written direction of the Authorized Borrower Representative pursuant to Section 3.06 of the Loan Agreement, subject to Section 10.12 hereof.

Section 4.08 Expense Fund

The portion of any Extension Payment received by the Trustee in connection with an extension of the Mandatory Tender Date pursuant to Section 3.07 hereof designated for the payment of Administrative Expenses shall be deposited in the Expense Fund. The Trustee shall apply money on deposit in the Expense Fund solely for the following purposes, on the dates specified below, in the following order of priority:

(a) to transfer money to the Rebate Fund to the extent necessary to pay the Rebate Amount (if any) pursuant to Section 4.09 hereof;
(b) to pay the Ordinary Trustee's Fees and Expenses when due;
(c) to pay the Issuer Fee and the City Administrative Fee when due;
(d) to pay the Dissemination Agent Fee when due; and
(e) to pay the costs associated with the remarketing of the Bonds on the Initial Mandatory Tender Date.

To the extent money in the Expense Fund is not sufficient to pay the foregoing fees and expenses, such deficiency shall be paid by the Borrower pursuant to Section 4.04 of the Loan Agreement immediately upon written demand by the Trustee.

Section 4.09 Rebate Fund

Any provision hereof to the contrary notwithstanding, amounts credited to the Rebate Fund shall be free and clear of any lien hereunder.

The Trustee shall, at the cost and expense of the Borrower, furnish to the Issuer, the Borrower and the General Partner all information reasonably requested in writing by the Issuer, the Borrower or the General Partner with respect to the Bonds and investments of the Funds and accounts maintained by the Trustee hereunder. The purpose of the Rebate Fund is to facilitate compliance with Section 148(f) of the Code. Any Rebate Amount (as defined in the Tax Compliance Agreement) deposited in such Fund shall be for the sole benefit of the United States of America and shall not be subject to the lien of the Indenture or to the claim of any other Person, including, without limitation, the Bondholders and the Issuer. The requirements of
this Section 4.09 are subject to, and shall be interpreted in accordance with, Section 148(f) of the Code and the Treasury Regulations applicable thereto (the "Regulations") and shall apply except to the extent the Trustee and the Issuer are furnished with an opinion of Co-Bond Counsel or other evidence satisfactory to the Trustee and the Issuer that the Regulations contain an applicable exception. The Trustee shall make all payments under the written direction of the Borrower or Rebate Analyst on their behalf.

Promptly at the end of each five-year period after the dated date of the Bonds and also upon the retirement of the Bonds, the Trustee shall provide the Borrower with a statement of earnings on funds and accounts held under this Indenture during any period not covered by a prior statement. Each statement shall include the purchase and sale prices of each investment, if any (including any commission paid thereon which shall be separately stated if such information is available), the dates of each investment transaction, information as to whether such transactions were made at a discount or premium and such other information known or reasonably available to the Trustee as the Borrower or rebate analyst shall reasonably request in writing. If so requested in writing by the Borrower at any time, the Trustee shall create within the Bond Fund separate accounts for purposes of accounting for earnings on amounts attributable to the Bonds.

The Trustee shall promptly transfer to the Rebate Fund each amount required to be deposited therein pursuant to the written direction of the Borrower, or the Rebate Analyst on their behalf, pursuant to the Tax Compliance Agreement, first from earnings in the Project Fund, and, second, to the extent amounts in the Project Fund are insufficient, from revenues which have been deposited into the Bond Fund and earnings thereon. To the extent that the amount to be deposited into the Rebate Fund exceeds the amount which can be transferred from such Funds, the Trustee shall promptly notify the Borrower and an amount equal to such deficiency shall be paid promptly by the Borrower to the Trustee for deposit into the Rebate Fund.

The Borrower and the Trustee, on behalf of the Issuer, shall keep such records as will enable them to fulfill their respective responsibilities under this Section 4.09 and Section 148(f) of the Code, and the Borrower shall engage a rebate analyst as may be necessary in connection with such responsibilities. The Trustee, to the extent records of all calculations performed by the rebate analyst are furnished to it in writing, will retain such records until six (6) years after the retirement of the last obligation of the Bonds. The fees and expenses of the rebate analyst shall be paid by the Borrower pursuant to the Loan Agreement to the extent amounts provided hereunder and available in the Rebate Fund are insufficient for such purpose. For purposes of the computation of the Rebate Amount required under the Tax Compliance Agreement, the Trustee shall, at the cost and expense of the Borrower, make available to the Borrower and the Issuer during normal business hours all written information in the Trustee's control which is requested in writing by the Borrower in connection with such computations.

Section 4.10 Investment of Special Funds and Rebate Fund

Except as otherwise set forth in this Section, money in the Special Funds and the Rebate Fund shall be invested and reinvested by the Trustee in Eligible Investments as designated in and at the written direction of the Authorized Borrower Representative. At no time shall the Borrower direct that any funds constituting gross proceeds of the Bonds (including, without limitation, moneys deposited in or credited to the Collateral Fund and the Negative Arbitrage Account) be used in any manner as would constitute failure of compliance with Section 148 of the Code.
Except as provided in the following paragraph, investments of money in the Special Funds shall be invested in Government Obligations at the written directions of the Authorized Borrower Representative.

Money in the Special Funds may be invested in an investment described in clause (b) of the definition of Eligible Investments at the written directions of the Authorized Borrower Representative to the extent that (a) it is impractical to invest such money in Government Obligations because the amount to be invested is too small or Government Obligations are not available at that time for purchase, (b) such money is being held in the Remarketing Proceeds Account, (c) such money has been received less than 30 days prior to date on which Bonds are to mature or be paid upon redemption or mandatory tender, or (d) the Borrower has directed the Trustee in writing that such money will be needed to make a disbursement from the Project Fund prior to the date on which available Government Obligations would mature.

Absent written investment instructions, the Trustee shall invest moneys in any Account for which investments are permitted in or a successor money market fund so long as is Trustee.

Investments of money in the Bond Fund and the Collateral Fund shall mature or be redeemable at the direction of the Borrower at the times and in the amounts necessary to provide money to pay Bond Service Charges on the Bonds as they become due on each Interest Payment Date. Each investment of money in the Project Fund shall mature or be redeemable at the written direction of the Borrower to the Trustee at the times and in the amounts as may be necessary to make anticipated payments from the Project Fund. Any of those investments may be purchased from or sold to the Trustee, or any bank, trust company, securities firm or savings and loan association which is an Affiliated Party of the Trustee. The Trustee shall sell or redeem investments credited to the Bond Fund to produce sufficient money applicable hereunder to, and at the times required for the purposes of paying, Bond Service Charges when due as aforesaid, and shall do so without necessity for any order on behalf of the Issuer and without restriction by reason of any order. If the Trustee is required to sell or otherwise dispose of any Eligible Investments prior to maturity at a price below par, the Borrower shall, at the Borrower's expense, deliver to the Trustee (i) a Cash Flow Projection and (ii) Eligible Funds in the amount set forth in such Cash Flow Projection, if any. Anything herein to the contrary notwithstanding, amounts on deposit in the Collateral Fund shall not be invested at a yield in excess of the yield of the Bonds.

An investment made from money credited to the Special Funds shall constitute part of that respective Fund. All investment earnings from amounts on deposit in the Project Fund and the Collateral Fund shall be allocated to the Bond Fund. All gains resulting from the sale of, or income from, any investment made from amounts on deposit in the Special Funds shall be credited to and become part of the Bond Fund. All investment earnings, gains resulting from the sale of, or income from, any investment made from amounts on deposit in the Rebate Fund shall be retained therein. Any investment losses from moneys credited to a Fund shall be charged against the respective Fund. The Trustee shall not be liable for losses on investments made in compliance with the provisions of this Indenture.

Ratings of Eligible Investments shall be determined at the time of purchase of such Eligible Investments and without regard to ratings subcategories. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including cash sweep account fees. Although each of the Issuer and the Borrower recognizes that it may
obtain a broker confirmation or written statement containing comparable information at no additional cost, each of the Issuer and the Borrower hereby agrees that confirmations of Eligible Investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month. The Trustee may conclusively rely upon the Authorized Borrower Representative’s written instructions as to both the suitability and legality of the directed investments.

Following the Closing Date, at the direction of the Borrower, the Trustee is permitted to purchase, sell or exchange Eligible Investments with a Cash Flow Projection. Notwithstanding anything herein to the contrary, (i) earnings received by the Trustee with respect to Eligible Investments purchased for the purpose of paying Bond Service Charges shall be held uninvested and (ii) Bond proceeds and the Negative Arbitrage Deposit shall be held uninvested until the Trustee has purchased, sold or exchanged Eligible Investments.

The Trustee may make any and all investments permitted by this Section through its own bond or investment department, unless otherwise directed in writing by the Authorized Borrower Representative.

Section 4.11 Money to be Held in Trust

The funds created under this Indenture shall be in the custody of the Trustee in its trust capacity hereunder, and the Issuer authorizes and directs the Trustee to withdraw moneys from said funds for the purposes specified herein, which authorization and direction the Trustee hereby accepts. All moneys required to be deposited with or paid to the Trustee under any provision of this Article IV shall be held by the Trustee in trust, and except for moneys held in the Rebate Fund or deposited with or paid to the Trustee for the redemption of Bonds, notice of redemption of which has been duly given, shall while held by the Trustee constitute part of the security for the Holders and be subject to the lien hereof.

Section 4.12 Valuation

For the purpose of determining the amount on deposit to the credit of any Special Fund, the value of obligations in which money in such Fund shall have been invested shall be computed (i) in the case of Government Obligations held in the Special Funds, at the maturity or redemption value (as applicable) as of the maturity or next redemption date and (ii) in the case of all other Eligible Investments, at the then market value thereof. The Trustee shall have no liability for the accuracy of any such valuation.

The Eligible Investments shall be valued by the Trustee as of the end of each calendar month.

Section 4.13 Nonpresentment of Bonds

In the event any Bond shall not be presented for payment when the principal thereof becomes due in whole or in part, whether at maturity, at the Redemption Date or otherwise, or a check for interest is uncashed, if funds sufficient to pay such Bonds shall have been made available to the Trustee for the benefit of the Holder or Holders thereof, all liabilities of the issuer to the Holder thereof for the payment of such Bond, as the case may be, shall thereupon cease and be completely discharged, and it shall be the duty of the Trustee to comply with any applicable escheat or unclaimed property law respecting such funds.
Section 4.14 Repayment to the Borrower from the Bond Fund

On any Mandatory Tender Date, any amounts in the Bond Fund in excess of the amount necessary to cover any negative arbitrage (assuming 0.00% interest earnings on all deposits) and after all of the Outstanding Bonds shall be deemed paid and discharged under the provisions of this Indenture shall, upon written instruction to the Trustee from the Borrower, be paid to or at the direction of the Borrower. Except as provided in Section 4.09 and Section 4.13 hereof, any amounts remaining in the Special Funds (a) after all of the Outstanding Bonds shall be deemed paid and discharged under the provisions of this Indenture, and (b) after payment of all fees, charges and expenses of the Trustee and the Issuer and of all other amounts required to be paid under this Indenture, the Loan Agreement, the Tax Compliance Agreement, the Land Use Restriction Agreement and the Note, shall be paid to the Borrower to the extent that those amounts are in excess of those necessary to effect the payment and discharge of the Outstanding Bonds. Provided however that if the Mortgage Loan is in default, such excess shall be paid to the Lender.

Section 4.15 Payment of Fees

In connection with the issuance of the Bonds and with the Project, the Trustee will pay, from the Expense Fund, the following fees on behalf of the Borrower:

(i) To the Issuer, an Issuer Fee in an amount equal to 1.5% of the par amount of the Bonds, payable on the Closing Date from Borrower equity;

(ii) To the Issuer, a Bond Legal Reserve Fee in an amount equal to 0.10% of the par amount of the Bonds, payable on the Closing Date from Borrower equity; and

(iii) To the Trustee, the Ordinary Trustee Fees and Expenses; and

(iv) To the Issuer, a City Administrative Fee in an amount equal to 0.15% of the outstanding principal amount of the Bonds, accruing monthly and payable to the Issuer semi-annually.

ARTICLE 5
GENERAL COVENANTS AND REPRESENTATIONS

Section 5.01 Payment of Principal or Redemption Price of and Interest on Bonds. The Issuer shall promptly pay or cause to be paid the principal or redemption price of, and the interest on, every Bond issued hereunder according to the terms thereof, but shall be required to make such payment or cause such payment to be made only out of revenues available therefor under this Indenture. The Issuer hereby designates the principal corporate trust office of the Trustee as the place of payment for the Bonds.

Section 5.02 Instruments of Further Assurance. The Issuer and the Trustee shall do, execute, acknowledge and deliver, such indentures supplemental hereto, and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Trustee all its interest in the property herein described and the revenues, receipts and other amounts pledged hereby to the payment of the principal of, premium, if any, and interest on the Bonds paid solely from the Trust Estate. Any and all interest in property hereafter acquired which is of any kind or nature
herein provided to be and become subject to the lien hereof shall and without any further conveyance, assignment or act on the part of the Issuer or the Trustee, become and be subject to the lien of this Indenture as fully and completely as though specifically described herein, but nothing contained in this sentence shall be deemed to modify or change the obligations of the Issuer under this Section.

Section 5.03 Recordation and Filing. Pursuant to the Loan Agreement, the Borrower shall cause financing statements with respect to the Trust Estate described in this Indenture to be at all times filed in such manner and in such places if required by law in order to fully preserve and protect the rights of the Issuer and the Trustee hereunder and to perfect the security interest created by this Indenture in the Trust Estate described herein. To the extent possible under applicable law, as in effect in the jurisdiction(s) in which the Trust Estate is located, the Borrower will maintain the priority of the security interest herein created in the Trust Estate as a first lien thereon, and warrant, protect, preserve and defend its interest in the Trust Estate and the security interest of the Trustee herein and all rights of the Trustee under this Indenture against all actions, proceedings, claims and demands of all Persons, all paid for by the Borrower.

Section 5.04 No Modification of Security. The Issuer shall not, without the written consent of the Trustee, alter, modify or cancel, or agree to consent to alter, modify or cancel any agreement which relates to or affects the security for the Bonds. [The Trustee shall not consent to any change in the maturity of the Mortgage Note, except as provided in Article VIII hereof.]

Section 5.05 Reports. The Trustee shall furnish annually, to the Borrower and any Bondholder who requests copies thereof and furnishes an address to which such reports and statements are to be sent copies of (a) any written reports furnished to the Trustee with regard to the Project and (b) annual statements of the Trustee with regard to fund balances. The Trustee shall be reimbursed by the Borrower for its reasonable costs and expenses in preparing any such statements.

Section 5.06 Tax Covenants

(a) The Issuer, to the extent that it has control over any of the following proceeds or payments, and the Trustee, to the extent that it has discretion with respect to investment of such proceeds, covenant and agree that they will not intentionally take any action or fail to take any action with respect to the investment of the proceeds of any Bonds issued under this Indenture or with respect to the payments derived from the security pledged hereunder or from the Loan Agreement which would result in constituting the Bonds “arbitrage bonds” within the meaning of such term as used in Section 148 of the Code. The Issuer and the Trustee further covenant and agree that they will comply with and take all actions required by the Tax Compliance Agreement. The Trustee shall, at the cost and expense of the Borrower, cause to be prepared all rebate calculations required to be performed pursuant to the Tax Compliance Agreement.

(b) The Issuer covenants that it shall not use or cause the use of any proceeds of Bonds or any other funds of the Issuer, directly or indirectly, in any manner, and shall not take or cause to be taken any other action or actions, or fail to take any action or actions, which would result in interest on any of the Bonds becoming includable in gross income of any Holder thereof. The Issuer further covenants that it shall at all times do and perform all acts and things permitted by law and necessary or desirable in
order to assure that interest paid by the Issuer on the Bonds shall be excluded from the gross income of the recipients thereof for federal income tax purposes.

ARTICLE 6
DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND HOLDERS

Section 6.01 Events of Default. Each of the following shall be an “Event of Default”:

(a) default in the due and punctual payment of any interest on any Bond, subject to a five (5) day notice and cure period; or

(b) default in the due and punctual payment of the principal of or premium, if any, on any Bond whether at the stated maturity thereof, or on proceedings for redemption thereof, or on the maturity thereof by declaration, subject to a five (5) day notice and cure period; or

(c) failure by the Issuer to observe or perform any other covenant, agreement or obligation on its part to be observed or performed contained in this Indenture or in the Bonds, which failure shall have continued for a period of 30 days after written notice, by registered or certified mail, to the Issuer and the Borrower specifying the failure and requiring that it be remedied, which notice may be given by the Trustee in its discretion and shall be given by the Trustee at the written request of the Holders of a majority in aggregate principal amount of Bonds then Outstanding (unless, notwithstanding any attempt to cure such failure, it cannot be cured within 30 days and, notwithstanding, is cured within 180 days); or

(d) the occurrence and continuation of a Default under the Loan Agreement.

The Trustee and the Issuer agree that notwithstanding the provisions hereof, no default under the terms of this Indenture shall be construed as resulting in a default under the Mortgage Loan Documents unless such event also constitutes a default thereunder.

Section 6.02 Acceleration. Upon the occurrence of an Event of Default described in Section 6.01(a) or (b) hereof, the Trustee may, and upon the written request of the Holders of not less than a majority in aggregate principal amount of Bonds then Outstanding shall, by written notice delivered to the Borrower and the Issuer, declare the principal of all Bonds then Outstanding (if not then due and payable), and the interest accrued thereon, to be due and payable immediately. If the Trustee is unable to determine that sufficient funds will be available to pay (not out of the Trustee’s own funds) the full amount of the principal and accrued but unpaid interest to the Holders of the Bonds as of the date of acceleration, the Trustee shall declare the principal of the Bonds immediately due and payable, but only upon written direction of Controlling Holders of the Bonds then Outstanding. Upon the occurrence of any Event of Default other than those described in Sections 6.01(a) and 6.01(b) hereof, the Trustee may, and upon written consent of all Holders of Bonds then Outstanding shall, declare by a notice in writing delivered to the Borrower, the principal of all Bonds then Outstanding (if not then due and payable), and the interest thereon, to be due and payable immediately. Upon such declaration, that principal and interest shall become due and payable immediately. Interest on the Bonds shall accrue to the date determined by the Trustee for the tender of payment to the Holders pursuant to that declaration; provided, that interest on any unpaid principal of Bonds Outstanding shall continue to accrue from the date determined by the Trustee for the tender of payment to the Holders of those Bonds.
The provisions of the preceding paragraph are subject, however, to the condition that if, at any time after declaration of acceleration and prior to the entry of a judgment in a court for enforcement hereunder (after an opportunity for hearing by the Issuer and the Borrower),

(a) all sums payable hereunder (except the principal of and interest on Bonds which have not reached their stated maturity dates but which are due and payable solely by reason of that declaration of acceleration), plus interest to the extent permitted by law on any overdue installments of interest at the rate borne by the Bonds shall have been duly paid or provision shall have been duly made therefor by deposit with the Trustee, and

(b) all existing Events of Default shall have been cured,

then and in every case, the Trustee shall, upon being instructed in writing by the Investor Limited Partner, or Construction Lender, waive the Event of Default and its consequences and shall rescind and annul that declaration. No waiver or rescission and annulment shall extend to or affect any subsequent Event of Default or shall impair any rights consequent thereon.

The Investor Limited Partner or Construction Lender shall be entitled (but not obligated) to cure any Event of Default hereunder within the time frame provided to the Borrower hereunder. The Issuer and the Trustee agree that cure of any default or Event of Default made or tendered by the Investor Limited Partner or Construction Lender shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 6.03 Rights of Holders. If any Event of Default shall have occurred and be continuing, then the Trustee may and, if requested so to do by the Holders of not less than a majority in aggregate principal amount of Bonds affected by such default, and if indemnified as provided herein, the Trustee shall:

(a) by mandamus or other suit, action or proceeding at law or in equity require the Issuer to perform its covenants and duties under this Indenture;

Section 6.04 Rights of Holders to Direct Proceedings. Subject to the provisions of Section 6.08 hereof, the Holders of a majority in principal amount of the Bonds shall have the right at any time, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the
enforcement of the terms and conditions of this Indenture for the benefit of the Bonds, or for the appointment of a receiver or any other proceedings hereunder for the benefit of the Bonds, in accordance with the provisions of law and of this Indenture.

Section 6.05 Waiver by issuer. Upon the occurrence of an Event of Default, to the extent that such right may then lawfully be waived, neither the Issuer nor anyone claiming through or under it shall set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption laws now or hereinafter in force, in order to prevent or hinder the enforcement of this Indenture, and the Issuer, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws and all right of appraisement and redemption to which it may be entitled under the laws of the State.

Section 6.06 Application of Moneys. If at any time after the occurrence of an Event of Default the money held by the Trustee under this Indenture (other than amounts in the Rebate Fund) shall not be sufficient to pay the principal of and interest on the Bonds as the same become due and payable, such money, together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of remedies in this Article or otherwise, shall, be applied by the Trustee as set forth in this Section 6.06.

After payment of any costs, expenses, liabilities and advances paid, incurred or made by the Trustee in the collection of money and to all fees of the Trustee for expenses pursuant to any right given or action taken under the provisions of this Article or the provisions of the Loan Agreement, the Land Use Restriction Agreement or the Borrower Note (including without limitation, reasonable attorneys' fees and expenses, except as limited by law or judicial order or decision entered in any action taken under this Article VI), all money received by the Trustee, shall be applied as follows, subject to Section 2.03 hereof and any provision made pursuant to Section 4.10 or Section 4.11 hereof:

(a) Unless the principal of all of the Bonds shall have become, or shall have been declared to be, due and payable, all of such money shall be deposited in the Bond Fund and shall be applied:

First: To the payment to the Holders entitled thereto of all installments of interest then due on the Bonds, in the order of the dates of maturity of the installments of that interest, beginning with the earliest date of maturity and, if the amount available is not sufficient to pay in full any particular installment, then to the payment thereof ratably, according to the amounts due on that installment, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds; and

Second: To the payment to the Holders entitled thereto of the unpaid principal of any of the Bonds which shall have become due, in the order of their due dates, beginning with the earliest due date, with interest on those Bonds from the respective dates upon which they became due at the rates specified in those Bonds, and if the amount available is not sufficient to pay in full all Bonds due on any particular date, together with that interest, then to the payment thereof ratably, according to the amounts of principal due on that date, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds;

(b) If the principal of all of the Bonds shall have become due or shall have been declared to be due and payable pursuant to this Article, all of such money shall be deposited into the Bond Fund and shall be applied to the payment of the principal and interest then due.
and unpaid upon the Bonds, without preference or priority of principal over interest, of interest over principal, of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds.

(c) If the principal of all of the Bonds shall have been declared to be due and payable pursuant to this Article, and if that declaration thereafter shall have been rescinded and annulled under the provisions of Section 6.02 or Section 6.10 hereof, subject to the provisions of paragraph (b) of this Section in the event that the principal of all of the Bonds shall become due and payable later, the money shall be deposited in the Bond Fund and shall be applied in accordance with the provisions of Article II.

(d) Whenever money is to be applied pursuant to the provisions of this Section, such money shall be applied at such times and from time to time, as the Trustee shall determine, having due regard to the amount of money available for application and the likelihood of additional money becoming available for application in the future. Whenever the Trustee shall direct the application of such money, it shall fix the date upon which the application is to be made, and upon that date, interest shall cease to accrue on the amounts of principal, if any, to be paid on that date, provided the money is available therefor. The Trustee shall give notice of the deposit with it of any money and of the fixing of that date, all consistent with the requirements of Section 2.03 hereof for the establishment of, and for giving notice with respect to, a Special Record Date for the payment of overdue interest. The Trustee shall not be required to make payment of principal of a Bond to the Holder thereof, until the Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if it is paid fully.

Section 6.07 Remedies Vested in Trustee. All rights of action, including the right to file proof of claims, under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall be for the benefit as provided herein of Holders of the Outstanding Bonds.

Section 6.08 Remedies of Holders. No Holder of any Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any provision of this Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless: (a) a default shall have occurred of which the Trustee shall have been notified as provided herein; (b) such default shall have become an Event of Default; (c) the Holders of at least a majority in aggregate principal amount of the Outstanding Bonds shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (d) such Holders shall have offered to the Trustee indemnity as provided herein; and (e) the Trustee shall within 60 days thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding, and such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts under this Article VI, and to any action or cause of action for the enforcement of this Indenture, or for any other remedy hereunder; it being understood and intended that no one or more Holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture or the rights of any other Holders of the Bonds or to obtain priority or preference over
any other Holders (other than as provided herein) or to enfore any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all Holders of Bonds. Nothing contained in this Indenture shall, however, affect or impair the right of any Holder to enforce the payment of the principal of, the premium, if any, and interest on any Bond at the maturity thereof or the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds issued hereunder to the respective Holders thereof, at the time, in the place, from the sources and in the manner expressed herein and in said Bonds.

Section 6.09 Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and the Trustee shall be restored to their former positions and rights hereunder with respect to the Trust Estate herein conveyed, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 6.10 Waivers of Events of Default. The Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds upon the written request of the Holders of a majority of the Outstanding Bonds; provided, however, that there shall not be waived (a) any default in the payment of the principal of any Bonds at the date of maturity specified therein, or upon proceedings for mandatory redemption, or (b) any default in the payment when due of the interest or premium on any such Bonds, unless prior to such waiver or rescission all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest or all arrears of payments of principal or premium, if any, when due (whether at the stated maturity thereof or upon proceedings for mandatory redemption) as the case may be, and all fees, costs, and expenses (including reasonable fees and expenses of counsel) of the Trustee, in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto.

Section 6.11 Notice of Defaults; Opportunity to Cure Defaults. If an Event of Default shall occur, the Trustee shall give written notice of the Event of Default, by Electronic Means or by registered or certified mail, to the Issuer, the Borrower, the Construction Lender, the Investor Limited Partner and the Remarketing Agent, within five days after the Trustee has actual notice of the Event of Default pursuant to Section 7.04(i) hereof. (i) in connection with any other change in this Indenture which, in the judgment of the Trustee, is not to the prejudice of the Trustee or the Bondholders.

The Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of a supplemental bond indenture have been effected in compliance with the provisions of this Article.

Section 8.02 Supplemental Indentures Requiring Consent of Bondholders. Exclusive of supplemental indentures to which reference is made in Section 8.01 hereof and subject to the terms, provisions and limitations contained in this Section, and not otherwise, with the consent of the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, evidenced as provided in this Indenture, and with the written consent of the Borrower if required by Section 8.05 hereof, the Issuer and the Trustee may execute and deliver supplemental indentures adding any provisions to, changing in any manner or eliminating any of the provisions of this Indenture or any supplemental indenture or restricting in any manner the rights of the Holders. Nothing in this Section shall permit, however, or be construed as permitting:

(a) without the consent of the Holder of each Bond so affected, (i) an extension of the maturity of the principal of or the interest on any Bond or (ii) a reduction in the principal amount of any Bond or the rate of interest thereon, or

(b) a reduction in the rate of interest paid on any Bond or an extension of any Interest Payment Date, or

(c) without the consent of the Holders of all Bonds then Outstanding, (i) the creation of a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (ii) a reduction in the aggregate principal amount of the Bonds required for consent to a supplemental indenture.

If the Issuer shall request that the Trustee execute and deliver any supplemental indenture for any of the purposes of this Section, upon (i) being satisfactorily indemnified with respect to its expenses in connection therewith, and (ii) if required by Section 8.05 hereof, receipt of the Borrower's written consent to the proposed execution and delivery of the supplemental indenture, the Trustee shall, at the written direction of the Issuer, cause notice of the proposed execution and delivery of the supplemental indenture (which notice shall be prepared by the Borrower) to be mailed by first-class mail, postage prepaid, to all Holders of Bonds then Outstanding at their addresses as they appear on the Register at the close of business on the fifteenth day preceding that mailing.

The Trustee shall not be subject to any liability to any Holder by reason of the Trustee's failure to mail, or the failure of any Holder to receive, the notice required by this Section. Any failure of that nature shall not affect the validity of the supplemental indenture when there has
been consent thereto as provided in this Section. The notice shall set forth briefly the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the Designated Office of the Trustee for inspection by all Holders.

If the Trustee shall receive, within a period prescribed by the Borrower, of not less than 60 days, but not exceeding one year, following the mailing of the notice, an instrument or document or instruments or documents, in form to which the Trustee does not reasonably object, purporting to be executed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding (which instrument or document or instruments or documents shall refer to the proposed supplemental indenture in the form described in the notice and specifically shall consent to the supplemental indenture in substantially that form), the Trustee shall, but shall not otherwise, execute and deliver the supplemental indenture in substantially the form to which reference is made in the notice as being on file with the Trustee, without liability or responsibility to any Holder, regardless of whether that Holder shall have consented thereto.

The Trustee may rely upon an opinion of counsel as conclusive evidence that the execution and delivery of any supplemental indenture have been effected in compliance with the provisions of this Article.

Any consent shall be binding upon the Holder of the Bond giving the consent and, anything herein to the contrary notwithstanding, upon any subsequent Holder of that Bond and of any Bond issued in exchange therefor (regardless of whether the subsequent Holder has notice of the consent to the supplemental indenture). A consent may be revoked in writing, however, by the Holder who gave the consent or by a subsequent Holder of the Bond by a revocation of such consent received by the Trustee prior to the execution and delivery by the Trustee of the supplemental indenture. At any time after the Holders of the required percentage of Bonds shall have filed their consents to the supplemental indenture, the Trustee shall make and file with the Issuer a written statement that the Holders of the required percentage of Bonds have filed those consents. That written statement shall be conclusive evidence that the consents have been so filed.

If the Holders of the required percentage in aggregate principal amount of Bonds Outstanding shall have consented to the supplemental indenture, as provided in this Section, no Holder shall have any right (a) to object to (i) the execution or delivery of the supplemental indenture, (ii) any of the terms and provisions contained therein, or (iii) the operation thereof, (b) to question the propriety of the execution and delivery thereof, or (c) to enjoin or restrain the Trustee or the Issuer from that execution or delivery or from taking any action pursuant to the provisions thereof.

Section 8.03 Amendments to Loan Agreement Not Requiring Consent of the Bondholders. The Issuer and the Borrower, without the consent of the Bondholders, may enter into any amendment, change or modification to the Loan Agreement as shall not be materially adverse to the interests of the Holder of the Bonds or the Trustee for any one or more of the following purposes:

(a) to cure any ambiguity or formal defect or omission in the Loan Agreement;
(b) to grant to or confer upon the Issuer or the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may be lawfully granted to or conferred upon the Issuer or the Trustee or either of them;

(c) to maintain the exclusion from gross income for federal income taxation of interest of the Bonds;

(d) to obtain, improve or maintain the rating on the Bonds so long as such change does not affect the interest rates, maturities or redemption provisions of the Bonds and does not, in the opinion of Co-Bond Counsel, adversely affect the exclusion from gross income for federal income taxation of interest on the Bonds; or

(e) in connection with any other change which, in the judgment of the Trustee, is not to the prejudice of the Trustee or the Bondholders.

The Trustee may rely upon an opinion of counsel as conclusive evidence that such amendment, change or modification has been effected in compliance with the provisions of this Article.

Section 8.04 Amendments to Loan Agreement Requiring Consent of Bondholders. With the consent of the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, the Issuer, the Trustee and the Borrower may from time to time enter into amendments, changes and modifications to the Loan Agreement for the purpose of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained therein; provided, however, that no such amendment, change or modification shall permit or be construed as permitting: (a) any adverse effect on the security for the Bonds without consent of all Bondholders, (b) a reduction in the amount of Bonds, the Holders of which are required to approve any such amendment, change or modification without the consent of Holders of all Bonds at the time Outstanding which would be affected by the action to be taken, or (c) any action which may result in the denial of the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

If at any time, the Borrower or the Issuer shall request the consent of the Trustee to any such amendment, change or modification of the Loan Agreement, the Trustee shall, upon being satisfactorily indemnified by the Borrower with respect to expenses, cause notice of such proposed amendment, change or modification to be given in the same manner as provided above with respect to supplemental bond indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the corporate trust office of the Trustee for inspection by all Bondholders. If, within 60 days following the giving of such notice the Holders of not less than two-thirds in aggregate principal amount of Outstanding Bonds at the time of the execution of any such amendment, change or modification shall have consented to and approved the execution thereof as described above, no Holder of any Bond shall have any right to object to the terms and provisions contained therein, or to the operation thereof, or in any manner to question the propriety of the execution thereof or to enjoin or to restrain the Issuer or the Trustee from consenting to the execution thereof. The Trustee may rely upon an opinion of counsel as conclusive evidence that such amendment, change or modification has been effected in compliance with the provisions of this Article.

Section 8.05 Consent of Borrower. Anything contained herein to the contrary notwithstanding, any supplemental indenture executed and delivered in accordance with this
Article VIII which affects in any material respect any rights or obligations of the Borrower shall not become effective unless and until the Borrower shall have consented in writing to the execution and delivery of that supplemental indenture.

Section 8.06 Responsibilities of Trustee. Notwithstanding anything else contained herein, the Trustee shall not be required to enter into any supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 8.07 Authorization to Trustee; Effect of Supplement

The Trustee is authorized to join with the Issuer in the execution and delivery of any supplemental indenture in accordance with this Article and to make the further agreements and stipulations which may be contained therein. Thereafter,

(a) That supplemental indenture shall form a part of this Indenture;

(b) All terms and conditions contained in that supplemental indenture as to any provision authorized to be contained therein shall be deemed to be a part of the terms and conditions of this Indenture for any and all purposes;

(c) This Indenture shall be deemed to be modified and amended in accordance with the supplemental indenture; and

(d) The respective rights, duties and obligations under this Indenture of the Issuer, the Borrower, the Trustee, the Remarketing Agent and all Holders of Bonds then Outstanding shall be determined, exercised and enforced hereunder in a manner which is subject in all respects to those modifications and amendments made by the supplemental indenture.

Express reference to any executed and delivered supplemental indenture may be made in the text of any Bonds issued thereafter, if that reference is deemed necessary or desirable by the Trustee or the Issuer. A copy of any supplemental indenture for which provision is made in this Article, except a supplemental indenture described in Section 8.01(g) hereof, shall be mailed to the Holders by the Trustee. The Trustee shall not be required to execute any supplemental indenture containing provisions adverse to the Trustee.

Section 8.08 Opinion of Counsel. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it as conclusive evidence that (a) any proposed supplemental indenture complies with the provisions of this Indenture, and (b) it is proper for the Trustee to join in the execution of that supplemental indenture under the provisions of this Article. That counsel may be counsel for the Issuer or the Borrower.

Before the Issuer and the Trustee shall enter into any supplemental indenture, there shall have been delivered to the Trustee an opinion of Co-Bond Counsel to the effect that such supplemental indenture will not adversely affect the Federal Tax Status of the Bonds.

Section 8.09 Modification by Unanimous Consent. Notwithstanding anything contained elsewhere in this Indenture, the rights and obligations of the Issuer and of the Holders, and the terms and provisions of the Bonds and this Indenture or any supplemental indenture, may be modified or altered in any respect with the consent of (a) the Issuer, (b) the Holders of all of the Bonds then Outstanding, (c) the Borrower, the Construction Lender and the
Investor Limited Partner and (d) if such modification or alteration contains provisions adverse to the Trustee, the Trustee.

ARTICLE 9
SATISFACTION AND DISCHARGE OF INDENTURE

Section 9.01 Discharge of Lien. If (a) the Issuer shall pay all of the Outstanding Bonds, or shall cause them to be paid and discharged, or if there otherwise shall be paid to the Holders of the Outstanding Bonds, all Bond Service Charges due or to become due thereon, and (b) provision also shall be made for the payment of all other sums payable hereunder or under the Loan Agreement, the Land Use Restriction Agreement and the Borrower Note, then this Indenture shall cease, terminate and become null and void (except for those provisions surviving by reason of Section 9.03 hereof in the event the Bonds are deemed paid and discharged pursuant to Section 9.02 hereof), and the covenants, agreements and obligations of the Issuer hereunder shall be released, discharged and satisfied.

Thereupon, and subject to the provisions of Section 9.03 hereof if applicable,

(a) the Trustee shall release this Indenture (except for those provisions surviving by reason of Section 9.03 hereof in the event the Bonds are deemed paid and discharged pursuant to Section 9.02 hereof), and shall execute and deliver to the Issuer any instruments or documents in writing, prepared by or on behalf of the Issuer, as shall be requisite to evidence that release and discharge or as reasonably may be requested by the Issuer;

(b) the Trustee shall release and satisfy the Borrower Note and deliver such release and satisfaction to the Borrower; and

(c) the Trustee shall assign and deliver to the Issuer any property subject at the time to the lien of this Indenture which then may be in its possession, except amounts in the Bond Fund required (i) to be paid to the Borrower under Section 4.14 hereof, or (ii) to be held by the Trustee under Section 4.13 hereof or otherwise for the payment of Bond Service Charges.

Section 9.02 Payment and Discharge of Bonds. All or any part of the Bonds shall be deemed to have been paid and discharged within the meaning of this Indenture, including without limitation, Section 9.01 hereof, if:

(a) the Trustee as paying agent shall have received, in trust for and irrevocably committed thereto, sufficient money, or

(b) the Trustee shall have received, in trust for and irrevocably committed thereto, noncallable Government Obligations which are certified by an independent public accounting firm of national reputation to be of such maturities or redemption dates and interest payment dates, and to bear such interest, as will be sufficient together with any money to which reference is made in subparagraph (a) above, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (which earnings are to be held likewise in trust and so committed, except as provided herein), for the payment of all Bond Service Charges on those Bonds at their maturity.
Any money held by the Trustee in accordance with the provisions of this Section may be invested by the Trustee only in noncallable Government Obligations having maturity dates, or having redemption dates which, at the option of the owner of those obligations, shall be not later than the date or dates at which money will be required for the purposes described above. To the extent that any income or interest earned by, or increment to, the investments held under this Section is determined from time to time by the Trustee to be in excess of the amount required to be held by the Trustee for the purposes of this Section, that income, interest or increment shall be transferred at the time of that determination in the manner provided in Section 4.14 hereof for transfers of amounts remaining in the Bond Fund.

If any Bonds shall be deemed paid and discharged pursuant to this Section 9.02, then within 15 days after such Bonds are so deemed paid and discharged the Trustee shall cause a written notice to be given to each Holder as shown on the Register on the date on which such Bonds are deemed paid and discharged. Such notice shall state the numbers of the Bonds deemed paid and discharged or state that all Bonds are deemed paid and discharged, and shall set forth a description of the obligations held pursuant to subparagraph (b) of the first paragraph of this Section 9.02.

Section 9.03 Survival of Certain Provisions. Notwithstanding the foregoing, any provisions of this Indenture which relate to the maturity of Bonds, interest payments and dates thereof, optional and mandatory redemption provisions, credit against mandatory sinking fund requirements, exchange, transfer and registration of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, non-presentation of Bonds, the holding of moneys in trust, and repayments of moneys in funds held hereunder, and the duties of the Trustee and the Bond Registrar in connection with all of the foregoing, shall remain in effect and be binding upon the Trustee, the Bond Registrar, the Paying Agent and the Holders notwithstanding the release and discharge of this Indenture. The provisions of this Article shall survive the release, discharge and satisfaction of this Indenture.

ARTICLE 10
MISCELLANEOUS

Section 10.01 Consents and Other Instruments of Bondholders. Any consent, request, direction, approval, waiver, objection, appointment or other instrument required by this Indenture to be signed and executed by the Bondholders may be signed and executed in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such instrument, if made in the following manner, shall be sufficient for any of the purposes of this Indenture and shall be conclusive in favor of the Trustee with regard to any action taken under such instrument, namely:

(a) The fact and date of the execution by any Person of any such instrument may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the Person signing such instrument acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or association or a member of a limited liability company or a partner of a partnership on behalf of such corporation, association, limited liability company or partnership, such affidavit or certificate shall also constitute sufficient proof of his authority.
(b) The ownership of Bonds shall be proven by the Bond Register.

(c) Any request, consent or vote of the Holder of any Bond shall bind every future Holder of any Bond issued in exchange therefor or in lieu thereof, in respect of anything done or permitted to be done by the Trustee or the Issuer pursuant to such request, consent or vote.

(d) In determining whether the Holders of the requisite amount of the principal amount of the Bonds then Outstanding have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned by the Issuer or the Borrower or by any Person directly or indirectly controlling or controlled by, or under direct or indirect common control with the Issuer or the Borrower shall be disregarded and deemed not to be Outstanding for the purpose of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent or waiver. Only Bonds which the Trustee actually knows to be so owned shall be disregarded. Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of Issuer and the Trustee the pledgee’s right to vote such Bonds. In case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

Section 10.02 Limitation of Rights. With the exception of rights conferred expressly in this Indenture, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give to any Person other than the parties hereto, the Remarketing Agent, the Borrower, the Construction Lender, the Investor Limited Partner and the Holders of the Bonds any legal or equitable right, remedy, power or claim under or with respect to this Indenture or any covenants, agreements, conditions and provisions contained herein. This Indenture and all of those covenants, agreements, conditions and provisions are intended to be, and are, for the sole and exclusive benefit of the parties hereto, the Remarketing Agent, the Borrower, the Construction Lender, the Investor Limited Partner and the Holders of the Bonds, as provided herein.

Section 10.03 Severability. If any provision of this Indenture shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or sections in this Indenture contained shall not affect the remaining portions of this Indenture or any part thereof.

Section 10.04 Notices. All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given three days after deposit by first-class mail, except any notice specifically required to be given by certified or registered mail shall be deemed given three days after being mailed by certified or registered mail, postage prepaid, and any notice dispatched by messenger, facsimile or telegram, addressed to the Notice Address of the person to whom such notices, certificates or other communications are given shall be deemed given when delivered.
Section 10.05 **Payments Due on Saturdays, Sundays and Holidays.** In any case where the date of maturity of interest on or principal of the Bonds, or the date fixed for redemption of any Bonds, shall be a Saturday, Sunday, legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after such date.

Section 10.06 **Priority of this Indenture.** This Indenture shall be superior to any liens which may be placed upon the Revenues or any other funds or accounts created pursuant to this Indenture.

Section 10.07 **Counterparts.** This Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture and signature pages for all purposes.

Section 10.08 **Governing Law.** The laws of the State shall govern the construction of this Indenture and of all Bonds issued hereunder, without reference to its conflict of laws principles.

Section 10.09 **No Recourse.** No recourse shall be had for the principal of, redemption premium, if any, and interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in the Indenture or the Loan Agreement against any past, present or future official, officer or employee of the Issuer or the Trustee, as such, either directly or through the Issuer or the Trustee or any successor to either, under any rule of law, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability is hereby expressly waived and released as a condition of and consideration for the execution of the Indenture and the Loan Agreement and the issuance of the Bonds.

Section 10.10 **Successors and Assigns.** All the covenants and representations contained in this Indenture, by or on behalf of the Issuer and the Trustee, shall bind and inure to the benefit of their respective successors and assigns, whether expressed or not.

Section 10.11 **Books, Records and Accounts.** The Trustee agrees to keep proper books, records and accounts in which complete and correct entries shall be made of all transactions relating to the receipt, disbursements, investment, allocation and application of the proceeds received from the sale of the Bonds, the revenues received from the Funds created pursuant to this Indenture and all other money held by the Trustee hereunder. The Trustee shall make such books, records and accounts available for inspection by the Issuer, the Construction Lender, the Investor Limited Partner or the Holder of any Bond during reasonable hours and under reasonable conditions.

Section 10.12 **[Reserved]**

Section 10.13 **Force Majeure.** In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work
stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 10.14 U.S.A. Patriot Act. The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may reasonably request in order for the Trustee to satisfy the requirements of the U.S.A. Patriot Act.

Section 10.15 Waiver of Jury Trial. EACH OF THE ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE BONDS OR THE TRANSACTION CONTEMPLATED HEREBY.
IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed and their respective corporate seals to be hereunto affixed and attested, all as of the date and year first above written.

Registered Owner: CEDE & CO.

Aggregate Principal Amount: __________________ DOLLARS

INITIAL MANDATORY TENDER DATE: _____ 1, 202_

The City of Chicago, a municipality and home rule unit of government duly organized and validly existing under the Constitution and the laws of the State of Illinois (the "Issuer"), for value received, hereby promises to pay (but only from the revenues and other assets and in the manner hereinafter described) to the Registered Owner specified above or registered assigns, the Principal Amount specified above on the Maturity Date specified above (subject to the rights of redemption and tender set forth herein), and to pay from those sources interest on the unpaid principal balance of said Principal Amount on (a) _____ 1 and _____ 1 of each year beginning _____ 1, 2024, (b) each Redemption Date, and (c) each Mandatory Tender Date (the "Interest Payment Dates") until the principal amount is paid or duly provided for. This Bond will bear interest from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from its date, or, if no interest has been paid or provided for, from the date of initial delivery (the "Closing Date").

This Bond shall bear interest from the Dated Date to but not including the Initial Mandatory Tender Date at the Initial Interest Rate set forth above and thereafter this Bond shall bear interest at the Remarking Rate (as defined in the Indenture) for each subsequent Remarking Period (as defined in the Indenture). Interest on the Bonds shall be calculated on the basis of a 360-day year consisting of twelve 30-day months, for the actual number of days elapsed.

The principal of this Bond is payable at the designated corporate trust office of the trustee, presently ___________, a[n] ___________ (the "Trustee"). Interest is payable on each
Interest Payment Date by check mailed to the person in whose name this Bond (or one or more predecessor bonds) is registered (the "Holder") at the close of business on the 15th day of the calendar month next preceding that Interest Payment Date (the "Regular Record Date") on the registration books for this issue maintained by the Trustee, as registrar, at the address appearing therein. Any interest which is not timely paid or duly provided for shall cease to be payable to the Holder hereof (or of one or more predecessor bonds) as of the Regular Record Date, and shall be payable to the Holder hereof (or of one or more predecessor bonds) at the close of business on a Special Record Date to be fixed by the Trustee for the payment of that overdue interest. Notice of the Special Record Date shall be mailed to Holders not less than 10 days prior thereto. The principal of and interest on this Bond are payable in lawful money of the United States of America, without deduction for the services of the paying agent. While the Bonds are held in a book-entry system and in certain other circumstances, all as provided in the Indenture, principal of and interest on this Bond is required to be paid by wire transfer or other arrangement, other than any payment of the entire unpaid principal amount hereof.

This Bond is one of a duly authorized series of bonds of the City designated as its Multi-Family Housing Revenue Bonds (United Yards 1A Project), Series 2023 (the "Bonds"), in the aggregate principal amount of $22,500,000 [(the "Bonds"), pursuant to Article VII, Section 6 of the 1970 Constitution of the State of Illinois, and pursuant to the Ordinance adopted by the Issuer on ________, 2023. The Bonds are issued under and are equally and ratably secured as to principal, premium, if any, and interest by an Indenture dated as of December 1, 2023, from the Issuer to the Trustee (the "Indenture"), to which Indenture and all indentures supplemental thereto (copies of which are on file at the office of the Trustee) reference is hereby made. By the acceptance of this Bond, the Holder hereof assents to all of the provisions of the Indenture.

The Bonds, together with premium, if any, and interest thereon, do not constitute an indebtedness, liability, general or moral obligation or a pledge of the full faith or loan of credit of the Issuer, the State of Illinois, or any political subdivision of the State of Illinois within the meaning of any constitutional or statutory provisions. None of the Issuer, the State of Illinois or any political subdivision thereof shall be obligated to pay the principal of, premium, if any, or interest on the Bonds or other costs incident thereto except from the revenues and assets pledged with respect thereto. Neither the full faith and credit nor the taxing power of the United States of America, the Issuer, the State of Illinois or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or other costs incident thereto. The Bonds are not a debt of the United States of America or any agency thereof, and are not guaranteed by the United States of America or any agency thereof.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the certificate of authentication shall have been signed by the Trustee.

The Bonds are being issued by the Issuer for the purpose of financing a loan (the "Loan") to be made to New City Redevelopment Limited Partnership, an Illinois limited partnership (the "Borrower"). The Loan will be used by the Borrower to pay a portion of the costs of acquiring and constructing the Project, as defined in the Indenture and as further described in the Loan Agreement dated as of even date with the Indenture (the "Loan Agreement"), among the Issuer, the Borrower and the Trustee. The Bonds are special limited obligations of the Issuer, issued or to be issued under and are secured and entitled equally and ratably to the protection given by the Indenture, including payments under the Loan made to the Trustee by the Borrower.
The Bonds are subject to redemption and tender prior to their stated maturity as follows:

(a) Optional Redemption. The Bonds are subject to optional redemption in whole or in part by the Issuer at the written direction of the Borrower on the Initial Remarking Date at a redemption price of 100% of the principal amount of such Bonds to be redeemed plus accrued interest to the applicable Redemption Date or the optional redemption date, as applicable. After the Initial Remarking Date, the Borrower, in consultation with the Remarking Agent, may establish an optional redemption date with respect to any subsequent Remarking Period and, thereafter, the Bonds are subject to optional redemption in whole or in part by the Issuer at the written direction of the Borrower on or after the applicable redemption date at a redemption price of 100% of the principal amount of such Bonds to be redeemed plus accrued interest to the applicable redemption date. Notwithstanding the foregoing, no optional redemption may occur before the latest to occur of: (i) the day after the date the Project is placed in service, (ii) the Optional Redemption Date, or (iii) the date the Investor Limited Partner has received a certification that the low-income housing tax credit 50% test has been met.

(b) Mandatory Redemption. The Bonds shall be redeemed in whole at a redemption price of 100% of the principal amount of such Bonds, plus accrued interest to the Redemption Date, on any Mandatory Tender Date upon the occurrence of any of the following events: (i) the Borrower has previously elected not to cause the remarking of the Bonds, (ii) the conditions to remarking set forth in this Indenture have not been met by the dates and times set forth in Section 3.07(b) or Section 3.07(d) hereof, and (iii) the proceeds of a remarking on deposit in the Remarking Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Bonds on such Mandatory Tender Date. Bonds subject to redemption in accordance with this paragraph shall be redeemed from (I) amounts on deposit in the Collateral Fund, (II) amounts on deposit in the Negative Arbitrage Account of the Bond Fund, (III) amounts on deposit in the Project Fund, and (IV) any other Eligible Funds available or made available for such purpose at the written direction of the Borrower.

(c) Purchase in Lieu of Redemption. At the election of the Borrower upon a redemption in whole of the Bonds, by written notice to the Trustee and the Remarking Agent given not less than five (5) Business Days in advance of such redemption date, the Bonds will be deemed tendered for purchase in lieu of the redemption on such date and the call for redemption shall be cancelled. The purchase price of Bonds so purchased in lieu of redemption shall be the principal amount thereof together with all accrued and unpaid interest to the date of redemption and any prepayment fee, if due, and shall be payable on the date of redemption thereof. Bonds so purchased in lieu of redemption shall remain Outstanding and shall be registered to or upon the direction of the Borrower.

(d) Mandatory Tender for Purchase. All Outstanding Bonds shall be subject to Mandatory Tender by the Holders for purchase in whole and not in part on each Mandatory Tender Date. The purchase price for each such Bond shall be payable in lawful money of the United States of America by check, shall equal 100% of the principal amount to be purchased and accrued interest, if any, to the Mandatory Tender Date, and shall be paid in full on the applicable Mandatory Tender Date.

Reference is made to the Indenture for a more complete description of the Project, the provisions, among others, with respect to the nature and extent of the security for the Bonds, the rights, duties and obligations of the Issuer, the Trustee and the Holders of the Bonds, and
the terms and conditions upon which the Bonds are issued and secured. Each Holder assents, by its acceptance hereof, to all of the provisions of the Indenture.

The Borrower is required by the Loan Agreement to cause the Lender (as defined in the Indenture) to provide on its behalf the Lender's portion of the Eligible Funds (as defined in the Indenture) to the Trustee in the amounts and at the times necessary to pay the principal of and interest (the "Bond Service Charges") on the Bonds. In the Indenture, the Issuer has assigned to the Trustee, to provide for the payment of the Bond Service Charges on the Bonds, the Issuer's right, title and interest in and to the Loan Agreement, except for Reserved Rights as defined in the Indenture. To secure its compliance with certain covenants in the Loan Agreement, the Borrower has executed and delivered a Land Use Restriction Agreement, dated as of December 1, 2023 (the "Land Use Restriction Agreement") among the Issuer, the Borrower and the Trustee.

Copies of the Indenture, the Loan Agreement and the Land Use Restriction Agreement are on file in the designated corporate trust office of the Trustee.

The Bond Service Charges on the Bonds are payable solely from the Revenues, as defined and as provided in the Indenture (being, generally, the amounts payable under the Loan Agreement and any unexpended proceeds of the Bonds), and are an obligation of the Issuer only to the extent of the Revenues. The Bonds are not secured by an obligation or pledge of any money raised by taxation and do not represent or constitute a debt or pledge of the faith and credit of the Issuer.

The Bonds are issuable only as fully registered bonds and, except as hereinafter provided, in printed or typewritten form, registered in the name of Cede & Co. as nominee of The Depository Trust Company, New York, New York ("DTC"), which shall be considered to be the Holder for all purposes of the Indenture, including, without limitation, payment by the Issuer of Bond Service Charges, and receipt of notices to, giving of consents by and exercise of rights of, Holders. There shall be a single Bond representing each maturity, and all Bonds shall be immobilized in the custody of DTC with the owners of beneficial interests in those Bonds (the "book-entry interests") having no right to receive from the Issuer Bonds in the form of physical securities or certificates. Ownership of book-entry interests in the Bonds shall be shown by book-entry on the system maintained and operated by DTC, its participants (the "Participants") and certain persons acting through the Participants, and transfers of ownership of book-entry interests shall be made only by that book-entry system, the Issuer and the Trustee having no responsibility therefor. DTC is to maintain records of the positions of Participants in the Bonds, and the Participants and persons acting through Participants are to maintain records of the purchasers and owners of book-entry interests in the Bonds. The Bonds as such shall not be transferable or exchangeable, except for transfer to another Securities Depository (as defined in the Indenture) or to another nominee of a Securities Depository, without further action by the Issuer and otherwise at the expense of the Borrower.

If any Securities Depository determines not to continue to act as a Securities Depository for the Bonds for use in a book-entry system, the Issuer may attempt to have established a securities depository/book-entry system relationship with another qualified Securities Depository under the Indenture. If the Issuer does not or is unable to do so, the Issuer and the Trustee, after the Trustee has made provision for notification of the owners of book-entry interests by the then Securities Depository, shall permit withdrawal of the Bonds from the Securities Depository, and authenticate and deliver Bond certificates in fully registered form (in denominations of $5,000, or any integral multiple of $1,000 in excess thereof) to the assignees of the Securities
Depository or its nominee, all at the cost and expense (including costs of printing or otherwise preparing and delivering replacement Bond certificates) of those Persons requesting such authentication and delivery, if the event is not the result of Issuer action or inaction (including action at the request of the Borrower).

The Holder of this Bond shall have no right to enforce the provisions of the Indenture, or to institute action to enforce the covenants therein, or to take any action with respect to any default thereunder, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

This Bond is transferable by the Holder hereof in person or by his attorney duly authorized in writing at the principal corporate trust office of the Trustee, but only in the manner and subject to the limitations provided in the Indenture upon payment of any tax, fee or other governmental charge required to be paid with respect to such transfer, and upon surrender and cancellation of this Bond. Upon such transfer a new registered Bond or bonds of the same maturity and interest rate and of authorized denomination or denominations for the same aggregate principal amount will be issued to the transferee in exchange therefor.

The Issuer and the Trustee may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

Subject to the limitations of the Indenture and upon payment of any tax, fee or other governmental charge required to be paid with respect to such exchange, Bonds may be exchanged for a like aggregate principal amount of Bonds of the same maturity and interest rate.

The principal hereof may be declared or may become due on the conditions and in the manner and at the time set forth in the Indenture upon the occurrence of an event of default as provided in the Indenture.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on this Bond, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental thereto, against any trustee, officer or employee, as such, past, present or future, of the Issuer or any successor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released. ARTICLE III
PLAN OF FINANCING

Section 3.01 Issuance of Bonds; Application of Proceeds

To provide funds to finance the Loan for purposes of assisting the Borrower in paying Project Costs, the Issuer shall simultaneously with the execution and delivery hereof proceed with the issuance and delivery of the Bonds upon receipt by the Trustee of the items listed in Section 2.13 of the Indenture. The Issuer agrees to deposit the proceeds of sale of the Bonds in accordance with the Indenture.

The Bonds will be issued pursuant to the Indenture in the aggregate principal amount, will bear interest, will mature and will be subject to redemption, mandatory tender and remarketing as set forth therein. The Borrower hereby approves the terms and conditions of the Indenture and the Bonds, and the terms and conditions under which the Bonds will be issued, sold and delivered and will comply with those provisions of the Indenture that contemplate action by the Borrower, all as if the Borrower were a party to the Indenture.

Section 3.02 The Loan. The Issuer agrees, upon the terms and conditions herein, to make the Loan to the Borrower with the proceeds received by the Issuer from the sale of the Bonds by causing such proceeds to be deposited with the Trustee for disposition as provided in the Indenture. The obligation of the Issuer to finance the Loan shall be deemed fully discharged upon the deposit of the proceeds of the Bonds with the Trustee. The Loan shall be evidenced by the Note payable to the Trustee.

Section 3.03 [Reserved]

The Borrower agrees that it will compensate all workers employed in the acquisition and construction of the Project as required by law.

Section 3.05 Plans and Specifications

The written Plans and Specifications will be delivered to the Trustee upon request, provided that the Trustee shall have no duty to review such Plans and Specifications. The Borrower may revise the Plans and Specifications from time to time, provided that no revision shall be made which would change the purpose of the Project to other than purposes permitted by the Act and the Land Use Restriction Agreement.

Section 3.06 Disbursements from the Project Fund

Subject to the provisions below and so long as no Default hereunder or Event of Default under the Indenture has occurred and is continuing for which the principal amount of the Bonds has been declared to be immediately due and payable pursuant to Section 8.02 hereof and Section 6.02 of the Indenture, and no Determination of Taxability has occurred, disbursements from the Project Fund shall be made only to pay Costs of the Project.

Any disbursements from the Project Fund for the payment of Costs of the Project shall be made by the Trustee only upon the receipt by the Trustee of: (a) a requisition in the form attached hereto as Exhibit B, signed by an Authorized Borrower Representative; and (b) Eligible Funds in an amount at least equal to the amount of any such requisition for deposit in the Collateral Fund as provided in Section 4.02 hereof and in accordance with Section 4.06 of the Indenture. The Borrower hereby acknowledges and agrees that it shall submit requisitions to the Trustee no more frequently than once each calendar month. Each such requisition shall be consecutively numbered.
Any money in the Project Fund remaining after the Completion Date and payment, or provision for payment, in full of the Costs of the Project, at the written direction of the Authorized Borrower Representative, promptly shall be paid into the Bond Fund for payment of Bond Service Charges or released to the Borrower, provided the Borrower obtains an opinion of Bond Counsel addressed to the Trustee that such deposit or release will not adversely affect the Federal Tax Status of the Bonds.

Notwithstanding any provision of this Loan Agreement or any provision of the Indenture to the contrary, the Trustee shall not disburse funds from the Project Fund unless and until the Trustee confirms that Eligible Funds in the Collateral Fund plus Eligible Funds in the Project Fund, less the amount of the requested disbursement from the Project Fund, is at least equal to the then-outstanding principal amount of the Bonds.

Section 3.07 Duties and Obligations of the Borrower

Borrower accepts the duties and obligations under the Indenture.

Section 3.08 Borrower Required to Pay Costs in Event Project Fund Insufficient

If money in the Project Fund is not sufficient to pay all Costs of the Project, the Borrower, nonetheless, will complete the Project in accordance with the Plans and Specifications and shall pay all such additional Costs of the Project from its own funds and other available funds. The Borrower shall pay all Costs of Issuance of the Bonds in excess of the amounts deposited in the Costs of Issuance Fund. The Borrower shall not be entitled to any reimbursement for any such additional Costs of the Project or payment of Costs of Issuance from the Issuer, the Trustee or any Holder; nor shall it be entitled to any abatement, diminution or postponement of any Loan Payments or other amounts to be paid under this Loan Agreement.

Section 3.09 Completion Date

The Borrower shall notify the Issuer and the Trustee of the Completion Date by the delivery of a Completion Certificate signed by the Authorized Borrower Representative substantially in the form of Exhibit C attached hereto. The Completion Certificate shall be delivered as promptly as practicable after the occurrence of the events and conditions referred to in paragraphs (a) and (b) of the Completion Certificate.

Section 3.10 Remarking of Bonds

The Borrower is hereby granted the right to (a) give written notice of a remarketing of the Bonds in the manner and to the extent set forth in Section 3.07 of the Indenture and (ii) designate, in writing, the length of the Remarking Period and the related Mandatory Tender Date in the manner and to the extent set forth in Sections 3.05 and 3.07 of the Indenture.

Section 3.11 Investment of Fund Money

At the written request of the Authorized Borrower Representative, any money held as part of the Special Funds and the Rebate Fund shall be invested or reinvested by the Trustee in Eligible Investments as provided in the Indenture. The Issuer (to the extent within its control) and the Borrower each hereby covenants that it will restrict that investment and reinvestment and the use of the proceeds of the Bonds, and moneys on deposit in or credited to the Collateral Fund and the Negative Arbitrage Account of the Bond Fund, in such manner and to such extent, if any,
as may be necessary, after taking into account reasonable expectations at the time of delivery of and payment for the Bonds or subsequent intentional acts, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code. No provision of this Loan Agreement shall be construed to impose upon the Trustee any obligation or responsibility for compliance with arbitrage regulations.

The Borrower shall provide the Issuer with, and the Issuer may base its certifications as authorized by the Tax Compliance Agreement on, a certificate of an Authorized Borrower Representative for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the Borrower on the date of delivery of and payment for the Bonds regarding the amount and use of the proceeds of the Bonds and the facts, estimates and circumstances on which those expectations are based.

Section 3.12 Rebate Calculations and Payments

The Borrower shall appoint a Rebate Analyst, the expense of which shall be borne by the Borrower.

The Issuer has covenanted in the Indenture to take any and all actions necessary to assure compliance with Section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Bonds. In furtherance of this covenant, the Borrower, on behalf of the Issuer, hereby covenants (i) within sixty (60) days of the payment in full of the Bonds, to calculate, or cause to be calculated, and provide to the Trustee and the Issuer such calculations in writing, with such written directions as are necessary to fully comply with the arbitrage and rebate requirements set forth in the Indenture and comply fully with Section 148 of the Code, including the timely payment of any Rebatable Arbitrage owed; and (ii) to deposit into the Rebate Fund to pay to the federal government any "Rebatable Arbitrage," to the extent required by Section 148(f) of the Code. The Borrower further agrees to comply with the provisions and requirements of Section 4.09 of the Indenture relating to the obligation to pay to the Trustee, for deposit into the Rebate Fund established under the Indenture, the "Rebatable Arbitrage" as required thereunder and under Section 148 of the Code.

If the amount then on deposit in the Rebate Fund created under the Indenture is less than the Rebatable Arbitrage (taking into account the amount or amounts, if any, previously paid to the United States), the Borrower shall, within 30 days after the date of the aforesaid calculation, deposit or cause to be deposited to the credit of the Rebate Fund an amount sufficient to cause the Rebate Fund to contain an amount equal to the Rebatable Arbitrage. The obligation of the Borrower to make or cause to be made such payments shall remain in effect and be binding upon the Borrower, notwithstanding the release and discharge of the Indenture or the termination of this Loan Agreement, for so long as may be required to maintain the Federal Tax Status of the Bonds in accordance with applicable law. The Borrower shall obtain such records of the computations made pursuant to this Section as are required under Section 148(f) of the Code and shall retain such records for at least six (6) years after the maturity or retirement of the Bonds.

The Borrower further covenants that, during the term of the Bonds, in the event the Borrower sells or otherwise disposes of the Project, it will require that the transferee execute a covenant similar to that in this Section in the sale or other documents concerning the disposition and will require such transferee to include such a covenant in future transfer documents. The special covenants of the Borrower in this Section shall survive the defeasance or payment in full of the Bonds and the termination of this Loan Agreement and the Indenture, notwithstanding any
other provision of this Loan Agreement, until the requirement for payment of any Rebateable Arbitrage has been fully satisfied.

The obligations of the Borrower under this Section shall survive the termination of this Loan Agreement and the Indenture and the payment and performance of all of the other obligations of the Borrower hereunder and under the other Borrower Documents for so long as may be required to maintain the Federal Tax Status of the Bonds in accordance with applicable law, or until the Borrower has transferred the Project to an unrelated entity with the prior written consent of the Issuer, which transferee assumes the obligations of the Borrower pursuant to this Section.

ARTICLE IV
LOAN PAYMENTS; ELIGIBLE FUNDS AND ADDITIONAL PAYMENTS

Section 4.01 Loan Repayment; Delivery of Note. In consideration of and in repayment of the Loan, the Borrower shall deliver or cause to be delivered to the Trustee on or before each Bond Payment Date, a Loan Payment in an amount equal to the amount necessary to pay Bond Service Charges due on such Bond Payment Date. All such Loan Payments shall be paid to the Trustee in accordance with the terms of the Note for the account of the Issuer and shall be held and disbursed in accordance with the provisions of the Indenture and this Loan Agreement.

The Borrower shall be entitled to a credit against the Loan Payments required to be made with respect to the Bonds on any date equal to the available money in the Bond Fund or money transferred thereto from the Collateral Fund or the Project Fund for the payment of Bond Service Charges on that date.

To secure the Borrower’s performance of its obligations under this Loan Agreement, the Borrower shall execute and deliver, concurrently with the issuance and delivery of the Bonds, the Note and the Land Use Restriction Agreement.

The Note shall secure equally and ratably all Outstanding Bonds, except that, so long as no Event of Default has occurred and is continuing hereunder, payments by the Borrower on the Note shall be used by the Trustee to make a like payment of Bond Service Charges and shall constitute Loan Payments.

Upon payment in full, in accordance with the Indenture, of the Bond Service Charges on any or all Bonds, whether at maturity or otherwise, or upon provision for the payment thereof having been made in accordance with the provisions of the Indenture, (a) the Note shall be deemed fully paid, the obligations of the Borrower hereunder shall be terminated, and the Note shall be surrendered by the Trustee to the Borrower, and shall be canceled by the Borrower, or (b) an appropriate notation shall be endorsed thereon evidencing the date and amount of the principal payment (or prepayment) equal to the Bonds so paid, or with respect to which provision for payment has been made, and that Note shall be surrendered by the Trustee to the Borrower for cancellation if all Bonds shall have been paid (or provision made therefor) and canceled as aforesaid. Unless the Borrower is entitled to a credit under express terms of this Loan Agreement or the Note, all payments on the Note shall be in the full amount required thereunder.

Section 4.02 Eligible Funds

In consideration of and as a condition to the disbursement of Bond proceeds in the Project Fund to pay Project Costs, and to secure the Borrower’s obligation to make Loan Payments, the
Borrower shall provide written direction to a provider of Eligible Funds to deliver or cause to be delivered to the Trustee Eligible Funds, or shall otherwise cause to be delivered to the Trustee Eligible Funds from any other source, equal to the amount of the proposed disbursement. The Trustee shall not deposit such funds into the Collateral Fund unless it is prepared to disburse, on the same business day if such Eligible Funds are received prior to 10 AM, and otherwise within one Business Day, an equal amount of funds from the Project Fund. All such Eligible Funds shall be paid to the Trustee for the account of the Issuer and shall be held in the Collateral Fund and disbursed in accordance with the provisions of the Indenture. Upon deposit of such Eligible Funds into the Collateral Fund, the Trustee shall be unconditionally and irrevocably obligated to disburse an equal amount from the Project Fund to the party depositing the related Eligible Funds. As provided in the Indenture, these amounts will be advanced by such party to the Borrower for the purpose of financing either Costs of the Project or Bond Service Charges.

The Borrower hereby covenants and agrees to repay the Loan on or before any date that any payment of interest or principal is required to be made in respect of the Bonds pursuant to the Indenture, until the principal of and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture, in cash or cash equivalents, a sum which, together with any other moneys available for such payment in any account of the Bond Fund, will enable the Trustee to pay the amount payable on such date as principal of (whether at maturity or acceleration or otherwise) and interest on the Bonds as provided in the Indenture. Payments by the Trustee of principal and interest on the Bonds from amounts in the Bond Fund and funds deposited in the Collateral Fund under the Indenture shall be credited against the Borrower's obligation to pay principal and interest on the Loan.

The Borrower shall make or cause to be made all Loan Payments directly to the Trustee at its Designated Office. The Borrower shall direct the Lender to deposit Eligible Funds directly to the Trustee at its Designated Office. Additional Payments shall be made by the Borrower directly to the person or entity to whom or to which they are due.

It is understood and agreed that all payments of principal and interest payable by the Borrower under this Section 4.02 are assigned by the Issuer to the Trustee for the benefit of the Holders of the Bonds (excluding amounts on deposit in the Rebate Fund). The Borrower consents to such assignment.

In the event the Borrower fails to make any of the payments required in this Section 4.02, the item or installment so in default shall continue as an obligation of the Borrower until the amount in default shall have been fully paid, and the Borrower agrees to pay the same with interest thereon, to the extent permitted by law, from the date when such payment was due, at the rate of interest borne by the Bonds.

Section 4.03 Special Funds

The Borrower and the Issuer each acknowledge that neither the Borrower nor the Issuer has any interest in the Bond Fund or the Collateral Fund and any money deposited therein shall be in the custody of and held by the Trustee in trust for the benefit of the Holders.

Section 4.04 Additional Payments

The Borrower shall pay as Additional Payments hereunder the following:
(a) Whether out of the proceeds of the Mortgage Loan or other funds, all Costs of Issuance of the Bonds, and all expenses incurred in closing the Mortgage Loan.

(b) All Extension Payments and other sums required under Section 3.07 of the Indenture in order to revise or extend the Mandatory Tender Date or remarket the Bonds, and the Borrower further agrees to execute any and all certificates required by the Issuer, the Trustee or the Remarking Agent in order to effectuate such revision, extension or remarketing.

(c) To the Trustee, (i) the Ordinary Trustee Fees and Expenses to the extent that the funds available in the Expense Fund under the Indenture for the payment thereof are not sufficient and available therefor and (ii) the extraordinary Trustee fees and expenses.

(d) To the Issuer (i) the Ordinary Issuer Fees to the extent that the funds available under the Indenture for the payment thereof are not sufficient and available therefor and (ii) the Extraordinary Issuer’s Fees and Expenses.

(e) All costs of printing any replacement Bonds required to be issued under the Indenture to the extent such costs are not paid by the Holders.

(f) To the extent not paid by the Trustee from the Expense Fund, all of the fees and expenses of the Rebate Analyst (including, but not limited to, the Rebate Analyst Fee) and any other necessary consultant employed by the Borrower, the Trustee or the Issuer in connection with any of the requirements imposed by Section 4.09 of the Indenture and the Tax Compliance Agreement to the extent funds available under the Indenture are not sufficient and applied therefor. The Borrower shall provide or cause to be provided all information and money (including money necessary to make deposits to the Rebate Fund required by the Indenture and the Tax Compliance Agreement and the fees and expenses of the Rebate Analyst to the extent available money in the Bond Fund under the Indenture are inadequate to pay such amounts) to the Trustee and the Rebate Analyst to enable the Trustee and the Rebate Analyst to comply with the Indenture and the Tax Compliance Agreement.

(g) To the Dissemination Agent, the Dissemination Agent Fee, to the extent funds available in the Expense Fund under the Indenture are not sufficient and applied therefor, as well as any other costs and expenses in order to provide for compliance with the terms of the Continuing Disclosure Agreement.

(h) To the Remarking Agent, the Remarking Agent Fee and any Remarking Expenses.

In the event the Borrower is in default under any provision of any of the Borrower Documents and such default is not cured after expiration of all applicable notice and cure provisions, the Borrower shall be liable to, and upon demand shall pay to, the Issuer and the Trustee all reasonable fees and disbursements of such persons and their agents (including reasonable attorneys’ fees and expenses) which are reasonably connected therewith or incidental thereto except to the extent such fees and disbursements are paid from money available therefor under the Indenture.

To provide for certain of the anticipated Additional Payments, the Borrower agrees to cause to be deposited a portion of the Initial Borrower Deposit into the Expense Fund and the Costs of Issuance Fund as required under the Indenture, and authorizes the Trustee to pay, from money on deposit in the Costs of Issuance Fund and the Expense Fund, the amounts provided
to be paid from the Costs of Issuance Fund or the Expense Fund in accordance with Sections 4.05 and 4.08, respectively, of the Indenture. All such amounts shall be paid directly to the parties entitled thereto for their own account as and when such amounts become due and payable.

Upon the payment, prepayment, or incurrence of any such cost, expense, or liability described in this Section by any such party, the Additional Payments in respect thereof shall be payable upon written demand to the Borrower, which demand shall be accompanied by invoices or other appropriate documentation concerning the nature, amount and incurrence of such cost, expense or liability. If the Additional Payments payable under this Section are not paid upon such demand, such Additional Payments shall bear interest from the date of such payment or the incurrence thereof at the Interest Rate for Advances until the amount due shall have been fully paid.

Except as otherwise provided herein, the obligations of the Borrower under this Section shall survive the termination of this Loan Agreement and the Indenture and the payment and performance of all of the other obligations of the Borrower hereunder and under the other Borrower Documents, unless and until the Borrower has transferred the Project to an unaffiliated entity with the prior written consent of the Issuer, which transferee assumes the obligations of the Borrower pursuant to this Section.

Section 4.05 Obligations of the Borrower Unconditional. The obligations of the Borrower to make the payments required under this Loan Agreement, and to perform and observe the other agreements on its part contained herein shall be absolute and unconditional, irrespective of any defense or any right of notice, setoff, recoupment or counterclaim it might otherwise have against the Issuer, the Trustee or any other person. Subject to termination as provided herein, the Borrower (a) will not suspend or discontinue, or permit the suspension or discontinuance of, any payments provided for under this Loan Agreement, (b) will perform and observe all of its other agreements contained in this Loan Agreement and (c) will not terminate this Loan Agreement for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, or change in the tax or other laws or administrative rulings of or administrative actions by the United States of America or the State or any political subdivision of either, any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with this Loan Agreement, whether express or implied, or any failure of the Trustee to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with the Indenture, whether express or implied.

Section 4.06 Limited Obligation of Issuer. The obligations of the Issuer under this Loan Agreement are special, limited obligations of the Issuer, payable solely out of the Revenues. The obligations of the Issuer hereunder shall not be deemed to constitute an indebtedness or an obligation of the Issuer, the State of Illinois or any political subdivision thereof within the meaning of any constitutional limitation or statutory provision, or a charge against the credit or general taxing powers, if any, of any of them.

Section 4.07 Assignment of Issuer's Rights. As security for the payment of the Bonds, the Issuer will, pursuant to the Indenture, assign and pledge to the Trustee all of the Issuer's right, title and interest in and to this Loan Agreement and the Borrower Note, except that it will retain the Issuer Reserved Rights, but such retention by the Issuer will not limit in any way the exercise by the Trustee of its rights hereunder, under the Indenture, the Borrower Note and the Bonds. Notwithstanding anything herein to the contrary, the Issuer hereby directs the Borrower to make
all payments under this Loan Agreement (except with respect to the Issuer Reserved Rights) and the Borrower Note directly to the Trustee. The Borrower hereby acknowledges and consents to such pledge and assignment, and agrees to make payments directly to the Trustee (except with respect to the Issuer Reserved Rights), without defense or set-off, recoupment or counterclaim by reason of any dispute between the Borrower on the one hand, and the Trustee or the Issuer on the other hand, or otherwise. After any such assignment and pledge referenced in this Loan Agreement, the Indenture, the Bonds or the Borrower Note, all rights, interest and benefits accruing to the Issuer under this Loan Agreement or the Borrower Note, except for the Issuer Reserved Rights, shall be assigned to and become the rights and benefits of the Trustee. Any obligations of the Issuer as provided in the Indenture, this Loan Agreement, the Bonds or the Borrower Note shall remain the obligations of the Issuer to the extent provided herein and therein after such assignment. The Issuer agrees that the Trustee, in its name or in the name of the Issuer, may enforce all rights of the Issuer (other than the Issuer Reserved Rights) and all obligations of the Borrower under and pursuant to the assigned documents as aforesaid, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Trustee, in each case whether or not there has been a Default hereunder.

The Trustee will have all rights and remedies herein accorded to the Issuer (except for Issuer Reserved Rights).

ARTICLE V
SPECIAL COVENANTS

Section 5.01 Access to the Project. The Borrower agrees that the Issuer, the Trustee and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right to inspect the Project and the acquisition, rehabilitation and equipping thereof at all reasonable times. The Borrower acknowledges that the Issuer shall monitor the acquisition, rehabilitation and equipping of the Project. The Issuer, the Trustee and their duly authorized agents shall also be permitted, at all reasonable times, to examine the books, accounts, contracts, documents, and other papers of the Borrower with respect to the Project which shall all be maintained by the Borrower in reasonable condition and for audit.

Section 5.02 Further Assurances and Corrective Instruments. The Issuer and the Borrower agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for carrying out the expressed intention of this Loan Agreement.

Section 5.03 Issuer and Borrower Representatives. Whenever under the provisions of this Loan Agreement the approval of the Issuer or the Borrower is required or the Issuer or the Borrower is required to take some action at the request of the other, such approval or such request shall be given in writing both for the Issuer by an Authorized Issuer Representative and for the Borrower by an Authorized Borrower Representative. The Trustee shall be authorized to act on any such approval or request pursuant to the Indenture.

Section 5.04 Financing Statements. The Borrower shall, or shall cause to be executed and filed any and all financing statements, or any amendments thereto or continuation statements thereto, to perfect the security interests granted in the Indenture, in the manner prescribed in the Indenture. The Borrower shall pay all costs of filing such instruments and any fees and expenses (including reasonable attorney’s fees) associated therewith.
Section 5.05 Insurance. The Borrower shall obtain and keep in force such insurance coverage as may be required by the Issuer in its reasonable discretion from time to time. All insurance policies and renewals thereof relating to the Project shall be in a form acceptable to the Issuer in its reasonable discretion and shall designate the Issuer and the Trustee as additional insured for liability insurance on the Project. The Issuer shall be furnished with full copies of all policies within fifteen (15) calendar days of receipt thereof and shall have the right to receive duplicate copies of policies and renewals, and the Borrower shall promptly furnish the Issuer with copies of all renewal notices and all receipts for paid premiums within fifteen (15) calendar days of receipt thereof. The Borrower shall notify the Issuer at least 30 calendar days in advance of an endorsement or of any change in the terms of coverage adverse to the Issuer. In the event of loss, the Borrower shall give prompt notice to the insurance carrier and the Issuer.

With respect to any casualty insurance, it shall (a) be in an amount equal to the greater of the actual cash value or the replacement cost of the insurable then existing improvements and equipment in the Project and (b) be provided by an insurance company with a claims paying ability rating of not less than “B+V” by A.M. Best.

Section 5.06 Restriction on Plans and Specifications. The Borrower will not cause, permit or suffer to exist, any material deviations from the Plans and Specifications and will not approve or consent to any construction change directive which results in a material deviation from the Plans and Specifications without the prior approval of the Issuer, which approval shall not be unreasonably withheld, conditioned or delayed.

Section 5.07 Requisitions

(a) At such time as the Borrower shall desire to obtain an advance from the Project Fund, the Borrower shall complete, execute and deliver to the Trustee a Requisition. Each Requisition shall be signed on behalf of the Borrower, shall be in the form set forth on Exhibit B to this Loan Agreement, and shall state with respect to each disbursement to be made: (i) the number of the Requisition, (ii) the amount to be disbursed and the sources of such disbursement, (iii) that each obligation described therein is a Project Cost, has been properly incurred and has not been the basis for any previous disbursement and (iv) that the expenditure of such disbursement when added to all previous disbursements will result in not less than 95% of all disbursements from proceeds of the Bonds having been used to pay or reimburse the Borrower for Qualified Project Costs. The Borrower shall submit the Requisition to the Trustee for payment. Approved Requisitions may be submitted to the Trustee by Electronic Means and shall not include accompanying supporting materials. In making such payment, the Trustee may rely upon such requisitions and shall not be required to make any investigation in connection therewith.

(b) The amounts deposited into the Project Fund may be disbursed by the Trustee only in accordance with Section 4.04 of the Indenture, including delivery of a written Requisition of the Borrower satisfying the requirements of this Section 5.07 and Section 5.02 of the Indenture.

Section 5.08 Borrower Receipt of insurance or Condemnation Proceeds. In the event the Borrower receives any proceeds of insurance or any condemnation awards with respect to the Project from a party other than the Trustee, the Borrower shall promptly upon receipt remit all such insurance proceeds or condemnation awards to the Lender to be used in accordance with the Mortgage Loan Documents.
Section 5.09 Financial Information. The Borrower agrees that it will have the books and records of the Borrower audited annually by an independent certified public accountant as soon as practicable after the close of each fiscal year of the Borrower, and will furnish within 120 days after the end of each fiscal year to the Issuer and the Trustee a copy of the audit report certified by such certified public accountant and prepared in accordance with generally accepted accounting principles, which report shall include calculations of the availability of funds for distributions and disclose the amount of member distributions for the preceding year. The Borrower and the Issuer acknowledge that the Trustee shall have no obligations under this Section 5.09 other than to receive such statements and, if requested, to furnish such statements to Holders. The Trustee shall not have any obligation to review such statement provided to it, nor shall the Trustee be deemed to have notice of any item contained therein or Event of Default or Default which may be disclosed therein in any manner. The Trustee shall not have duty to request copies of any such statements which are required to be furnished to it hereunder.

Section 5.10 Environmental Requirements; Indemnity

(a) As between the Issuer and the Borrower, the Issuer and the Borrower agree and understand that the terms and provisions of an environmental indemnification agreement between the parties, if any, shall govern all indemnifications from the Borrower to the Issuer with respect to environmental matters affecting the Project. The terms and provisions of such environmental indemnification agreement are incorporated herein by this reference, mutatis mutandis, as if fully set forth herein with respect to such relationship. As such, the balance of the provisions of this Section govern only the relationship between the Borrower and the Issuer with respect to indemnifications from the Borrower to the Issuer with regard to environmental matters affecting the Project.

(b) For purposes of this Section 5.10, the term “Hazardous Substance” means and includes any substance, material or waste, including asbestos, petroleum and petroleum products (including crude oil), that is or becomes designated, classified or regulated as “toxic,” “hazardous” or a “pollutant,” or that is or becomes similarly designated, classified or regulated, under any applicable federal, state or local law, regulation or ordinance, but does not include any such substance that is a customary and ordinary household, cleaning or office product used on the Premises (as defined below) by Borrower or any tenant or agent of Borrower, or customary construction materials used during the course of rehabilitation of the Project by the Borrower and its general contractor, provided such use is in accordance with applicable hazardous materials laws.

(c) Before signing this Loan Agreement, the Borrower researched and inquired into the previous uses and owners of the premises on which the Project is located (the “Premises”) and obtained a Phase I environmental site assessment, a Phase II site assessment and other reports with respect to the environmental conditions of the Premises, copies of which have been delivered to the Issuer. Based on that due diligence, the Borrower represents and warrants to the Issuer that, except as the Borrower has disclosed to the Issuer in writing and as described in the Phase I environmental site assessment and Phase II site assessment, to the best of the Borrower’s knowledge, (i) no Hazardous Substance has been disposed of, or released to or from, or otherwise now exists in, on, under or around, the Premises, and (ii) no aboveground or underground storage tanks are now or have ever been located on or under the Premises.

(d) The Borrower has complied, and will comply and cause all tenants and any other persons who may come upon the Premises to comply in all material respects with all federal, state and local laws, regulations and ordinances governing or applicable to Hazardous
Substances, including those requiring disclosures to prospective and actual buyers or tenants of all or any portion of the Premises. The Borrower will not install or allow to be installed any aboveground or underground storage tanks on the Premises. The Borrower must comply with the recommendations of any qualified environmental engineer or other expert engaged by the Borrower with respect to the Premises. The Borrower must promptly notify the Issuer in writing (1) if it knows, suspects or believes there may be any Hazardous Substance in or around any part of the Premises, any improvements constructed on the Premises, or the soil, groundwater or soil vapor on or under the Premises, or that the Borrower or the Premises may be subject to any threatened or pending investigation by any governmental agency under any law, regulation or ordinance pertaining to any Hazardous Substance, and (ii) of any claim made or threatened by any person, other than a governmental agency, against the Borrower arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, any improvements constructed on the Premises or the soil, groundwater or soil vapor on or under the Premises (any of the matters described in clauses (i) and (ii) above a “Hazardous Substances Claim”).

(c) The Issuer, the Trustee and their respective officers, employees, directors, agents, assignees, and any purchasers of the Premises at any foreclosure sale (each individually, an “Indemnified Party,” and all collectively, the “Indemnified Parties”), have the right at any reasonable time and upon notice to the Borrower to enter and visit the Premises for the purposes of observing the Premises, taking and removing soil or groundwater samples and conducting tests on any part of the Premises. The Indemnified Parties have no duty, however, to visit or observe the Premises or to conduct tests, and no site visit, observation or testing by any Indemnified Party imposes any liability on any Indemnified Party. In no event will any site visit, observation or testing by any Indemnified Party be a representation that Hazardous Substances are or are not present in, on or under the Premises, or that there has been or will be compliance with any law, regulation or ordinance pertaining to Hazardous Substances or any other applicable governmental law. Neither the Borrower nor any other party is entitled to rely on any site visit, observation or testing by any Indemnified Party. The Borrower waives to the fullest extent permitted by law any such duty of care on the part of the Indemnified Parties or any other party to protect the Borrower or inform the Borrower or any other party of any Hazardous Substances or any other adverse condition affecting the Premises. Any Indemnified Party will give the Borrower reasonable notice before entering the Premises. The Indemnified Party will make reasonable efforts to avoid interfering with the Borrower’s and its tenants’ use of the Premises in exercising any rights provided in this Section. The Borrower must pay all costs and expenses incurred by an Indemnified Party in connection with any inspection or testing conducted in accordance with this subsection. The results of all investigations conducted and/or reports prepared by or for any Indemnified Party must at all times remain the property of the Indemnified Party, and under no circumstances will any Indemnified Party have any obligation whatsoever to disclose or otherwise make available to the Borrower or any other party the results or any other information obtained by any of them in connection with the investigations and reports. Notwithstanding the foregoing, the Indemnified Parties hereby reserve the right, and the Borrower hereby expressly authorizes any Indemnified Party, to make available to any party (including any governmental agency or authority and any prospective bidder at any foreclosure sale of the Premises) any and all reports, whether prepared by any Indemnified Party or prepared by the Borrower and provided to any Indemnified Party (collectively, “Environmental Reports”) that any Indemnified Party may have with respect to the Premises. The Borrower consents to the Indemnified Parties’ notifying any party (either as part of a notice of sale or otherwise) of the availability of any or all of the Environmental Reports and the information contained therein. The Borrower acknowledges that the Indemnified Parties cannot control or otherwise assure the truthfulness or accuracy of the Environmental Reports and that the release of the Environmental Reports, or any information
contained therein, to prospective bidders at any foreclosure sale of the Premises may have a material and adverse effect upon the amount that a party may bid at such sale. The Borrower agrees that the Indemnified Parties have no liability whatsoever as a result of delivering any or all of the Environmental Reports or any information contained therein to any third party, and the Borrower hereby releases and forever discharges the Indemnified Parties from any and all claims, damages, or causes of action, arising out of, connected with or incidental to the Environmental Reports or the delivery thereof, unless resulting from the gross negligence or willful misconduct of the Indemnified Parties.

(f) The Borrower must promptly undertake any and all remedial work ("Remedial Work") in response to Hazardous Substances Claims to the extent required by governmental agency or agencies involved or as recommended by prudent business practices, if such standard requires a higher degree of remediation, and in all events to minimize any impairment to the Issuer’s security under the Borrower Documents. All Remedial Work must be conducted (i) in a diligent and timely fashion by licensed contractors acting under the supervision of a consulting environmental engineer, (ii) pursuant to a detailed written plan for the Remedial Work approved by all applicable public or private agencies or persons with a legal or contractual right to such approval, (iii) with insurance coverage pertaining to liabilities arising out of the Remedial Work as is then customarily maintained with respect to such activities, and (iv) only following receipt of any required permits, licenses or approvals. The selection of the Remedial Work contractors and consulting environmental engineer, the contracts entered into with such parties, any disclosures to or agreements with any public or private agencies or parties relating to Remedial Work and the written plan for the Remedial Work (and any changes thereto) at the Issuer’s option, is subject to the Issuer’s prior written approval, which may not be unreasonably withheld, conditioned or delayed.

(g) The obligations and rights of the parties under this Section 5.10 continue in full force and effect until the first to occur of full, final and indefeasible repayment of the Liabilities or the transfer of title to all or any part of the Premises at a foreclosure sale or by deed in lieu of such foreclosure (any such foregoing transfer being referred to as a “Foreclosure Transfer”). The parties’ obligations and rights under this Section 5.10 continue in full force and effect after the full and final payment of the Liabilities or a Foreclosure Transfer, as the case may be, but (i) in the case of a full and final payment of the Liabilities, the Borrower’s obligations under this Section 5.10 are thereafter limited to the indemnification obligations of subsections (i) and (j) below as to Indemnified Costs (as defined below) arising out of or as a result of events prior to the full and final payment of the Liabilities, and (ii) in the case of a Foreclosure Transfer, the obligations do not include the obligation to reimburse any Indemnified Party for diminution in value of the Premises resulting from the presence of Hazardous Substances on the Premises before the date of the Foreclosure Transfer if, and to the extent that, the Indemnified Party recovers on a deficiency judgment including compensation for such diminution in value; provided, however, that nothing in this sentence impairs or limits an Indemnified Party’s right to obtain a judgment in accordance with applicable law for any deficiency in recovery of all obligations, subject to the provisions of Section 9.03 hereof. As used in this Section 5.10, the term “Indemnified Costs” means all actual or threatened liabilities, claims, actions, causes of action, judgments, orders, damages (including foreseeable and unforeseeable consequential damages), costs, expenses, fines, penalties and losses incurred in connection with Hazardous Substances on the Property (including sums paid in settlement of claims and all consultant, expert and reasonable legal fees and expenses of the Issuer’s counsel), including those incurred in connection with any investigation of site conditions or any clean-up, remedial, removal or restoration work (whether of the Premises or any other property), or any resulting damages, harm or injuries to the person or property of any third parties or to any natural resources.
(h) Except for those arising from the gross negligence or willful misconduct of the Indemnified Parties, the Borrower shall indemnify, defend and hold the Indemnified Parties harmless for, from and against any and all Indemnified Costs directly or indirectly arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, or in the soil, groundwater or soil vapor on or under the Premises, including: (i) any claim for such Indemnified Costs asserted against any Indemnified Party by any federal, state or local governmental agency, including the United States Environmental Protection Agency and the Illinois Environmental Protection Agency, and including any claim that any Indemnified Party is liable for any such Indemnified Costs as an "owner" or "operator" of the Premises under any law relating to Hazardous Substances; (ii) any claim for such Indemnified Costs asserted against any Indemnified Party by any person other than a governmental agency, including (1) any person who may purchase or lease all or any portion of the Premises from the Borrower, from any Indemnified Party or from any other purchaser or lessee, (2) any person who may at any time have any interest in all or any portion of the Premises, (3) any person who may at any time be responsible for any clean-up costs or other Indemnified Costs relating to the Premises, and (4) any person claiming to have been injured in any way as a result of exposure to any Hazardous Substance; (iii) any Indemnified Costs incurred by any Indemnified Party in the exercise by the Indemnified Party of its rights and remedies under this Section 5.10; and (iv) any Indemnified Costs incurred by any Indemnified Party as a result of currently existing conditions in, on or around the Premises, whether known or unknown by the Borrower or the Indemnified Parties at the time this Loan Agreement is executed, or attributable to the acts or omissions of the Borrower, any of the Borrower's tenants, or any other person in, on or around the Premises with the consent or under the direction of the Borrower.

(i) Upon demand by any Indemnified Party, the Borrower must defend any investigation, action or proceeding involving any Indemnified Costs that is brought or commenced against any Indemnified Party, whether alone or together with the Borrower or any other person, all at the Borrower's own cost and by counsel reasonably approved by the Indemnified Party. In the alternative, any Indemnified Party may elect to conduct its own defense at the Borrower's expense.

(j) In addition to any other rights or remedies the Issuer may have under this Loan Agreement, at law or in equity, upon the occurrence of an Event of Default under this Loan Agreement not cured within the applicable cure period, the Issuer may do or cause to be done whatever is necessary to cause the Premises to comply with any and all laws, regulations and ordinances governing or applicable to Hazardous Substances, and any other applicable law, rule, regulation, order or agreement, and the cost thereof will become immediately due and payable upon demand by the Issuer, and if not paid when due will accrue interest at the default rate set forth in the Bonds, until paid. The Borrower hereby acknowledges and agrees that any amounts realized by the Issuer by reason of the following may be applied to pay the Liabilities prior to being applied to pay the Borrower's obligations to reimburse the Issuer for costs and expenses, including those incurred by the Issuer in enforcing its rights and remedies under the provisions of this Section 5.10: (i) any payments made pursuant to the Bonds or any of the Borrower Documents (other than payments made to the Issuer for reimbursement of costs and expenses or for enforcement of its rights and remedies, under the provisions of this Section 5.10); (ii) any foreclosure of documents evidencing or securing the Liabilities (including any amounts realized by reason of any credit bid in connection with any such foreclosure); (iii) any conveyance in lieu of foreclosure; (iv) any other realization upon any security for the Liabilities; (v) any recoveries against the Borrower personally (except for recoveries against the Borrower for reimbursement of costs and expenses or enforcement of the Issuer's rights and remedies under this Section
5.10; and (vi) any recoveries against any person or entity other than the Borrower (including any guarantor) to the maximum extent permitted by applicable law.

ARTICLE VI
RESTRICTION ON TRANSFER

Section 6.01 Borrower to Maintain its Existence; Sale of Project

(a) The Borrower shall maintain its existence, not dissolve or sell, transfer or otherwise dispose of all or substantially all of its assets and not consolidate with or merge into another entity or permit one or more other entities to consolidate with or merge into it; provided, that it may do so if the surviving, resulting or transferee entity assumes in writing all of the obligations of the Borrower under the Borrower Documents. The Borrower shall not permit one or more other entities to consolidate with or merge into it, or take any action or allow any action to be taken to terminate the existence of the Borrower except as provided herein.

(b) No sale, assignment or transfer of the Project shall be made unless (a) the issuer consents to such assignment or transfer, (b) the transferee or assignee, as the case may be, assumes all the duties of the Borrower under the Borrower Documents, provided that such assumption may contain an exculpation of the assignee from personal liability, with respect to any obligation hereunder arising prior to such sale, assignment or transfer, and (c) no Event of Default as certified in writing to the Trustee by the Borrower shall have occurred and be continuing under the Indenture or this Loan Agreement. The Trustee shall consent to any such assignment or transfer if (i) the Borrower provides a written certification to the Trustee that the aforesaid conditions have been satisfied, (ii) the Trustee receives an Opinion of Co-Bond Counsel addressed to the Trustee to the effect that such transfer or assignment would not adversely affect the Federal Tax Status of the Bonds, and (iii) the Trustee receives written confirmation from the Rating Agency that such transfer or assignment will not result in a withdrawal or reduction in any rating on the Outstanding Bonds by the Rating Agency (if the Bonds are then rated by the Rating Agency). Upon the assumption of the duties of the Borrower by a purchaser, assignee or transferee as provided herein, the outgoing Borrower shall be released from all executory obligations so assumed; provided, however, the Borrower shall not be released from its obligation (x) to pay or reimburse the fees and expenses of the Issuer and the Trustee incurred prior to such sale, assignment or transfer and (y) to indemnify the Trustee and the Issuer with respect to any obligation, event or action incurred or arising prior to such sale, assignment or transfer. Nothing contained in this Section shall be construed to supersede any provisions regarding assignment and transfer of the Project contained in the Mortgage Loan Documents.

(c) Notwithstanding anything to the contrary contained herein or in any other Borrower Document, the following shall be permitted and shall not require the prior written approval of the Issuer or the Trustee: (a) the transfer by the Investor Limited Partner of its respective interests in the Borrower in accordance with the terms of the Borrower’s Organizational Documents, (b) the removal of the General Partner of the Borrower in accordance with the Organizational Documents or Construction Loan Documents, as applicable, and the replacement thereof with an affiliate of Investor Limited Partner or Construction Lender, (c) the transfer of ownership interests in the Investor Limited Partner, (d) upon the expiration of the tax credit compliance period, the transfer of the interests of the Investor Limited Partner in the Borrower to the Borrower’s General Partner or any of its respective affiliates or assigns, and (e) any amendment to the Organizational Documents, or Construction Loan Documents, as applicable, to memorialize the transfers or removal described above. The parties agree that this section shall control to the extent of any conflict in any Borrower Documents. In the event the Borrower intends
to sell, lease (except to the tenants who will occupy units in the Project), sublease or otherwise materially encumber the whole of or any part of the Project or sell, assign or otherwise, except as otherwise provided herein, transfer any interest in the Borrower (a "transfer"), it shall (i) apply to the Issuer for consent to transfer, and (ii) comply with the provisions of the Land Use Restriction Agreement restricting any such transfer.

ARTICLE VII
INDEMNIFICATION

Section 7.01 Indemnification of Issuer and Trustee

(a) Except as otherwise provided below and subject to Sections 8.07 and 8.04 hereof, the Issuer and the Trustee, and each of their officers, agents, independent contractors, employees, successors and assigns, and, in the case of the Issuer, its elected and appointed officials, past, present or future (hereinafter the "Indemnified Persons"), shall not be liable to the Borrower for any reason. The Borrower shall defend, indemnify and hold the Indemnified Persons harmless from any loss, claim, damage, tax, fine, penalty or expense (including, but not limited to, reasonable counsel fees, costs, expenses and disbursements), or liability (other than with respect to payment of the principal of or interest on the Promissory Note) of any nature due to any and all suits, actions, legal or administrative proceedings, expenses or claims arising or resulting from, or in any way connected with: (i) the financing, installation, operation, use or maintenance of the Project; (ii) any act, failure to act, or misrepresentation by the Borrower or any member of the Borrower, or any Person acting on behalf of, or at the direction of, the Borrower or any member of the Borrower, in connection with the issuance, sale or delivery of the Bonds; (iii) any false or misleading representation made by the Borrower in the Borrower Documents; (iv) the breach by the Borrower of any covenant contained in the Borrower Documents, or the failure of the Borrower to fulfill any such covenant which are not cured within all applicable notice and cure periods; (v) enforcing any obligation or liability of the Borrower under this Loan Agreement, the Promissory Note, or the other Borrower Documents, or any related agreement; (vi) taking any action requested by the Borrower; (vii) taking any action reasonably required by the Borrower Documents; or (viii) taking any action considered necessary by either the Issuer or the Trustee, and which is authorized by the Borrower Documents. If any suit, action or proceeding is brought against any Indemnified Person, the interests of the Indemnified Person in that suit, action or proceeding shall be defended by counsel to the Indemnified Person or the Borrower, as the Indemnified Person shall determine. If such defense is by counsel to the Indemnified Person, the Borrower shall indemnify and hold harmless the Indemnified Person for the cost of that defense, including reasonable counsel fees, disbursements, costs and expenses. If the Indemnified Persons affected by such suit determine that the Borrower shall defend the Indemnified Persons, the Borrower shall immediately assume the defense at its own cost. Neither the Indemnified Persons nor the Borrower shall be liable for any settlement of any proceeding made without each of their consent. In no event shall the Borrower be liable to an Indemnified Person for the Indemnified Person's own willful misconduct or gross negligence.

(b) Any provision of this Loan Agreement or any other instrument or document executed and delivered in connection therewith to the contrary notwithstanding, the Issuer retains the right to enforce: (i) any applicable federal or state law or regulation or resolution of the Issuer related to the Project, and (ii) any rights accorded the Issuer by federal or state law or regulation or resolution of the Issuer, and nothing in this Loan Agreement shall be construed as an express or implied waiver thereof.
(c) If the Indemnified Persons are requested by the Borrower to take any action under this Loan Agreement or any other instrument executed in connection herewith for the benefit of the Borrower, they will do so if and only if: (i) the Indemnified Persons are a necessary party to any such action; (ii) the Indemnified Persons have received specific written direction from the Borrower, as required hereunder or under any other instrument executed in connection herewith, as to the action to be taken by the Indemnified Persons; and (iii) a written agreement of indemnification and payment of costs, liabilities and expenses satisfactory to the Indemnified Persons has been executed by the Borrower prior to the taking of any such action by the Indemnified Persons.

(d) The obligations of the Borrower under this Section 7.01 shall survive any assignment or termination of this Loan Agreement and, as to the Trustee, any resignation or removal of the Trustee.

(e) Indemnification of the Issuer by the Borrower with respect to environmental matters shall be governed exclusively by the terms and provisions of any environmental indemnification agreement.

ARTICLE VIII
DEFAULTS AND REMEDIES

Section 8.01 Defaults Defined. The following shall be "Defaults" under this Loan Agreement and the term "Default" shall mean, whenever it is used in this Loan Agreement, any one or more of the following events:

(a) The Borrower shall fail to pay any Loan Payment on or prior to the date on which that Loan Payment is due and payable to the extent amounts on deposit in the Bond Fund, including amounts transferred from the Collateral Fund and the Project Fund are insufficient to pay the Bond Service Charges due on the next Bond Payment Date;

(b) The Borrower shall fail to observe and perform any other agreement, term or condition contained in this Agreement and the continuation of such failure for a period of 30 days after written notice thereof shall have been given to the Borrower and Lender by the Issuer or the Trustee, or for such longer period as the Issuer and the Trustee may agree to in writing; provided, that if the failure is other than the payment of money and is of such nature that it can be corrected but not within the applicable period, that failure shall not constitute an Event of Default so long as the Borrower institutes curative action within the applicable period and diligently pursues that action to completion, which must be resolved within 180 days after the aforementioned notice;

(c) The Borrower shall: (i) admit in writing its inability to pay its debts generally as they become due; (ii) have an order for relief entered in any case commenced by or against it under the federal bankruptcy laws, as now or hereafter in effect, which is not dismissed within 90 days; (iii) commence a proceeding under any other federal or state bankruptcy, insolvency, reorganization or similar law, or have such a proceeding commenced against it and either have an order of insolvency or reorganization entered against it or have the proceeding remain undismissed and unstayed for ninety days; (iv) make an assignment for the benefit of creditors; or (v) have a receiver or trustee appointed for it or for the whole or any substantial part of its property which appointment is not vacated within a period of 90 days;
(d) Any representation or warranty made by the Borrower herein or any statement in any report, certificate, financial statement or other instrument furnished in connection with this Loan Agreement or with the purchase of the Bonds shall at any time prove to have been false or misleading in any adverse material respect when made or given;

(e) There shall occur an "Event of Default" as defined in the Indenture; and

(f) There shall occur an "Event of Default" as defined in the Land Use Restriction Agreement by the Borrower under the Land Use Restriction Agreement that is continuing after any applicable notice and cure period.

Notwithstanding the foregoing, if, by reason of Force Majeure, the Borrower is unable to perform or observe any agreement, term or condition hereof which would give rise to a Default under subsection (b) hereof, the Borrower shall not be deemed in default during the continuance of such inability. However, the Borrower shall promptly give written notice to the Trustee and the Issuer of the existence of an event of Force Majeure and shall use commercially reasonable efforts to remove the effects thereof; provided that the settlement of strikes or other industrial disturbances shall be entirely within its discretion.

Any term of this Loan Agreement, the Indenture or of any related document to the contrary notwithstanding, and notwithstanding an agreement of indemnity, the Trustee shall have no responsibility, obligation or duty to enter upon, or otherwise take possession or control of, the Project or the Premises, or take any other action which could constitute taking possession or control of the Project or the Premises (i) if it will require the approval of a governmental regulator that cannot be obtained, (ii) until the Trustee shall be indemnified to its sole satisfaction and (iii) until the Trustee shall be satisfied, in its sole discretion and determination, that neither it nor the trusts created under the Indenture shall incur, by reason of such action, any personal liability under any federal or State law for hazardous wastes, hazardous materials or other environmental liabilities or any other liability.

The term "Force Majeure" shall mean, without limitation, the following:

(i) acts of God; strikes, lockouts or other industrial disturbances; acts of terrorism or of public enemies; orders or restraints of any kind of the government of the United States of America or of the State or any of their departments, agencies, or officials, or any civil or military authority; insurrections; civil disturbances; riots; landslides; earthquakes; fires; hurricanes; tornadoes; storms; droughts; floods; arrests; restraint of government and people; explosions; breakage, malfunction or accident to facilities, machinery, transmission pipes or canals; partial or entire failure of utilities; shortages of labor, materials, supplies or transportation; or

(ii) any cause, circumstance or event not reasonably within the control of the Borrower. The Borrower agrees, however, to use its best efforts to remedy with all reasonable dispatch the cause or causes preventing the Borrower from carrying out its agreement.

The declaration of a Default under subsection (c) above, and the exercise of remedies upon any such declaration, shall be subject to any applicable limitations of federal bankruptcy law affecting or precluding that declaration or exercise during the pendency of or immediately following any bankruptcy, liquidation or reorganization proceedings.
Section 8.02 Remedies on Default. Whenever any Default referred to in Section 8.01 hereof shall have happened and be continuing beyond the expiration of any applicable cure period, the Trustee, or the Issuer (in the event the Trustee does not act), may take one or any combination of the following remedial steps:

(a) If the Trustee has declared the Bonds immediately due and payable pursuant to Section 8.02 of the Indenture, by written notice to the Borrower, declare an amount equal to all amounts then due and payable on the Bonds, whether by acceleration of maturity (as provided in the Indenture) or otherwise, to be immediately due and payable, whereupon the same shall become immediately due and payable; and

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement, the Borrower Note, the Land Use Restriction Agreement or any other Borrower Document in the event of default thereunder.

Notwithstanding the foregoing, neither the Issuer nor the Trustee shall be obligated to take any step which in its opinion will or might cause it to expend time or money or otherwise incur liability unless and until indemnity satisfactory to it has been furnished to the Issuer or the Trustee, as applicable, at no cost or expense to the Issuer or the Trustee. Any amounts collected as Loan Payments or applicable to Loan Payments and any other amounts which would be applicable to payment of Bond Service Charges collected pursuant to action taken under this Section shall be paid into the Bond Fund and applied in accordance with the provisions of the Indenture or, if the Outstanding Bonds have been paid and discharged in accordance with the provisions of the Indenture, shall be paid as provided in Section 4.14 of the Indenture for transfers of remaining amounts in the Bond Fund.

The provisions of this Section are subject to the further limitation that the rescission by the Trustee of its declaration that all of the Bonds are immediately due and payable also shall constitute an annulment of any corresponding declaration made pursuant to paragraph (a) of this Section and a waiver and rescission of the consequences of that declaration and of the Event of Default with respect to which that declaration has been made, provided that no such waiver or rescission shall extend to or affect any subsequent or other default or impair any right consequent thereon.

Section 8.03 No Remedy Exclusive. Subject to Section 6.08 of the Indenture, no remedy herein conferred upon or reserved to the Issuer or the Bond Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power nor shall it be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be required in this Article. Such rights and remedies as are given the Issuer hereunder shall also extend to the Trustee, and the Trustee and the Holders, subject to the provisions of the Indenture, including, but not limited to the Reserved Rights of the Issuer, shall be entitled to the benefit of all covenants and agreements herein contained.
Section 8.04 Agreement to Pay Attorneys' Fees and Expenses. In the event the Borrower should Default under any of the provisions of this Loan Agreement or under the Borrower Note and the Issuer and/or Trustee should employ attorneys or incur other expenses for the collection of payments required hereunder or under the Borrower Note, or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein or in the Borrower Note, the Borrower agrees that it will on demand therefor pay to the Issuer and the Trustee, as the case may be, the reasonable fees and expenses of such attorneys (including, without limitation, those incurred to enforce this provision) and such other expenses so incurred by the Issuer and/or the Trustee. This Section 8.04 will continue in full force and effect notwithstanding the full payment of the obligations under the Loan Agreement or the termination of this Loan Agreement for any reason.

Section 8.05 No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Loan Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 8.06 Right to Cure. Notwithstanding anything to the contrary herein or otherwise in the Borrower Documents, if the Borrower shall, for whatever reason, at any time fail to pay any amount or perform any act which it is obligated to pay or perform under any of the Borrower Documents and, as a result, a default or event of default occurs or may occur thereunder, the Investor Limited Partner, or the Construction Lender, shall have the right to perform such act or pay such amount on behalf of the Borrower and thereby cure or prevent such default or event of default, provided such default or event of default is cured within any applicable cure period or grace period provided to the Borrower herein or otherwise in the Borrower Documents.

Section 8.07 Default by Issuer; Limited Liability. Notwithstanding any provision or obligation to the contrary herein set forth, no provision of this Loan Agreement shall be construed so as to give rise to a pecuniary liability of the Issuer or a charge upon the general credit of the Issuer. The liability of the Issuer hereunder shall be limited to its interest in this Loan Agreement, the Borrower Note, and any other Borrower Documents, and the lien of any judgment shall be restricted thereto. In the performance of the agreements of the Issuer herein contained, any obligation it may incur for the payment of money shall not be a debt of the Issuer, and the Issuer shall not be liable on any obligation so incurred. The Issuer does not assume general liability for the repayment of the Bonds or for the costs, fees, penalties, taxes, interest, commissions, charges, insurance or any other payments recited herein, and the Issuer shall be obligated to pay the same only out of Revenues. The Issuer shall not be required to do any act whatsoever, or exercise any diligence whatsoever, to mitigate the damages to the Owner if a Default shall occur hereunder.

ARTICLE IX
MISCELLANEOUS

Section 9.01 Term of Agreement. This Loan Agreement shall remain in full force and effect from the date hereof until such time as all of the Bonds and all amounts payable hereunder and under the Indenture shall have been fully paid or provision made for such payments, whichever is later, provided, that the provisions of Sections 5.10, 7.01 and Article VII hereof shall survive termination of this Loan Agreement.
Section 9.02 Notices; Publication of Notice

(a) All notices, advice, certifications or other communications hereunder between the Issuer and the Borrower shall be sufficiently given and shall be deemed given when delivered by hand or overnight courier, or mailed by certified or registered mail, postage prepaid, return receipt requested, or transmitted by electronic means (including, without limitation, facsimile transmission) addressed to the appropriate Notice Address. The Issuer or the Borrower may, by notice given hereunder, designate any further or different addresses to which subsequent notices, advice, certifications or other communications shall be sent. Notices to persons other than the Issuer or the Borrower (such as, for example, notices to owners of Bonds) shall be governed by the other applicable provisions of the Indenture.

(b) Whenever the Issuer or the Borrower is required or permitted to give or publish notice of any event or occurrence under this Loan Agreement, such notice shall be given or published in such manner and by such means as the Issuer or the Borrower, as the case may be, shall determine to be appropriate. Such publication may be by (but is not limited to) any of the following means: (i) publication in one or more newspapers or trade journals selected by the Issuer or the Borrower, as the case may be; (ii) publication by or through one or more financial information reporting services; (iii) delivery to one or more “nationally recognized municipal securities information repositories” (as such terms is defined in Securities and Exchange Commission Rule 15c2-12) or any successor repository or entity fulfilling a substantially similar or like role; or (iv) by mailing a copy of such notice by first class mail, postage prepaid, to the person entitled to receive the notice at such person’s address as shown on the records of the Issuer or the Borrower.

Section 9.03 Nonrecourse Liability of Borrower

Except as provided herein, the monetary obligations of the Borrower contained in this Loan Agreement (except for fees, payments and indemnification under Sections 3.12, 4.04, 7.01 and 8.04 hereof) shall be limited obligations payable solely from the income and assets of the Project and neither the Borrower nor any partner, manager, member, director, officer or employee of the Borrower shall have any personal liability for the satisfaction of any obligation of the Borrower or claim against the Borrower, arising out of this Loan Agreement. Notwithstanding anything contained in this Loan Agreement to the contrary, neither the Issuer nor the Trustee may assert any claim arising hereunder against the Borrower’s interest in the Project, or in the rents or other income of the Project for the payment of any charge or obligation due hereunder.

The limit on the Borrower’s “liability set forth in this Section shall not, however, be construed, and is not intended to in any way, to constitute a release, in whole or in part, of the indebtedness evidenced by this Loan Agreement or a release, in whole or in part, of an impairment of the security interest, or in case of any default or enforcing any other right of the Issuer under this Loan Agreement or to alter, limit or affect the liability of any person or party who may now or hereafter be bound by the互通 guarantee, or pledge, grant or assign its assets or collateral as security for, the obligations of the Borrower under this Loan Agreement.

The provisions of this Section shall survive the termination of this Loan Agreement

Section 9.04 No Pecuniary Liability of Issuer

No agreements or provisions contained in this Loan Agreement or any agreement, covenant or undertaking by the Issuer contained in any document executed by the Issuer in connection with the Project or any property of the Borrower financed, directly or indirectly, out of proceeds of the Bonds or the issuance, sale and delivery of the Bonds will give rise to any pecuniary liability of the Issuer (including tax and rebate
liability) or its past, present or future officers, directors, employees, commissioners, agents or members of its governing body and their successors and assigns or constitute a charge against the Issuer's general credit, or obligate the Issuer financially in any way, except with respect to the Trust Estate. No failure of the Issuer to comply with any terms, covenants or agreements in this Loan Agreement or in any document executed by the Issuer in connection with the Bonds will subject the Issuer or its past, present or future officers, directors, employees, commissioners, agents and members of its governing body and their successors and assigns to any pecuniary charge or liability except to the extent that the same can be paid or recovered from the Trust Estate. Without limiting the requirement to perform its duties or exercise its rights and powers under this Loan Agreement upon receipt of appropriate indemnity or payment, none of the provisions of this Loan Agreement or the Indenture will require the Issuer to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Loan Agreement. Nothing in this Loan Agreement will preclude a proper party in interest from seeking and obtaining, to the extent permitted by law, specific performance against the Issuer for any failure to comply with any term, condition, covenant or agreement in this Loan Agreement or in the Indenture; provided that no costs, expenses or other monetary relief will be recoverable from the Issuer except as may be payable from the funds available under this Loan Agreement or made available under the Indenture by the Borrower and pledged to the payment of the Bonds.

No covenant, agreement or obligation contained herein or in any other financing instrument executed in connection with the Project or the making of the Loan shall be deemed to be a covenant, agreement or obligation of any past, present or future director, officer, employee, commissioner, or agent of the Issuer in his or her individual capacity so long as he or she does not act in bad faith, and no such director, officer, employee, commissioner or agent of the Issuer in his or her individual capacity shall be subject to any liability under any agreement to which the Issuer is a party or with respect to any other action taken by him or her so long as he or she does not act in bad faith.

Section 9.05 Binding Effect. This Loan Agreement shall inure to the benefit of and shall be binding upon the Issuer, the Borrower, the Trustee, the Holders and their respective successors and assigns.

Section 9.06 Severability. In the event any provision of this Loan Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 9.07 Amounts Remaining in Funds. Subject to the provisions of Section 4.07 of the Indenture, any amounts in the Bond Fund remaining unclaimed by the Holders of Bonds for two years after the due date thereof (whether at stated maturity or otherwise), shall be deemed to belong to and shall be paid, at the written request of the Borrower, to the Borrower by the Trustee as overpayment of Loan Payments. With respect to that principal of and interest on the Bonds to be paid from money paid to the Borrower pursuant to the preceding sentence, the Holders of the Bonds entitled to such money shall look solely to the Borrower for the payment of such money. Further, any amounts remaining in the Special Funds after all of the Outstanding Bonds shall be deemed to have been paid and discharged under the provisions of the Indenture and all other amounts required to be paid under this Loan Agreement, the Note and the Indenture have been paid, shall, subject to Section 4.14 of the Indenture and at the written request of the Borrower, be paid to the Borrower to the extent that such money are in excess of the amounts necessary to effect the payment and discharge of the Outstanding Bonds.
Section 9.08 Amendments, Changes and Modifications. NEW CITY REDEVELOPMENT LIMITED PARTNERSHIP, an Illinois limited partnership (the "Borrower"), for value received, promises to the City of Chicago, a municipality and home rule unit of government duly organized and validly existing under the Constitution and laws of the State of Illinois (the "Issuer") (and assigned to as trustee (the "Trustee") under the Indenture hereinafter referred to), the principal amount of

00/100 DOLLARS

and to pay interest on the unpaid balance of such principal sum from and after the date hereof at the rate of ____.%, per annum through and including ___, 20__, and thereafter at the applicable Remarketing Rate (as defined in the Indenture described below), until the payment of such principal sum has been made or provided for. The principal amount stated above shall be paid on or before ___, 20__, (the "Maturity Date"). Interest shall be calculated on the basis of a 360-day year of 12 equal months. Interest on this Note shall be paid at least one Business Day prior to (a) each ___, 1, 20__, and ___, 1, commencing ___, 1, 20__, (b) each Redemption Date, (c) each Mandatory Tender Date, (d) the Maturity Date and (e) the date of acceleration of the Bonds (the "Interest Payment Dates"). Terms used but not defined herein shall have the meanings ascribed to such terms in the Indenture, as defined below.

This Borrower Note has been executed and delivered by the Borrower to the Trustee pursuant to a certain Loan Agreement dated as of December 1, 2023 (the "Loan Agreement"), by and among the Issuer, Borrower and the Trustee.

Under the Loan Agreement, the Issuer has loaned the Borrower the principal proceeds received from the sale of its $22,500,000 City of Chicago Multi-Family Housing Revenue Bonds (United Yards 1A Project), Series 2023 (the "Bonds"), to assist in the financing of the Project, as such term is defined in the Indenture, and the Borrower has agreed to repay such loan by making payments ("Loan Payments") at the times and in the amounts set forth in this Note for application to the payment of principal of and interest on the Bonds as and when due. The Bonds have been issued, concurrently with the execution and delivery of this Note, pursuant to, and are secured by, the Indenture dated as of December 1, 2023 (the "Indenture"), between the Issuer and the Trustee.

To provide funds to pay the principal of and interest on the Bonds as and when due as specified herein, the Borrower hereby agrees to and shall make Loan Payments in amounts on each Interest Payment Date equal to the Bond Service Charges on the Bonds payable on such Interest Payment Date. In addition, to provide funds to pay the Bond Service Charges on the Bonds as and when due at any other time, the Borrower hereby agrees to and shall make Loan Payments at least one Business Day prior to the date on which any Bond Service Charges on the Bonds shall be due and payable, whether at maturity, upon acceleration or otherwise, in an amount equal to those Bond Service Charges.
If payment or provision for payment in accordance with the Indenture is made in respect of the Bond Service Charges on the Bonds from money other than Loan Payments, this Borrower Note shall be deemed paid to the extent such payments or provision for payment of Bonds has been made. Consistent with the provisions of the immediately preceding sentence, the Borrower shall have credited against its obligation to make Loan Payments any amounts transferred from the Project Fund or the Collateral Fund to the Bond Fund. Subject to the foregoing, all Loan Payments shall be in the full amount required hereunder.

All Loan Payments shall be made to the Trustee at its Designated Office for the account of the Issuer and deposited in the Bond Fund created by the Indenture. Except as otherwise provided in the Indenture, the Loan Payments shall be used by the Trustee to pay the Bond Service Charges on the Bonds as and when due.

The obligation of the Borrower to make the payments required hereunder shall be absolute and unconditional and the Borrower shall make such payments without abatement, diminution or deduction regardless of any cause or circumstances whatsoever including, without limitation, any defense, set-off, recoupment or counterclaim which the Borrower may have or assert against the Issuer, the Trustee or any other Person.

This Borrower Note is subject to prepayment, in whole or in part, upon the terms and conditions relating to the redemption of the Bonds set forth in Article 3 of the Indenture. Any prepayment is subject to satisfaction of any applicable notice, deposit or other requirements set forth in the Loan Agreement or the Indenture.

Whenever an Event of Default (as defined in the Indenture) under Section 6.01 of the Indenture shall have occurred and, as a result thereof, the principal of and any premium on all Bonds then Outstanding, and interest accrued thereon, shall have been declared to be immediately due and payable pursuant to Section 6.02 of the Indenture, the unpaid principal amount of and any premium and accrued interest on this Borrower Note shall also be due and payable on the date on which the principal of and premium and interest on the Bonds shall have been declared due and payable; provided that the annulment of a declaration of acceleration with respect to the Bonds shall also constitute an annulment of any corresponding declaration with respect to this Borrower Note.

The payment obligations of this Borrower Note are non-recourse to the Borrower to the extent set forth in Section 9.03 of the Loan Agreement.

Enforcement of the covenants in this Borrower Note will not result in, and neither the Issuer nor the Trustee has or shall be entitled to assert, any claim against the Project or the Mortgage Loan proceeds, or the rents or deposits or other income of the Project.

Failure of the Issuer or the Borrower to comply with any of the covenants set forth in this Borrower Note will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.
IN WITNESS WHEREOF, the Borrower has caused this Borrower Note to be executed in its name as of the date first above written.

THIS LAND USE RESTRICTION AGREEMENT (this "Agreement"), entered into as of December 1, 2023, between the CITY OF CHICAGO, a municipal corporation and home rule unit of local government duly organized and validly existing under the Constitution and laws of the State of Illinois (the "Issuer"), and NEW CITY REDEVELOPMENT LIMITED PARTNERSHIP, an Illinois limited partnership (the "Owner"),

WITNESSETH:

WHEREAS, the Issuer has issued, sold and delivered its [up to $22,500,000] Multi-Family Housing Revenue Bonds (United Yards 1A Project), Series 2023 (the "Bonds"); and

WHEREAS, the Bonds are issued pursuant to the Indenture of even date herewith (the "Indenture"), between the Issuer and __________, as trustee (the "Trustee"); and

WHEREAS, the proceeds derived from the issuance and sale of the Bonds are being lent by the Issuer to the Owner pursuant to the Loan Agreement of even date herewith (the "Loan Agreement"), between the Issuer and the Owner for the purpose of financing a portion of the costs of (i) the acquisition from the City of vacant land located at 1515 W. 47th Street, Chicago, Illinois (the "6-Story Project Site"), (ii) the acquisition from an affiliate of the Borrower of vacant land located at 1635-1643 W. 47th Street, Chicago, Illinois (the "3-Flat Project Site" and, collectively with the 6-Story Project Site, the "Project Sites"), as the Project Sites are more particularly described on Exhibit F of the hereinafter defined Ordinance, (iii) the construction on the 6-Story Project Site of a six-story new construction building with 45 units of family housing (the "6-Story Facility") and (iv) the construction on the 3-Flat Project Site of two 3-flat buildings with a combined total of six 2-bedroom units (the "3-Flat Facilities" and collectively with the 6-Story Facility, the "Facilities"), all together to be known as "United Yards 1A." At least 40% of the units in each of the 6-Story Facility and the 3-Flat Facilities will be occupied by households earning no more than 60% of the area median income, and the remainder of the units in each of the 6-Story Facility and the 3-Flat Facilities will be occupied by households earning no more than 80% of the area median income; and

WHEREAS, in order to assure the Issuer and the purchasers of the Bonds (the "Holders") that interest on the Bonds will be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986 (the "Code"), and to further the public purposes of the Issuer, certain restrictions on the use and occupancy of each of the 6-Story Project and the 3-Flat Project must be established;

WHEREAS, Co-Bond Counsel has informed us that, for federal tax purposes, the 6-Story Project and the 3-Flat Project will be treated as separate projects (each, a "Project");

NOW, THEREFORE, in consideration of the mutual promises and covenants herein after set forth, and of other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the Owner and the Issuer agree as follows:
Section 1. Term of Restrictions

(a) Occupancy Restrictions. The term of the Occupancy Restrictions set forth in Section 3 hereof shall commence on the first day on which at least 10% of the Units in each Project are first occupied following completion of each Project and shall end on the latest of (i) the date which is 15 years after the date on which at least 50% of the Units in each such Project are first occupied; (ii) the first date on which no tax-exempt note or bond (including any refunding note or bond) issued with respect to each such Project is outstanding; or (iii) the date on which any housing assistance provided with respect to each such Project under Section 8 of the United States Housing Act of 1937, as amended, terminates (which period is hereinafter referred to with respect to each such Project as the "Qualified Project Period").

(b) Rental Restrictions. The Rental Restrictions with respect to each Project set forth in Section 4 hereof shall remain in effect during the Qualified Project Period.

(c) Involuntary Loss or Substantial Destruction. The Occupancy Restrictions set forth in Section 3 hereof, and the Rental Restrictions set forth in Section 4 hereof, shall cease to apply to a Project in the event of involuntary noncompliance caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in federal law or an action of a federal city (with respect to such Project) after the date of delivery of the Bonds, which prevents the Issuer from enforcing the Occupancy Restrictions and the Rental Restrictions (with respect to such Project), or condemnation or similar event (with respect to such Project), but only if, within a reasonable time, (i) all of the Bonds are promptly retired, or amounts received as a consequence of such event are used to provide a new project which meets all of the requirements of this Agreement, which new project is subject to new restrictions substantially equivalent to those contained in this Agreement, and which is substituted in place of the Project by amendment of this Agreement; and (ii) an opinion from nationally recognized bond counsel (selected by the Issuer) is received to the effect that noncompliance with the Occupancy Restrictions and the Rental Restrictions applicable to such Project as a result of such involuntary loss or substantial destruction resulting from an unforeseen event with respect to such Project will not adversely affect the exclusion of the interest on the Bonds from the gross income of the Holders for purposes of federal income taxation; provided, however, that the preceding provisions of this paragraph shall cease to apply in the case of such involuntary noncompliance caused by foreclosure, transfer of title by deed in lieu of foreclosure or similar event if at any time during the Qualified Project Period with respect to such Project subsequent to such event the Owner or any Affiliated Party (as hereinafter defined) obtains an ownership interest in such Project for federal income tax purposes. "Affiliated Party" means a person whose relationship to another person is such that (i) the relationship between such persons would result in a disallowance of losses under Section 267 or 707(b) of the Code; or (ii) such persons are members of the same controlled group of corporations (as defined in Section 1563(a) of the Code, except that "more than 50%" shall be substituted for "at least 80%" each place it appears therein).

(d) Termination. This Agreement shall terminate with respect to a Project upon the earliest of (i) termination of the Occupancy Restrictions and the Rental Restrictions with respect to such Project, as provided in paragraphs (a) and (b) of this Section 1; or (ii) delivery to the Issuer and the Owner of an opinion of nationally recognized bond counsel (selected by the Issuer) to the effect that continued compliance of such Project with the Rental Restrictions and the Occupancy
Restrictions applicable to such Project is not required in order for interest on the Bonds to remain excludible from gross income for federal income tax purposes.

(e) **Certification.** Upon termination of this Agreement, the Owner and the Issuer shall execute and cause to be recorded (at the Owner’s expense), in all offices in which this Agreement was recorded, a certificate of termination, specifying which of the restrictions contained herein has terminated.

(f) **HUD-Required Language.** [Reserved].

Section 2. Project Restrictions. The Owner represents, warrants and covenants with respect to each Project that:

(a) The Owner has reviewed the provisions of the Code and the Treasury Regulations thereunder (the “Regulations”) applicable to this Agreement (including, without limitation, Section 142(d) of the Code and Section 1.103-8(b) of the Regulations) with its counsel and understands said provisions.

(b) Such Project is being acquired and constructed for the purpose of providing a “qualified residential rental project” (as such phrase is used in Section 142(d) of the Code) and will, during the term of the Rental Restrictions and Occupancy Restrictions hereunder applicable to such Project, continue to constitute a “qualified residential rental project” under Section 142(d) of the Code and any Regulations herefore or hereafter promulgated thereunder and applicable thereto.

(c) Substantially all (not less than 95%) of such Project will consist of a “building or structure” (as defined in Section 1.103-8(b)(8)(iv) of the Regulations), or several proximate buildings or structures, of similar construction, each containing one or more similarly constructed residential units (as defined in Section 1.103-8(b)(8)(i) of the Regulations) located on a single tract of land or contiguous tracts of land (as defined in Section 1.103-8(b)(4)(ii)-(iv) of the Regulations), which will be owned, for federal tax purposes, at all times by the same person, and financed pursuant to a common plan (within the meaning of Section 1.103-8(b)(4)(ii) of the Regulations), together with functionally related and subordinate facilities (within the meaning of Section 1.103-8(b)(4)(iii) of the Regulations). If any such building or structure contains fewer than five (5) units, no unit in such building or structure shall be Owner-occupied.

(d) None of the Units in such Project will at any time be used on a transient basis, nor will such Project itself be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court for use on a transient basis; nor shall any portion of such Project be operated as an assisted living facility which provides continual or frequent nursing, medical or psychiatric services; provided, however that nothing herein shall be understood to prohibit single-room-occupancy units occupied under month-to-month leases.

(e) All of the Units in such Project will be leased or rented, or available for lease or rental, on a continuous basis to members of the general public (other than (i) Units for resident managers or maintenance personnel, (ii) Units for Qualifying Tenants as provided for in Section 3 hereof, and (iii) Units which may be rented under the Section 8 assistance program, which units
(subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section requirements), subject, however, to the requirements of Section 3(a) hereof. Each Qualifying Tenant (as hereinafter defined) occupying a Unit in such Project shall be required to execute a written lease with a stated term of not less than 30 days nor more than one year.

(f) Any functionally related and subordinate facilities (e.g., parking areas, swimming pools, tennis courts, etc.) which are included as part of such Project will be of a character and size commensurate with the character and size of such Project, and will be made available to all tenants in such Project on an equal basis; fees will only be charged with respect to the use thereof if the charging of fees is customary for the use of such facilities at similar residential rental properties in the surrounding area (i.e., within a one-mile radius), or, if none, then within comparable urban settings in the City of Chicago, and then only in amounts commensurate with the fees being charged at similar residential rental properties within such area. In any event, any fees charged will not be discriminatory or exclusionary as to the Qualifying Tenants (as defined in Section 3 hereof). No functionally related and subordinate facilities will be made available to persons other than tenants or their guests.

(g) Each residential unit in such Project will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for a single person or family.

(h) No portion of such Project will be used to provide any health club facility (except as provided in (f) above), any facility primarily used for gambling, or any store, the principal business of which is the sale of alcoholic beverages for consumption off premises, in violation of Section 147(e) of the Code.

Section 3. Occupancy Restrictions. The Owner represents, warrants and covenants with respect to such Project that:

(a) Pursuant to the election of the Issuer in accordance with the provisions of Section 142(d)(1)(A) of the Code, at all times during the Qualified Project Period with respect to such Project at least 40% of the completed Units in such Project shall be continuously occupied (or treated as occupied as provided herein) or held available for occupancy by Qualifying Tenants as herein defined. For purposes of this Agreement, “Qualifying Tenants” means individuals or families whose aggregate adjusted incomes do not exceed 60% of the applicable median gross income (adjusted for family size) for the area in which such Project is located, as such income and area median gross income are determined by the Secretary of the United States Treasury in a manner consistent with determinations of income and area median gross income under Section 8 of the United States Housing Act of 1937, as amended (or, if such program is terminated, under such program as in effect immediately before such determination).

(b) Prior to the commencement of occupancy of any unit to be occupied by a Qualifying Tenant, the prospective tenant’s eligibility shall be established by execution and delivery by such prospective tenant of an Income Computation and Certification in the form attached hereto as Exhibit B (the “Income Certification”) evidencing that the aggregate adjusted income of such prospective tenant does not exceed the applicable income limit. In addition, such prospective tenant shall be required to provide whatever other information, documents or
certifications are reasonably deemed necessary by the Owner or the Issuer to substantiate the Income Certification.

(c) Not less frequently than annually, the Owner shall determine whether the current aggregate adjusted income of each tenant occupying any unit being treated by the Owner as occupied by a Qualifying Tenant exceeds the applicable income limit. For such purpose the Owner shall require each such tenant to execute and deliver the Income Certification; provided, however, that for any calendar year during which no unit in the Project is occupied by a new resident who is not a qualifying tenant, no Income Computation and Certification for existing tenants shall be required.

(d) Any unit vacated by a Qualifying Tenant shall be treated as continuing to be occupied by such tenant until reoccupied, other than for a temporary period not to exceed 31 days, at which time the character of such unit as a unit occupied by a Qualifying Tenant shall be redetermined.

(e) If an individual’s or family’s income exceeds the applicable income limit as of any date of determination, the income of such individual or family shall be treated as continuing not to exceed the applicable limit, provided that the income of an individual or family did not exceed the applicable income limit upon commencement of such tenant’s occupancy or as of any prior income determination, and provided, further, that if any individual’s or family’s income as of the most recent income determination exceeds 140% of the applicable income limit, such individual or family shall cease to qualify as a Qualifying Tenant if, prior to the next income determination of such individual or family, any unit in such Project of comparable or smaller size to such individual’s or family’s unit is occupied by any tenant other than a Qualifying Tenant.

(f) The lease to be utilized by the Owner in renting any Unit in such Project to a prospective Qualifying Tenant shall provide for termination of the lease and consent by such person to eviction following 30 days’ written notice, subject to applicable provisions of Illinois law (including for such purpose all applicable home rule ordinances), for any material misrepresentation made by such person with respect to the Income Certification with the effect that such tenant is not a Qualified Tenant.

(g) All Income Certifications will be maintained on file at such Project as long as the Bonds are outstanding and for five years thereafter with respect to each Qualifying Tenant who occupied a Unit in such Project during the period the restrictions hereunder are applicable, and the Owner will, promptly upon receipt, file a copy thereof with the Issuer.

(h) On the first day of the Qualified Project Period with respect to such Project, on the fifteenth days of January, April, July and October of each year during the Qualified Project Period with respect to such Project, and within 30 days after the final day of each month in which there occurs any change in the occupancy of a Unit in such Project, the Owner will submit to the Issuer a “Certificate of Continuing Program Compliance,” in the form attached hereto as Exhibit C executed by the Owner with respect to such Project.

(i) The Owner shall submit to the Secretary of the United States Treasury (at such time and in such manner as the Secretary shall prescribe) with respect to such Project an annual
certification on Form 8703 as to whether such Project continues to meet the requirements of Section 142(d) of the Code. Failure to comply with such requirement may subject the Owner to the penalty provided in Section 6652(j) of the Code.

Section 4. Rental Restrictions. The Owner represents, warrants and covenants with respect to such Project that once available for occupancy, each Unit in such Project will be rented or available for rental on a continuous basis to members of the general public (other than (a) Units for resident managers or maintenance personnel, (b) Units for Qualifying Tenants as provided for in Section 3 hereof, and (c) Units which may be rented under the Section 8 assistance program, which Units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section 8 requirements). If a Housing Assistance Payments Contract is subsequently entered into with respect to such Project under the Section 8 assistance program, in administering the restrictions hereunder with respect to such Project the Owner will comply with all Section 8 requirements.

Section 5. Transfer Restrictions. The Owner covenants and agrees that no conveyance, transfer, assignment or any other disposition of title to any portion of such Project (a "Transfer") shall be made prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to such Project, unless the transferee pursuant to the Transfer assumes in writing (the "Assumption Agreement"), in a form reasonably acceptable to the Issuer, all of the executory duties and obligations hereunder of the Owner with respect to such portion of such Project, including those contained in this Section 5, and agrees to cause any subsequent transferee to assume such duties and obligations in the event of a subsequent Transfer by the transferee prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to such Project. The Owner shall deliver the Assumption Agreement to the Issuer at least 30 days prior to a proposed Transfer. This Section 5 shall not apply to any involuntary transfer pursuant to Section 1(c) hereof. This Section shall not be deemed to restrict the transfer of any partnership interest in the Owner or a transfer by foreclosure or deed in lieu of foreclosure.

Section 6. Enforcement

(a) Upon reasonable notice and during regular business hours, the Owner shall permit all duly authorized representatives of the Issuer to inspect any books and records of the Owner regarding such Project and the incomes of Qualifying Tenants which pertain to compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(b) In addition to the information provided for in Section 3(i) hereof, the Owner shall submit any other information, documents or certifications reasonably requested by the Issuer, which the Issuer deems reasonably necessary to substantiate continuing compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(c) The Issuer and the Owner each covenant that it will not take or permit to be taken any action within its control that it knows would adversely affect the exclusion of interest on the Bonds from the gross income of the Holders thereof for purposes of federal income taxation pursuant to Section 103 of the Code. Moreover, each covenants to take any lawful action within
its control (including amendment of this Agreement as may be necessary in the opinion of nationally recognized bond counsel selected by the Issuer) to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service from time to time pertaining to obligations issued under Section 142(d) of the Code and affecting such Project.

(d) The Owner covenants and agrees to inform the Issuer by written notice of any violation of its obligations hereunder within five days of first discovering any such violation. If any such violation is not corrected to the satisfaction of the Issuer within the period of time specified by the Issuer, which shall be (i) the lesser of (A) 60 days after the effective date of any notice to or from the Owner, or (B) 75 days from the date such violation would have been discovered by the Owner by the exercise of reasonable diligence, or (ii) such longer period as may be necessary to cure such violation, provided bond counsel (selected by the Issuer) of nationally recognized standing in matters pertaining to the exclusion of interest on municipal bonds from gross income for purposes of federal income taxation issues an opinion that such extension will not result in the loss of such exclusion of interest on the Bonds, without further notice, the Issuer shall declare a default under this Agreement effective on the date of such declaration of default, and the Issuer shall apply to any, court, state or federal, for specific performance of this Agreement or an injunction against any violation of this Agreement, or any other remedies at law or in equity or any such other actions as shall be necessary or desirable so as to correct noncompliance with this Agreement.

(e) The Owner and the Issuer each acknowledges that the primary purposes for requiring compliance with the restrictions provided in this Agreement are to preserve the exclusion of interest on the Bonds from gross income for purposes of federal income taxation, and that the Issuer, on behalf of the owners of the Bonds, who are declared to be third-party beneficiaries of this Agreement, shall be entitled for any breach of the provisions hereof, to all remedies both at law and in equity in the event of any default hereunder.

(f) In the enforcement of this Agreement, the Issuer may rely on any certificate delivered by or on behalf of the Owner or any tenant with respect to such Project.

(g) Nothing in this Section shall preclude the Issuer from exercising any remedies it might otherwise have, by contract, statute or otherwise, upon the occurrence of any violation hereunder.

(h) Notwithstanding anything to the contrary contained herein, the Issuer hereby agrees that any cure of any default made or tendered by one or more of the Owner's partner shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

Section 7. Covenants to Run with the Land. The Owner hereby subjects such Project, the Projects Sites and the Units to the covenants, reservations and restrictions set forth in this Agreement. The Issuer and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants, reservations and restrictions running with the land to the extent permitted by law, and shall pass to and be binding upon the Owner's successors in title to such Project, the Units, and the Project Sites, throughout
the term of this Agreement. Each and every contract, deed, mortgage, lease or other instrument thereafter executed covering or conveying such Project, the Units or the Project Sites, or any portion thereof or interest therein (excluding any transferee of a membership interest in the Owner), shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed, mortgage, lease or other instrument.

Section 8. Recording. The Owner shall cause this Agreement and all amendments and supplements hereto to be recorded in the conveyance and real property records of Cook County, Illinois, and in such other places as the Issuer may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

Section 9. Agents of the Issuer. The Issuer shall have the right to appoint agents to carry out any of its duties and obligations hereunder, and shall, upon written request, certify in writing to the other party hereto any such City appointment.

Section 10. No Conflict with Other Documents. The Owner warrants and covenants that it has not and will not execute any other agreement with provisions inconsistent or in conflict with the provisions hereof (except documents that are subordinate to the provisions hereof), and the Owner agrees that the requirements of this Agreement are paramount and controlling as to the rights and obligations herein set forth, which supersede any other requirements in conflict herewith.

Section 11. Interpretation. Any capitalized terms not defined in this Agreement shall have the same meaning as terms defined in the Indenture and the Loan Agreement or Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

Section 12. Amendment. Subject to any restrictions set forth in the Indenture, this Agreement may be amended by the parties hereto to reflect changes in Section 142(d) of the Code, the regulations hereafter promulgated thereunder and revenue rulings promulgated thereunder, or in the interpretation thereof.

Section 13. Severability. The invalidity of any clause, part or provision of this Agreement shall not affect the validity of the remaining portions thereof.

Section 14. Notices. Any notice, demand or other communication required or permitted hereunder shall be in writing and shall be deemed to have been given if and when personally delivered and receipted for, or, if sent by private courier service or sent by overnight mail service, shall be deemed to have been given if and when received (unless the addressee refuses to accept delivery, in which case it shall be deemed to have been given when first presented to the addressee for acceptance), or on the first day after being sent by telegram, or on the third day after being
deposited in United States registered or certified mail, postage prepaid. Any such notice, demand or other communication shall be given as provided for in the applicable sections of the Indenture.

Section 15. Governing Law. The laws of the State of Illinois shall govern the construction of this Agreement, without reference to its conflicts of laws principles.

Section 16. Limited Liability of Owner. Notwithstanding any other provision or obligation stated in or implied by this Agreement to the contrary, any and all undertakings and agreements of the Owner contained herein shall not (other than as expressly provided hereinafter in this paragraph) be deemed, interpreted or construed as the personal undertaking or agreement of, or as creating any personal liability upon, any past, present or future partner of the Owner, and no recourse (other than as expressly provided hereinafter in this paragraph) shall be had against the property of the Owner or any past, present or future partner of the Owner, personally or individually for the performance of any undertaking, agreement or obligation, or the payment of any money, under this Agreement or any document executed or delivered by or on behalf of the Owner pursuant hereto or in connection herewith, or for any claim based thereon. It is expressly understood and agreed that the Issuer and the registered owner of the Bonds, and its respective successors and assigns, shall have the right to sue for specific performance of this Agreement and to otherwise seek equitable relief for the enforcement of the obligations and undertakings of the Owner hereunder, including, without limitation, obtaining an injunction against any violation of this Agreement or the appointment of a receiver to take over and operate all or any portion of the Project in accordance with the terms of this Agreement. This Section shall survive termination of this Agreement.

The payment of City Funds, including the timing of payment, is subject to the terms and conditions of this Agreement, including but not limited to Section 4.03 and Section 5.

4.02 **Developer Funds.** Equity, the City Funds, and/or Lender Financing shall be used to pay all Project costs, including but not limited to Redevelopment Project costs and costs of TIF-Funded Improvements.
4.03 City Funds.

(a) **Uses of City Funds.** City Funds may only be used to pay directly or reimburse Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit B sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item in Exhibit B (subject to Sections 4.03(b) and 4.04(b)), contingent upon the City receiving documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. Sponsor shall be required to loan or contribute any City Funds paid to Sponsor to the Owner to reimburse the Owner for the costs of TIF-Funded Improvements or directly pay for the costs of the TIF-Funded Improvements. City Funds shall not be paid to Developer under this Agreement prior to the achievement of 33% completion.

(b) **Sources of City Funds.** Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5, the City hereby agrees to provide up to $14,500,000 of City Funds (“City Funds”) in three equal installment payments, payable from time to time upon evidence of the Project’s completion percentages, based on architect’s certifications, as follows:

i. 33 1/3% of City Funds at 33% Project completion;
ii. second 33 1/3% of City Funds at 66% Project completion;
iii. the remainder of unpaid City Funds after receipt of the Certificate of Completion;

provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed $14,500,000, with such amount to be further reduced by the TIF District Administration Fee; and provided further, that the City Funds to be derived from Incremental Taxes shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as the amount of the Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs.

Developer acknowledges and agrees that the City’s obligation to pay for TIF-Funded Improvements up to a maximum of $14,500,000 is contingent upon the fulfillment of the Project completion conditions set forth in parts (i), (ii) and (iii) above. If such conditions are not fulfilled, the amount of Equity to be contributed by Developer pursuant to Section 4.01 shall increase proportionately.

4.04 Construction Escrow. The City and Developer hereby agree to enter into the Escrow Agreement. All disbursements of Project funds shall be made through the funding of draw requests with respect thereto, or as otherwise set forth pursuant to the Escrow Agreement and this Agreement. The City must receive copies of all draw requests and related documents submitted to the Title Company. DPD shall approve disbursements of the City Funds from the Escrow within forty-five (45) days of receipt thereof. If required, Developer shall meet with DPD or DOH upon
request to discuss the Requisition Forms previously delivered. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control.

The City and Developer acknowledge that the proceeds of the Lender Financing referenced in Section 4.01 above (the “Regions Construction / Equity Bridge Loan”) will be used to bridge the City Funds and that the installments of the City Funds payable pursuant to Section 4.03(b)(i) to (iii) will be applied to the partial repayment of the said Regions Construction / Equity Bridge Loan. In furtherance of the above sentence, the City acknowledges that the Developer directs that a portion of the City Funds payable pursuant to Section 4.03(b)(i) in the amount of $[_________] and the entirety of City Funds payable pursuant to Section 4.03(b)(ii) will be disbursed, on behalf of the Developer, directly to the Bridged Funds Subaccount established pursuant the Escrow Agreement, and the City Funds payable pursuant to Section 4.03(b)(iii) will be disbursed to the account established by Developer with Senior Lender for the partial repayment of the Regions Construction / Equity Bridge Loan. The wire instructions for such account shall be provided to the City by the Developer. The parties acknowledge that the Escrow Agreement will provide that disbursements of funds deposited into the Bridged Funds Subaccount shall be made at the sole direction of the Senior Lender.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Effect of Prior Expenditures on Equity or Lender Financing demonstrated before the Closing Date. If Developer incurs and pays Project expenses before the Closing Date and wants these expenses to reduce the amount of Equity or Lender Financing, Developer is required to provide documentation of these expenses satisfactory to DPD. Any such expenses reviewed and approved in writing by DPD, in its sole discretion, shall be referred to as “Prior Expenditures”.

Prior Expenditures made for TIF-Funded Improvements may be reimbursed to Developer under the terms of this Agreement. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer but shall reduce the amount of Equity and/or Lender Financing. Developer is required to contribute under Section 4.01.

(b) TIF District Administration Fee. Annually, the City may allocate an amount (the “TIF District Administration Fee”) not to exceed five percent (5%) of the Incremental Taxes to pay costs the City incurred to administer and monitor the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds before any City Funds are paid under this Agreement.

(c) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed $25,000 or $100,000 in the aggregate, may be made without the prior written consent of DPD.
4.06 **Cost Overruns.** If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to **Section 4.03**, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 **Preconditions of Disbursement.** Before each disbursement of City Funds, Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Developer's delivery of any request for disbursement of City Funds shall, in addition to the items expressly set forth in such request, constitute Developer's certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual cost of the acquisition of the Property or the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) Developer has approved all work and materials for the current disbursement request and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Agreement are true and correct and Developer is in compliance with all covenants contained in this Agreement;

(e) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the Available Project Funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, defer developer fee or other amounts due Developer parties, or deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided,
however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the TIF Ordinances, this Agreement and/or the Escrow Agreement.

4.08 Conditional Grant. The City Funds are being granted on a conditional basis, subject to Developer’s compliance with the provisions of this Agreement, and are subject to being reimbursed as provided in Section 15.02.

4.09 Permitted Transfers. Notwithstanding anything herein to the contrary, City will permit (i) the limited partner of the Owner (the “Limited Partner”) to remove the General Partner as the general partner of the Partnership in accordance with the Partnership’s limited partnership agreement (the “Partnership Agreement”), provided the substitute general partner is acceptable to City in its reasonable discretion and the City provides its written consent, (ii) the General Partner to pledge to a lender that is providing Lender Financing (the “Lender”) all of the General Partner’s rights, title and interest in and to the Partnership Agreement as collateral for the obligations under the loans made or to be made by the Lender to Developer; (iii) a transfer by the Limited Partner of its limited partner interest after the Closing Date to an unaffiliated entity with the prior written consent of the City, provided, however, that the prior written consent of the City shall not be required for a transfer by the Limited Partner of its limited partner interest after the Closing Date to an affiliated entity, but prior written notice to the City is required; (iv) a transfer pursuant to a foreclosure, deed in lieu of foreclosure or similar action, of the Lender Financing; and (v) transfers of direct or indirect non-controlling interests in the General Partner or special limited partner, if any, to a trust for estate planning purposes.

SECTION 5. CONDITIONS PRECEDENT

Developer has complied with the following conditions to the City’s satisfaction on or before the Closing Date:

5.01 Project Budget. Developer has submitted to DPD, and DPD has approved, a Project Budget in accordance with the provisions of Section 3.03.

5.02 Scope Drawings and Plans and Specifications. Developer has submitted to DPD, and DPD has approved, the Scope Drawings and Plans and Specifications in accordance with the provisions of Section 3.02.

5.03 Other Governmental Approvals. Developer has secured all other necessary approvals and permits required by any state, federal, or local statute, ordinance or regulation and has submitted evidence thereof to DPD.

5.04 Financing. Developer has furnished proof reasonably acceptable to the City that Developer has Equity and Lender Financing in the amounts set forth in Section 4.01 to complete
the Project and satisfy its obligations under this Agreement. If such funds include Lender Financing, Developer has furnished proof as of the Closing Date that the proceeds of the Lender Financing (a) are available for Developer to draw upon as needed and (b) are sufficient, along with the Equity and/or other sources set forth in Section 4.01, to complete the Project. Any liens against the Property existing at the Closing Date have been subordinated to certain encumbrances of the City set forth in this Agreement pursuant to a subordination agreement, in a form acceptable to the City, executed on or before the Closing Date, which is to be recorded, at Developer’s expense, with the Cook County Clerk’s Office.

5.05 Acquisition and Title. On the Closing Date, Developer has furnished the City with a copy of the Title Policy for the Property, certified by the Title Company, showing Developer as the named insured. The Title Policy is dated as of the Closing Date and contains only those title exceptions that are Permitted Liens and evidences the recording of this Agreement pursuant to the provisions of Section 8.18. The Title Policy also contains such endorsements as shall be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access, and survey. Developer has provided to DPD, on or before the Closing Date, documentation related to the purchase of the Property and certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DPD's satisfaction, by the Title Policy and any endorsements to the Title Policy.

5.06 Evidence of Clean Title. Developer, at its own expense, has provided the City with searches as indicated in the chart below under Developer’s name and Developer’s trade names showing no liens against Developer, the Property or any fixtures now or hereafter affixed to the Property, except for the Permitted Liens:

5.07 Surveys. Developer has furnished the City with a copy of the Survey.

5.08 Insurance. Developer, at its own expense, has insured the Property in accordance with Section 12, and has delivered certificates required pursuant to Section 12 evidencing the required coverages to DPD.

5.09 Opinion of Developer’s Counsel. On the Closing Date, Developer has furnished the City with an opinion of counsel in form and substance acceptable to Corporation Counsel. If Developer has engaged special counsel in connection with the Project, and such special counsel is
unwilling or unable to give some of the opinions required by the Corporation Counsel, such
opinions must be obtained by Developer from its general corporate counsel or such other counsel
acceptable to the Corporation Counsel.

5.10 Evidence of Prior Expenditures. Developer has provided evidence satisfactory to
DPD in its sole discretion of the Prior Expenditures, if any, in accordance with the provisions of
Section 4.05(a).

5.11 Financial Statements. Developer has provided Financial Statements to DPD for its
three most recent fiscal years and audited or unaudited interim financial statements.

5.12 Documentation; Employment Plan. Developer has provided documentation to DPD,
satisfactory in form and substance to DPD, with respect to current employment matters in
connection with the construction or rehabilitation work on the Project, including the reports
described in Section 8.07.

5.13 Environmental. The Developer provided the City with a Phase I Environmental Site
Assessment ("Phase I ESA") compliant with ASTM E-1527-13 for the properties dated February
2022. The Phase I ESAs must be updated to be dated within 180 days of conveyance of the
properties.

The Phase I ESA identified Recognized Environmental Conditions ("RECs") and the
Developer performed a Phase II ESA to ascertain the presence of any environmental impacts that
may be associated with the RECs.

The Phase II ESA identified contamination above residential remediation objectives as
determined by Title 35 of the Illinois Administrative Code ("IAC") Part 742, and the Developer
enrolled the Property in the Illinois Environmental Protection Agency's ("IEPA") Site
Remediation Program ("SRP") in order to obtain a comprehensive residential No Further
Remediation ("NFR") Letter for the enrolled Property. The IEPA approved the Remedial Action
Plans (RAPs) for both properties on January 9, 2023.

The Developer covenants and agrees to promptly complete all Remediation Work
necessary to obtain a Final Comprehensive residential NFR Letter for the Property using all
reasonable means. The City shall have the right to review in advance and approve all documents
submitted to the IEPA under the SRP, as amended or supplemented from time to time, including,
without limitation, the SRP Documents and any changes thereto, and the Developer's estimate of
the cost to perform the Remediation Work. The Developer shall bear sole responsibility for all
costs of the Remediation Work necessary to obtain the Final Comprehensive residential NFR
Letter, and the costs of any other investigative and cleanup costs associated with the Property. The
Developer shall promptly transmit to the City copies of all Environmental Documents prepared or
received with respect to the Remediation Work, including, without limitation, any written
communications delivered to or received from the IEPA or other regulatory agencies. The
Developer acknowledges and agrees to not request a certificate of occupancy for the Project from
the Department of Buildings (DOB) until the IEPA has issued, and the Developer has recorded with the Cook County Clerk’s Office and the City has approved, a Final Comprehensive residential NFR Letter for the Property (to the extent required), which approval shall not be unreasonably withheld. If the Developer fails to obtain the Final NFR Letter within six (6) months of the submission of the Remedial Action Completion Report to the IEPA, unless the City agreed to extend such time period, then the City shall have the right to issue a notice of default of this RDA against the Property.

The Developer must abide by the terms and conditions of the Final Comprehensive residential NFR letter and must inform any subsequent owner and tenants of the Property to abide by the terms of the NFR letter.

The City must be named in a reliance letter for all environmental assessment reports produced concerning the Property.

5.14 Corporate Documents; Economic Disclosure Statement. Developer has provided a copy of its articles or certificate of incorporation or organization containing the original certification of the Secretary of State; certificates of good standing from the Secretary of State of its state of incorporation or organization and all other states in which Developer is qualified to do business; a secretary’s certificate in such form and substance as the Corporation Counsel may require; bylaws or operating agreement; and such other organizational documentation as the City has requested.

Developer has provided to the City an EDS, dated as of the Closing Date, which is incorporated by reference, and will provide any other affidavits or certifications as may be required by federal, state, or local law in the award of public contracts, all of which affidavits or certifications are incorporated by reference. Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors. Before entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and if requested by DPD shall submit all bids received to DPD for its inspection and written approval.
Developer must receive at least three bids for the General Contractor. Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible qualified bidder who can complete the Project in a timely manner unless otherwise approved by DOH. Developer shall submit copies of the Construction Contract to DOH in accordance with Section 6.02 below. Copies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DOH within five (5) business days after they are signed. Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DOH and all requisite permits have been obtained.

6.02 Construction Contract. Before executing the Construction Contract, Developer shall deliver to DOH a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DOH’s prior written approval, which DOH shall grant or deny within ten (10) business days after delivery of the proposed Construction Contract. The Developer Parties shall ensure that its General Contractor adheres to the policies and procedures outlined in the ATS Manual. Within ten (10) business days after the Construction Contract is executed by all parties thereto, Developer shall deliver to DOH and Corporation Counsel a certified copy of such contract together with any modifications, amendments, or supplements thereto.

6.03 Performance and Payment Bonds. Before starting construction of any portion of the Project which includes work on the public way, Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form acceptable to the City. The City shall be named as obligee or co-obligee on any such bonds.

6.04 Employment Opportunity. Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10.

6.05 Other Provisions. In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.09 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Employment Requirement), Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records). Copies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof.
SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction or Rehabilitation. Upon completion of the construction and/or rehabilitation of the Project in accordance with the terms of this Agreement, and upon Developer’s written request, DPD shall issue to Developer a Certificate in recordable form certifying that Developer has fulfilled its obligation to complete the construction and/or rehabilitation of the Project in accordance with the terms of this Agreement. DPD shall use best efforts to respond to Developer’s written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer to obtain the Certificate. Developer may resubmit a written request for a Certificate upon completion of such measures.

The Developer acknowledges and understands that the City will not issue the Certificate and pay out City Funds in connection with the Project, until the following conditions have been met:

- Evidence acceptable to DPD that the Total Project Cost equals or exceeds $42,195,571; as described in Section 4.03(b), the City Funds will be reduced on a dollar-for-dollar basis if the Total Project Cost is less than this amount; and
- Evidence that Developer has incurred TIF-eligible expenses in an amount equal to, or greater than, the total amount of City Funds for the Project (up to $14,500,000); and
- Receipt of Certificates of Occupancy for all buildings or other evidence acceptable to DPD that the developer has complied with building permit requirements for the Project; and
- Evidence acceptable to DPD in the form of a closeout letter from DPD’s Compliance and Monitoring division stating that the Developer is in complete compliance with all City Requirements (MBE/WBE, City Residency, and Prevailing Wage); and
- Evidence acceptable to DPD that the Project has complied with the Sustainable Development Policy;
- Evidence acceptable to DPD that the units are being marketed for lease to tenants pursuant to the requirements set forth in the affordability provisions of the regulatory agreement executed by the Developer in connection with the Low-Income Housing Tax Credits.
- Evidence acceptable to DPD that the NFR has been secured
- Evidence acceptable to DPD of recording of the deed and
- There exists neither an Event of Default which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction and/or rehabilitation of the Project, and upon its issuance, the City will certify
that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the Certificate is issued, however, all executory terms and conditions of this Agreement and all representations and covenants contained in this Agreement will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Section 8.02 (Covenant to Redevelop), Section 8.06 (Jobs Covenant; Operating Covenant), and Section 8.20 (Annual Compliance Report) as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that when the Certificate is issued, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the Certificate is issued shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.14 (Assignment) of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities under this Agreement.

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed under this Agreement;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. If the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.03, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from Developer.

7.04 Notice of Expiration of Term of Agreement. When the Term of the Agreement expires, at Developer's written request DPD shall provide Developer with a written notice in recordable form stating that the Term of the Agreement has expired.
SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER.

8.01 General. The representations and warranties provided by Developer under this Agreement are material conditions precedent to the City’s obligations under this Agreement. Developer represents, warrants, and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder and throughout the Term of the Agreement, that:

(a) Developer is a corporation or limited liability company duly incorporated or organized, validly existing, qualified to do business in its state of incorporation or organization and in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by Developer of this Agreement has been duly authorized by all necessary action, and does not and will not violate its certificate or articles of incorporation or organization, bylaws or operating agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which Developer is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, Developer shall acquire and shall maintain good, indefeasible, and merchantable fee simple title to the Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that Developer is contesting in good faith pursuant to Section 8.15);

(e) Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting which would impair its ability to perform under this Agreement;

(g) Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

(h) Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer is bound;
(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present Developer's assets, liabilities, results of operations and financial condition, and there has been no material adverse change in Developer's assets, liabilities, results of operations or financial condition since the date of Developer's most recent Financial Statements;

(j) before the Certificate is issued, Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached to the Property); (3) enter into any transaction outside the ordinary course of Developer's business that would materially adversely affect the ability of the Developer to complete the Project; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity that would materially adversely affect the ability of the Developer to complete the Project; or (5) enter into any transaction that would cause a material and detrimental change to Developer's financial condition; provided however, this section shall not apply to a transfer from the Developer to one of Developer's subsidiaries or affiliates through a quitclaim

(k) Developer has not incurred, and, before the Certificate is issued, shall not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached to the Property, except Lender Financing disclosed in the Project Budget; and

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

(m) neither Developer nor any affiliate of Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.
(n) Developer understands that (i) the City Funds are limited obligations of the City, payable solely from moneys on deposit in the account of the TIF Fund designated for the Project; (ii) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (iii) Developer will have no right to compel the exercise of any taxing power of the City for payment of the City Funds; and (iv) the City Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

(o) Developer has sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the City Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of City Funds;

(p) Developer understands that there is no assurance as to the amount or timing of receipt of City Funds, and that the amounts of City Funds actually received by such party may be substantially less than the maximum amounts set forth in Section 4.03(b);

(q) Developer understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part except in accordance with the terms of Section 18.14 (Assignment) of this Agreement, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any sale, assignment, pledge or transfer of City Funds in violation of this Agreement; and

(r) Developer acknowledges that with respect to City Funds, the City has no obligation to provide any continuing disclosure to the Electronic Municipal Market Access System maintained by the Municipal Securities Rulemaking Board, to any holder of a note relating to City Funds or any other person under Rule 15c2-12 of the Commission promulgated under the Securities Exchange Act of 1934 or otherwise and shall have no liability with respect thereto.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03, and Developer's receipt of all required building permits and governmental approvals, Developer shall redevelop the Property in accordance with this Agreement and all its Exhibits, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments to such documents, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee but shall be deemed satisfied when the City issues the Certificate.

8.03 Redevelopment Plan. Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.
8.04 **Use of City Funds.** City Funds disbursed to Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement. If the City pays any of the City Funds to Sponsor, Sponsor shall be required to loan or contribute the City Funds to the Developer, to reimburse the Developer for the costs of TIF-Funded Improvements or directly pay for the costs of the TIF-Funded Improvements.

8.05 **Other Bonds.** Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements; *provided, however,* that any such amendments shall not have a material adverse effect on Developer or the Project. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect to such bonds.

8.06 **Jobs Covenant; Operating Covenant.** The Developer anticipates that the Project will result in the creation of [2.5] full-time equivalent permanent jobs (the “Permanent Jobs”), and (ii) during the construction of the Project approximately 350 construction jobs on the job-site (the “Construction Jobs,” and collectively with the Permanent Jobs, the “Jobs”). Throughout the Term of the Agreement, the Developer shall submit certified employment reports disclosing the number of Jobs at the Project, and following information for each employee:

- Employee status as full-time or part-time
- ZIP code for their primary residency
- Total employment tenure in months
- Wages above or below the “Living Wage” rate as defined for that year.

To DPD as a part of the Developer's submission of the Annual Compliance Report. Notwithstanding any other provision in this Agreement to the contrary, the failure to create the specified number of Jobs shall not constitute an Event of Default.

8.07 **Employment Opportunity; Progress Reports.** Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City when the Project is 25%, 50%, 75% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, how Developer shall correct any shortfall.

8.08 **Employment Profile.** Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.
8.09 **Prevailing Wage.** Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 **Arms-Length Transactions.** Unless DPD has given its prior written consent, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, before any such disbursement.

8.11 **Conflict of Interest.** Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

8.12 **Disclosure of Interest.** Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

8.13 **Financial Statements.** Developer shall obtain and provide to DPD Financial Statements for Developer's three most recent fiscal year and each fiscal year thereafter for the Term of the Agreement. In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 **Insurance.** Developer, at its own expense, shall comply with all provisions of Section 12.

8.15 **Non-Governmental Charges.** (a) **Payment of Non-Governmental Charges.** Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest
thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD’s request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) **Right to Contest.** Developer has the right, before any delinquency occurs:

(ii) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify, or extend Developer’s covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15), or

(ii) at DPD’s sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 **Developer’s Liabilities.** Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations under this Agreement or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer’s ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 **Compliance with Laws.** To the best of Developer’s knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City’s request, Developer shall provide evidence satisfactory to the City of such compliance.

8.18 **Recording and Filing.** Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel) and all amendments and supplements to this Agreement to be recorded and filed, at Developer’s expense, against the Property on the date hereof in the Cook County Clerk’s Office.
§ 19 Real Estate Provisions.

(a) Governmental Charges.

i. Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create or may create a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" means all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

ii. Right to contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying, or extending Developer’s covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD’s sole option,

iii. Developer shall demonstrate to DPD’s satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge before the final determination of such proceedings; and/or

iv. Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer’s Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, then Developer shall advise DPD in writing. At that time DPD in its sole discretion may, but shall not be obligated to, make all or any part of such payment or obtain such discharge and
take any other related action which DPD deems advisable. By taking any action under this paragraph, DPD shall not waive or release any obligation or liability of Developer under this Agreement. The Developer shall promptly reimburse DPD for all sums, if any, DPD pays under this paragraph and expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto. Notwithstanding anything contained in this paragraph to the contrary, this paragraph shall not be construed to obligate the City to pay any Governmental Charge. If Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) **Real Estate Taxes.**

[intentionally omitted]

(d) **Notification to the Cook County Assessor of Change in Use or Ownership.** If required under 35 ILCS 200/15-20 due to a change in use or ownership of the Property, within 90 days after the Closing Date, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor of such change in use or ownership. After delivery of the notification, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office.

8.20 **Annual Compliance Report.** Starting when the Certificate is issued and continuing throughout the Term of the Agreement, Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.21 **Inspector General.** It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant, to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.22 **Sustainable Development Policy.** The Developer shall provide evidence acceptable to the City that they have complied with the Sustainable Development Policy for the Project within one (1) year after the date of the Certificate. If a default occurs under this Section 8.22, the City shall have the right to reduce the City Funds by $250,000 as described in Section 15.02.
8.23. FOIA and Local Records Act Compliance.

(a) FOIA. Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Developer receives a request from the City to produce records within the scope of FOIA, then Developer covenants to comply with such request within 48 hours of the date of such request. Failure by Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that Developer submits to the City as part of the Annual Compliance Report or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If Developer marks a document as "proprietary, privileged and confidential," then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et seq., as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act.

8.24 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties to this Agreement and, except as provided in Section 7 when the Certificate is issued, shall be in effect throughout the Term of the Agreement.

8.25 Increment and Rate of Return Reporting. Developer agrees to report the increment projected to be created by the Project at the Closing Date. Developer agrees to report the increment to date created by the Project. Developer agrees to report the Project's rate of return. Rate of return report to be independently verified by a third party chosen by the City.

8.26 Job Readiness Program. Developer and its major tenants, if applicable, shall undertake a job readiness program to work with the City, through the Mayor's Office of Workforce Development, to participate in job training programs to provide job applicants for the jobs created by the Project and the operation of Developer's business on the Property.

8.27 Affordable Housing Covenant. Developer agrees and covenants to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of that certain Low Income Housing Tax Credit Regulatory Agreement executed by Developer and DOH...
as of the date hereof shall govern the terms of Developer's obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The Facilities shall be operated and maintained solely as residential rental housing and ground-floor commercial spaces.

(b) No residential housing units in the Facilities shall be leased to market rate households;

(c) At least 40% of the units in each of the 6-Story Facility and the 3-Flat facilities shall be affordable to 60% AMI Households (as defined below)

(d) At least 60% of the units in each of the 6-Story Facility and the 3-Flat facilities shall be affordable to 80% AMI Households (as defined below)

(e) As used in this Section 8.27, the following terms have the following meanings:

i. "Household" shall mean one or more individuals, whether or not related by blood or marriage; and

ii. 60% AMI Households shall mean Households whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

iii. 80% AMI Households shall mean Households whose annual income does not exceed eighty percent (80%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(e) The covenants set forth in this Section 8.27 shall run with the land and be binding upon any transferee.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations under this Agreement.
9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City’s execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties to this Agreement and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER’S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the “Employers” and individually an “Employer”) to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party’s provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the “Human Rights Ordinance”). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City’s Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.
(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

"Actual residents of the City" means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall
maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the “Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246” and “Standard Federal Equal Employment Opportunity, Executive Order 11246,” or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:
(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the “Procurement Program”), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the “Construction Program,” and collectively with the Procurement Program, the “MBE/WBE Program”)), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit B) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 26 percent by MBEs.
(2) At least 6 percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a “contractor” and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a “contract” or a “construction contract” as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer’s MBE/WBE commitment may be achieved in part by Developer’s status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer’s MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City’s monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City’s monitoring staff in determining Developer’s compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City’s
monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Before starting the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor's letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all its Exhibits, the Scope Drawings, Plans and Specifications and all amendments thereto and the Redevelopment Plan.
Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which Developer, or any person directly or indirectly controlling, controlled by or under common control with Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Developer and Contractors.

Developer hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Developer in no way limit Developer's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by Developer under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Developer is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Developer must require Contractor and subcontractors to provide the insurance required herein, or Developer may provide the coverages for Contractor and subcontractors. All
Contractors and subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement.

If Developer, any Contractor or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees) in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any official statement, limited offering memorandum or private placement memorandum or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or any Affiliate developer or any agents, employees, contractors or persons acting under the control or at the request of Developer or any Affiliate of Developer; or

(iv) Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating to this Agreement,

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The
provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events shall constitute an “Event of Default” by Developer under this Agreement:

(a) Developer fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

(b) Developer fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

(c) Developer makes or furnishes to the City any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted under this Agreement, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to
pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) any judgment or order is entered against Developer and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) an event of default occurs under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of Developer or the death of any natural person who owns a material interest in Developer;

(j) a criminal proceeding (other than a misdemeanor) is instituted in any court against Developer or any natural person who owns a material interest in Developer and is not dismissed within thirty (30) days, or Developer or any natural person who owns a material interest in Developer is indicted for any crime (other than a misdemeanor);

(k) prior to the expiration of the Term of the Agreement, the sale or transfer of a majority of the ownership interests of Developer without the prior written consent of the City;

(l) Developer or any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer fails to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer; or

(m) Developer fails to submit the Annual Compliance Report to the City within 60 days after each anniversary of the Closing Date during the Term of the Agreement as provided in Section 8.20.

(n) Developer fails to secure the Certificate for the Project prior to the second anniversary of the RDA Closing Date.
For purposes of Sections 15.01(i) and 15.01(j), a person with a material interest in Developer shall be one having a direct or indirect beneficial interest (including ownership) exceeding 10% of Developer.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend disbursement of City Funds, place a lien on the Project in the amount of City Funds paid, seek reimbursement of any City Funds paid and/or draw down up to the entire balance of the Letter of Credit, if any, as set forth in this Section 15.02 below. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained in this Agreement.

Upon the occurrence of an Event of Default under Section 15.01(m), Developer shall be obligated to pay to the City the amount of $10,000 as liquidated damages, and not as a penalty, which such payment shall be required no more often than once per calendar year. Any payment of liquidated damages by Developer shall not relieve Developer of its obligation under Section 8.20.

Upon the occurrence of an Event of Default because of failure to comply with Section 8.22, (Sustainable Development Policy), the City's remedy shall be the right to reduce the amount of City Funds by $250,000.

15.03 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured. Any performance of Developer duties, obligations or rights (including cure rights) that is offered to the City by either the Owner or the Sponsor on behalf of the Developer will be evaluated and accepted or rejected by the City as though offered by both Developer parties.

15.04 Limited Partner Cure Period. The City agrees to give the Limited Partner written notice of any and all defaults by the Owner under this Agreement, and an opportunity, at the Limited Partner's option, to cause the cure of such default within the cure periods set forth below,
prior to exercising any remedies under the this Agreement. The City agrees that the Limited Partner will have ten (10) days after the Limited Partner's receipt of notice of such default to cure, or cause the cure, of a monetary default under the this Agreement, and thirty (30) days (or such longer period as is set forth in the this Agreement) after the Limited Partner's receipt of such notice to cure any non-monetary defaults under the this Agreement, or, as to non-monetary defaults, such longer period as is reasonably necessary for the Limited Partner to cause cure, provided that cure is commenced within the above cure period and is diligently prosecuted. The City agrees to accept a cure by the Limited Partner as if such cure were made by Owner.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date of this Agreement with respect to the Property or any portion thereof that were made before or on the date of this Agreement in connection with Lender Financing and which are Permitted Liens are referred to in this Agreement as the "Existing Mortgages." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to in this Agreement as a "New Mortgage." Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to in this Agreement as a "Permitted Mortgage." The City and Developer agree as follows:

(a) If a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest under this Agreement in accordance with Section 18.14 (Assignment), the City may, but shall not be obligated to, attend to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) If any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest under this Agreement in accordance with Section 18.14 (Assignment), the City hereby agrees to attend to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" under this Agreement; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of Developer which accrued before such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest under this
Agreement, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Before the City issues a Certificate under Section 7, Developer shall not execute a New Mortgage with respect to the Property or any portion of the Property without the prior written consent of the Commissioner of DPD.

SECTION 17. NOTICE

Unless otherwise specified, any notice, demand or request required under this Agreement shall be given in writing at the addresses set forth below, by any of the following means: (a) personal service; (b) telecopy or facsimile; (c) overnight courier, or (d) registered or certified mail, return receipt requested.

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and its Exhibits may not be amended or modified without the prior written consent of the parties to this Agreement; provided, however, that the City, in its sole discretion, may amend, modify, or supplement the Redevelopment Plan without the consent of any party to this Agreement. No material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term “material” for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than ninety (90) days.
18.02 Entire Agreement. This Agreement (including each Exhibit attached to this Agreement, which is hereby incorporated into this Agreement by reference) constitutes the entire agreement between the parties to this Agreement and it supersedes all prior agreements, negotiations, and discussions between the parties relative to the subject matter of this Agreement.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms of this Agreement. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party’s right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties to this Agreement, shall constitute a waiver of any such parties’ rights or of any obligations of any other party to this Agreement as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party under this Agreement are cumulative and the exercise of any one or more of the remedies provided for in this Agreement shall not be construed as a waiver of any other remedies of such party unless specifically so provided in this Agreement.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included in this Agreement and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.
18.10 **Conflict.** In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.

18.11 **Governing Law.** This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.12 **Form of Documents.** All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.13 **Approval.** Wherever this Agreement provides for the approval or consent of the City, DPD, DOH, or the Commissioner, or any matter is to be to the City's, DPD's, DOH's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given, or determined by the City, DPD, DOH or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City, DOH or DPD in making all approvals, consents, and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.14 **Assignment.** Developer may not sell, assign, or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City. Any successor in interest to Developer under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, as described in Section 7.02 (Effect of Issuance of Certificate; Continuing Obligations), for the Term of the Agreement. Developer consents to the City's sale, transfer, assignment, or other disposal of this Agreement at any time in whole or in part.

18.15 **Binding Effect.** This Agreement shall be binding upon Developer, the City and their respective successors and permitted assigns (as provided in this Agreement) and shall inure to the benefit of Developer, the City and their respective successors and permitted assigns (as provided in this Agreement). Except as otherwise provided in this Agreement, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.16 **Force Majeure.** Neither the City nor Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations under this Agreement. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any
such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.17 Business Economic Support Act. Pursuant to the Business Economic Support Act (30 ILCS 760/1 et seq.), if Developer is required to provide notice under the WARN Act, Developer shall, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and minority Leader of the Senate of State, and the Mayor of each municipality where Developer has locations in the State. Failure by Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth in this Agreement.

18.18 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party to this Agreement agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois, and the United States District Court for the Northern District of Illinois.

18.19 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

18.20 Business Relationships. Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a "Financial Interest" (as defined in Section 2-156-010 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.
IN WITNESS WHEREOF, the parties to this Agreement have caused this Agreement to be executed on or as of the day and year first above written.
